CONDUCTS FACULTY CLASS

Dr. Clapp Offers Gymnasium Work for University Staff Members.

According to Dr. R. G. Clapp of the physical education department, faculty men's division classes are being conducted now on the stage of the Coliseum from 12 to 1 o'clock on Monday, Wednesday and Friday. He urges that all faculty men interested in gymnasium and recreation come out to these classes.

The class, he says, is arranged to satisfy the desires of the indi-vidual. After the Christmas holidays the last fifteen minutes of each hour will be devoted to a swim in the new pool for all men. All men interested in any kind of recreational activity are asked to call Dr. Clapp. The department states that there will be a type of recreation for every man and they may go into the sport they desire.

After the holidays the swimming

pool will be open to faculty men during the noon hour on the three days mentioned. Men desiring a locker may obtain one by calling Dr. Clapp at 207 Coliseum any day from 11 to 12 or from 2

SOCIETY

The Christmas holidays which begin this week-end will draw many of the students to their homes Friday, but many of them will undoubtedly stay over for the Sigma Alpha Epsilon formal dance at the Cornhusker that evening. Theta Xi is planning a house party for their members and Sigma Chi has also planned a formal dinner dance for their members. Phi Delta Theta have arranged a formal dinner dance at their chapter house for Saturday evening.

Mortar Board Tea This Afternoon.

Christmas will be the motif carried out at the Mortar Board tea this afternoon from 3 to 5 o'clock in Ellen Smith hall for three hundred sophomore and junior women. Palms, ferns and decorated Christmas trees will bank the fireplace in the court. Poinsettias and tall red tapers tied with green tulle will decorate the tea table. Tapers will light the drawing room which will be decorated with Christmas

PLAN NEW COURSES IN HOME ECONOMICS (Continued from Page 1.)

problems of the management of time and money in the home. The latter half of the course includes a study of food selections in relation to health together with planning of balanced meals for children and adults.

A more comprehensive course in elements of nutrition (H. E. 150) also offered on the city campus. This is a three hour course and includes laboratory practice. This course should be of interest to potential homemakers and social welfare workers.

Child care and training (H. E. 190) is the title of another two hour course to be offered. This will include a study of the development, care and training of the young children with specie! toference to home education.

In addition to the courses described above a number of courses given on the agriculture college campus are without prerequisite and are therefore open to non-

Hotel D'Hamburger Shotgun Service 1718 O St.

home economics majors. Among these are a two hour course in clothing (H. E. 1) and a three hour course in textiles (H. E. 6.) A course in household equipment (H. E. 67) requires physics as a pre-requisite or parallel course.
