Hildreth and Johnson Play
For Honors in Second
Flight.

The all university golf championships in the three flights will be decided today over the Pioneer Park golf course with Dubry playing Koolen; Hildreth taking on Johnson and Oettings meeting Cropper. These men gained the right to compete by winning their respective flights either at East-ridge or Antelope courses.

In the finals of flight one at Eastridge Dubry defeated Gelwick, while in the second flight Hildreth took Klaurens and Oettings beat Noyes in the third flight. In the first flight at Antelope, Koolen took Calvert's measure, and Johnson beat Schmidt in the second flight. The third flight saw Cropper defeat Dye.

Fifty men entered the six flights of the summer session golf tournament which began about the first of July. In the first round of the first flight at Eastridge, Dubry defeated Prince, while Clem lost to Weff and Gelwick took Colson. Starkebaum won over Thomas. In the semifinals Dubry again triumphed, this time over Webb, while Gelwick was beating Starkebaum. In the finals, Gelwick lost to Dubry.

The second flight, also at Eastridge, saw Kiffian dropping his match to Klaurens while Jones was defeating Archerd. Hildreth beat Lehman and Bittner dropped his match to Partridge. In the semifinals Klaurens beat Jones and Hildreth defeated Partridge. The finals saw Hildreth triumphing over Klaurens.

Oettings beat Jimmerson in the first round of the Eastridge third flight while Miller was taking Young. Bowers won over Kentapp. Owing to the extra number of men in this flight, Noyes beat Binfield in nine holes to win the right to play the winner of the Hungate-Liebendorfer match, also nine holes. Noyes defeated the winner of this match. In the semifinals Oettings again triumphed, this time over Miller, while Noyes took Bowers' measure. In the finals Noyes dropped his match to Oettings.

At Antelope, in the first round of flight one, Lieben defeated Day and Koolen took Prucka. Byers won over Lensen and McProud lost to Calver. The second flight at Antelope, saw the Huff-Webster match in which Huff won. Schmidt took Gegier and Panter won over McCormick. Lightbody dropped his match to Johnson. In the semi-

NEXT TUESDAY IS DATE OF CLOSING BASEBALL GAMES

The last baseball workout for the summer student men will be held on the playing field south of Teachers college next Tuesday evening from 6:30 until dark. This game will be under the direction of Verne Jones and every man in school is welcome to come out and play because no definite teams have been chosen up and everyone will get an opportunity to play.

More than a hundred men have availed themselves of this opportunity for a recreational get-together which has been under the direction of the student executive committee. Up until the close of the six weeks session the games were under the direction of Art Jones but with his departure Verne Jones took charge of the workouts. Equipment was furnished by the committee in charge. Several games were scheduled with municipal league teams but owing to conflicts with night classes, and other summer session affairs, only one game was played, that with Havelock on the drill field. Havelock, also supplied with several summer session students for its team, was defeated 6 to 5 in an eight inning battle; the score stood 5 to 5 at the close of the regular seven innings of play.

In the finals, Huff lost to Schmidt and Johnson triumphed over Panter. In the finals, Johnson was the victor over Schmidt.

Stover and Dye tangled in the first round of the third flight with the latter winner. Guthrie won handily from Hamilton, and Ritchey beat Snyder. Warren dropped his match to Cropper. In the semifinals round, Dye beat Guthrie and Cropper defeated Ritchey, thus winning the right to compete in the finals which was won by Cropper.

Harriet Cull, Irene Schlichting Helen, Edith Mamie Sundell and Glenn W. Hildreth are registered from Oakland. Harriet Cull will teach at Alliance and Edith M. Sundell will be at Harvard. Mr. Hildreth will continue his teaching at Oakland.
