

HUSKERS HOLD SCRIMMAGE ON MIZZOU PLAYS

Two Varsity Lineups Sent Through Stiff Workout: Drill on Passes.

SAUER BACK IN SUIT

Ankle Badly Swollen; May Not Be Put in Game Next Saturday.

The Cornhuskers were given a shot at Missouri's offensive and defensive plays Tuesday afternoon in a long scrimmage against the nubbins and the freshman teams. All varsity men were put in action at one time or another during the scrimmage.

After brisk warming up exercises a varsity team composed of Hoy and Kilbourne at ends; Hubert and Schmitt tackles, with Gilbert alternating; Koster and DeBus at guard positions; Ely and McPherson alternating at center; and Paul, Boswell, Kreizinger, Masterson, Brown, and Penny alternating at the backfield positions, was sent against the nubbins who were using Missouri offensive plays.

Fresh Give Opposition.

Another varsity team made up of Milne and Petz at ends; Scoggins and Holmbeck at tackles; Bishop and Adams at guards; Campbell at center; Roby, Staab, and Swanson backs, and Manley and Mathis alternating at quarter, furnished the opposition for the freshmen who were using Missouri's defensive plays.

Preceding the scrimmage was a short passing drill which showed that Masterson is still the outstanding passer and seems to be more accurate than ever. Every pass was right in the receiver's arms. Sauer, Roby, Brown and Staab were also doing some hurling.

Altho Sauer appeared for practice and was suited up, he took no part in the scrimmage. His ankle is still quite badly swollen and it is possible that he will not be put in the game Saturday unless needed.

Coach Bible is putting his backfield men thru their paces and Tuesday concentrated on passes, reverses, and fake reverses. Coach Brown is getting his ends in shape and Coach Day is working his line men into a formidable forward wall. Even the Missouri pass thru with a few unexpected moves, this combination should be able to keep them well under control.

An open practice will be held

TIGER COACH SLOWS UP SQUAD PRACTICE

Henry Attempting to Rest Players for Cornhusker Game Saturday.

COLUMBIA, Mo.—Coach Gwinn Henry gave his University of Missouri Tigers a rest Monday in an attempt to get his injured players back in shape for the homecoming game with Nebraska Saturday. The squad was given a secret dummy drill and Coach Henry said that nothing more strenuous than that would be used this week.

Pointing to the heavy hospital list and the slowing up in the Tiger attack after the first quarter against Iowa State last week, Henry expressed the belief that only rest and light work could help the situation. No chances will be taken on injuring any more players before the Cornhusker invasion this week.

Noble Noblitt, tackle, and Capt. Frank Bittner, halfback, had berths with the second eleven. Neither of these men have played since the Texas game three weeks ago because of injuries.

DIES FROM GRID INJURIES

Fatality Recorded as Death Comes to Army Player After Yale Game.

Sheridan was carried from the field on a stretcher after the injury which occurred while he was trying to break up Yale interference for Bob Lassiter who was running back an Army kickoff after Yale had tied the score.

SPECIAL RATES TO MIZZOU WITHDRAWN

Too Few Students Signify Intentions of Going, Says Burlington.

Because so few students have signified their intention of attending the Missouri-Nebraska game at Columbia Saturday, the Burlington has withdrawn its original rates announced last week conditional on the number of students taking advantage of the offer. The offer included round-trip day coach accommodations for \$8.50 with \$5.50 additional for Pullman. A round-trip journey may be made by way of Kansas City on the C. B. Q. and Wabash roads for \$11.25. The C. B. & Q. offers Pullman accommodations extra to Kansas City. The trip from Kansas City to Columbia is on the Wabash road.

These accommodations, which were investigated by Bob Kinkead, chairman of the student migration committee of the Student council, are submitted as affording the best connections available for students who wish to see the game Saturday.

The Burlington train leaves Lincoln at 12:10 a. m. Friday and arrives in Kansas City Saturday morning at 7:25. Changing to the Wabash at the Kansas City union station, students may catch a train at 8:50 a. m. which will arrive at Columbia at 1:50 Saturday afternoon. The return trip can be arranged by catching an 8 p. m. train out of Columbia Saturday evening, and arriving in Lincoln Sunday morning.

SET NEW TIME FOR SINGING GRID TUNE

'Cornhusker' Is to Be Sung Before Instead of After Games.

CHANGED BY HONORARY

Beginning with the next home football game, the "Cornhusker" will be sung just before the kickoff rather than after the game, as it has been in the past, the Innocents society announced yesterday.
When the team comes out on the field everyone will stand, men removing their hats, while the song is sung with band accompaniment. The players on the field will stand at attention with helmets off during the singing.

The change was decided upon, Ed Faulkner, member of the society, explained yesterday, because the new procedure will give the team an added impetus for victory and will be more impressive. "In addition," Faulkner said, "when the song is sung following the game, many who do not understand the tradition leave immediately, not waiting for the song. This results in confusion and shows disrespect for Nebraska's song."
Faulkner emphasized that all men must remove their hats while the song is sung.

working doubly hard since each one must show improvement over that when picked, or they will be eliminated, it was announced by Kosmet judges.

The method of presentation of this year's Nebraska sweetheart is being worked out under the supervision of Norman Hoff, Hoff, member of the Kosmet Klub, designed the winning decorations of homecoming for Sigma Alpha Epsilon. The "Sweetheart" is known only to the president of the club and president of the student council, and her identity will not be revealed until the Dad's day show.
The club requests that men working on the show report more regularly and keep in touch with the chairman of each respective committee.

students. Four speakers are going to be obtained to carry out the theme of the day.
The luncheon will adjourn promptly at 1 o'clock in order to afford ample time to get to the game. Music is to be provided and the Innocents society promise a mysterious surprise for the dads. Richard Devereaux, president of

the Innocents, will serve as toastmaster.
Tickets for the luncheon will be on sale next week at fraternity and sorority houses and at rooming houses on the campus. Tickets may also be obtained before the dinner at the Chamber of Commerce.

Tomson In Charge.

This issue of the Daily Nebraskan is to serve as an invitation to all the dads and all of the families of university students to be present for the Dads' Day celebration. Coburn Tomson of the Innocents society, has charge of the program for the day. Tickets may be exchanged so that families may sit together at the luncheon.

The Cornhusker rooting section will carry out the Dads' Day theme in silent cheering as in the past. Placards are to be distributed with slogans appropriate for the occasion. Cheers and songs will be led at the luncheon by varsity cheer leaders.

AFTER ALL, it's a Townsend photograph that you want.
