

# HUSKER 'B' TEAM BEATS NORFOLK JUNIORS, 44-31

### Ag Reserve Cagers Come From Behind to Win Saturday Game.

### MAUCH IS 'B' LEADER Collects 12 Points to Star For Scarlet; Visitors Tire Rapidly.

The Ag "B" team came from behind late in the first half to overtake and stay ahead of the Norfolk junior college game which was won by the local team, 44 to 31 yesterday afternoon in the coliseum.

Chandler, of the invaders, was high point man with 14 points, all of which were made in the first half with seven field goals. Hanning, for Norfolk, made seven points in the second half to be second high for the junior college quintet. Mauch for the "B" team was high scorer with Beadle making seven, Walker making four field goals and Snipes donating five points.

The locals had a hard time getting started but were soon able to work together and in the last part of the game were making shots from all parts of the floor. The Norfolk crew seemed to tire from the fast going, no doubt because of the large floor, and in the second half made but 13 points to 22 counters for the Husker B's.

### Substitute Freely.

Both coaches substituted freely and re-arranged their line-ups in order to make the most number of points. Especially was this true in the first half for Nebraska and in the second canto for the Norfolk juniors.

Fouls were comparatively few until late in the game, with four being called on the Red and Black team in the first half to none for the Aggies, and three for the home boys and four in the last half for the invaders.

The game was originally scheduled to begin at 2:30 but was delayed because of misunderstanding until a half hour later. Mathias Volz, Nebraska, was referee while Wahlquist and Crum acted as timekeepers.

Football lectures were in evidence in some cases, especially when one guard for Norfolk attempted to get the ball. However, there were plenty of spills on both sides.

Norfolk	fg	ft	Neb.	fg	ft
Chandler	7	0	Mauch	7	2
Koningsmeyer	2	2	Walker	2	1
Schmidke	0	0	Wichmischer	4	0
Johnson	1	0	Snipes	3	1
Krampton	0	0	Beadle	2	1
Hanning	2	3	Livingston	1	0
Williams	0	0	Noyes	1	0
Stearns	1	0	Nebam	0	0

## TWENTY ENTER HANDBALL

### Paul Grossman Numbered Among Tournament Candidates.

Twenty men filed entries for the all-university handball tournament, according to an announcement made by Rudy Vogeler. Among the entries was Paul Grossman, Omaha, last year's champion.

Two prizes will be given the winner and second place, a gold medal going to the champion and a silver medal awarded the runner-up.

## METHODIST STUDENTS GIVE SPORTS PARTY

### Coryell Describes Trip in Orient Illustrated by Moving Pictures.

One hundred thirty-five students attended the all Methodist winter sports party Friday evening at Trinity Methodist church. The feature of the evening was a talk by L. L. Coryell, sr., on India and China which Mr. and Mrs. Coryell visited on their recent trip around the world. Moving pictures illustrated the talk.

Opening his talk with a description of their trip up the great Chinese wall, Mr. Coryell showed pictures of the worship services in the old Chinese temples in Peking and Shanghai and the customs and mode of life of the people.

The speaker described their tour down the Ganges river. One reel of film dealt with the burial service of Indians on the burning gats on the banks of the Ganges. Pictures were shown of Indian pilgrims worshipping in the sun temples along the Ganges.

Winter sports games were led by Ralph Copenhaver, social chairman of the Methodist student council, which sponsored the party. In a contest for all pastors present, Lloyd Watt was declared winner on his ability to talk the longest without saying anything. Vesta May presented two humorous readings. The Phi Tau Theta quartet, composed of Henry Gemballa, Lloyd Watt, James Howard and Harold Potter, sang a group of numbers. They were accompanied by Warren Henderson.

Chaperones for the affair were Rev. and Mrs. W. C. Fawell, Rev. C. H. Prouty and Miss Helen Westcott. Bernard Malcolm and Margaret Wiener were in charge of refreshments, and members of the Trinity league served as a reception committee. Ralph Copenhaver was chairman of the entertainment committee and Nora Bubb of publicity.

## ORFIELD NAMED TO POST

### Law Professor Elected to Council at National Meeting.

At a recent meeting in Chicago of the Association of American Law Schools, Prof. Lester B. Orfield, college of law, was named a member of two of the nine round table councils which prepared the program of the association. Those councils were in equity and wrongs.

Personnel of the two groups in addition to Professor Orfield are: Equity, Professors Henry McCintock, University of Minnesota, Clarence Lavlin, Ohio State university, and John P. Dawson, University of Michigan; wrongs, Dean Justin Miller, Duke university, Dean Wayne L. Morse, University of Oregon, and 4 Professors Newman Baker, Northwestern university, and Ralph Fuchs, Washington university, St. Louis.

### Dr. H. C. Koch Writes Article for Magazine

The English Journal will publish an article in a near-future issue prepared by Dr. H. C. Koch, professor of secondary education, which is a resume of the paper Dr. Koch presented at the meeting of the National Council of English Teachers recently. It has to do with the purpose and scope of English departments in schools.

# 1249 FRATERNITY MEN TAKE PART IN INTRAMURALS

### Vogeler's Report Indicates Basketball Receives Most Support.

### SOCCER ATTRACTS MANY All-University Tournaments Fail to Draw Greek Entrants.

Intramural sports attracted 59.2 percent of fourteen hundred fraternity men, or 1,249 players last year, a tabulation from the office of Rudy Vogeler, supervisor of intramural athletics, reveals.

The report just released shows that basketball was the most popular sport, with 559 amateur hoopers in the "A" and "B" leagues playing a total of 135 games. Soccer was second with 507 men playing 53 games, and baseball ranked third in drawing power with 476 players participating in 71 games.

All-university tournaments were not so successful in engaging the interests of students, the high ranking sport, tennis, being engaged in by only 39 players. Second and third were wrestling, with 32 participants, and the basketball free throw, with 29.

Inter-college sports, soccer and basketball, were played by 110 and 55 students, respectively. Professional fraternity members, taking part in five sports, found basketball most attractive. Sixty players teamed in 30 games. Baseball was a close second, 58 men playing in a total of nine games. Horseshoes drew 29 in 16 games; bowling, 25 in 39 games, and tennis, 16 in 5 hits.

Of the 1,249 fraternity men competing, 514 took part in one sport, 286 in two sports, 178 in three, and 120 in four. One enthusiast competed in 11 sports, six in nine, 11 in eight, 15 in seven, 53 in six, and 65 in five different branches of athletics.

The intramural staff, in charge of all non-varsity athletic competition, is composed of Herbert D. Gish, director; Rudolph F. Vogeler, supervisor in active charge of the program; Roy Behrens, senior intramural manager. Students assisting him are Ernest Deming and Gilbert Webster. Junior members are Lyle Lydick, Melvin Adams, Robert Glover and Elmer Durisch. Since the publication of the staff members in the intramural handbook, a resume of all intramural activity last year, several sophomore managers have also been appointed.

## GREAT ELEPHANT FOSSIL EXHIBITED AT MORRILL HALL

The skeletal mount of a massive elephant fossil, Eubelodon morrilli, named for the late Hon Charles H. Morrill, whose donations have made Nebraska fossil collections possible, is in place in one of the large cases in Morrill hall. About four months work was required to shape the iron supports of this huge skeleton and to place the bones in position on the iron framework. The work was done by Henry Reider, chief preparator of the museum, assisted by Eugene Vanderpool.

## FRANKFORDER TALKS TO CHEMISTRY CLUB

Prof. C. J. Frankforter, department of chemistry, recently addressed the chemistry club at Lincoln high school on "Chemistry of Explosives," illustrating the lecture and actually demonstrating with explosives.

On Jan. 14, Professor Frankforter addressed the Nebraska Bottlers of Carbonated Beverages in Omaha on the subject, "Chemistry and Its Relation to Food Products." On the preceding evening he discussed the question, "What is Chemistry?" before the Lincoln chapter of DeMolay.

## COL. OURY CONFINED TO HOME WITH COLD

Col. W. H. Oury, commandant of cadets and chairman of the department of military science, has been confined to his home the past few days with a heavy cold. He is expected to return to his office early this week.

## Japanese Scientist Arrives at Nebraska

Shi Kuro Miura, Tokio, Japan, agricultural college and farm manager and lecturer of Gifu, Japan, agricultural college, recently arrived at the university to spend a few months in the botany laboratories to become acquainted with American methods in plant ecology, particularly the method of studying root development and that of crop plants. He will work with Dr. J. E. Weaver, whose books on the subject have been translated into several foreign languages.

## Hotel D'Hamburger Shotgun Service

1141 Q St. 1718 O St.

## FACULTY PLANS MEETING

### DeBaufre Scheduled to Give Address at Jan. 26 Dinner.

Prof. William L. DeBaufre, the chairman of the department of applied mechanics and engineering drawing, will deliver the second of a series of scholarship lectures, on January 26, at a dinner meeting in the University club. At this lecture which is open to all faculty and administrative members, Professor DeBaufre will relate the story of "Steam Through the Ages."

At the first lecture of this series, Dr. D. D. Whitney, professor of zoology was the speaker. A faculty committee headed by Dr. D. A. Worcester, professor of educational psychology, is in charge of the scholarship lectures.

## KANSAS EDGES OUT K-AGGIES 27 TO 26

### Jayhawks Put Skids Under Wildcats in Great Cage Battle.

### K. U. IN LEAD AT HALF

LAWRENCE, Kas.—The Kansas Jayhawks practically eliminated Kansas Aggies from the Big Six championship race when a belated rally by the Aggies fell one point short and Kansas won 27 to 26 here Friday night.

In one of the greatest battles ever seen on a Mount Oread court, the Jayhawks kept a close margin over the Aggies, leading 13 to 10 at half time.

Kansas' ability in making good their free throws proved to be the deciding factor in the game. Kansas State led in total field goals, making 11 to their opponents 9, but converting only 4 charity flips while Kansas scored 9.

O'Leary, Kansas, and Skidsky, Kansas State, tied for high point honors with thirteen points each.

Summary:

Kansas	fg	ft	Kan. State	fg	ft
O'Leary	5	0	Breen	1	0
Harrington	1	0	Graham	0	0
Johnson	1	1	Brookway	1	1
Reusch	0	0	Straubsky	0	0
Vank	0	0	Boyd	2	2
Page	0	0	Auker	1	1
Total	9	9	Total	11	12

## THE COLLEGE WORLD

### NEW BRUNSWICK, N. J.—

Warning against absorption in bridge, luncheons, dinner parties and the petty details of house-keeping, was issued to 500 alumnae of the New Jersey college for women here by Dean Mable S. Douglas who addressed them.

"The danger years for a college woman are those which immediately follow graduation, and extend ten or fifteen years," she said. "It is during this time that women sink themselves either in the petty details of their work or in the care of their homes and children. They fail to realize that to achieve real success either in a home or in a profession they must not let themselves deteriorate, but must be intellectually alive and abreast of the world's events."

Those who marry think they are best serving their children by being completely absorbed in them; they are later to discover that there are better ways to earn the respect and companionship of their children.

Educational authorities in Washington are credited with the belief that while education by radio is still in the experimenting stage, broadcasting has already proved its merits as an aid to education by helping materially to reduce illiteracy throughout the nation.

### NEW YORK—

Speaking before the session of the institute of arts and sciences here, Dr. Nichols Murray Butler, president of Columbia university, warned that nations must develop national and international consciousness, or go through the precipice of destruction of civilization. The world is at an important climax right now, he said, with the future depending a great deal on present day leadership.

Fraternities at the University of Arizona have founded a new co-operative organization known as the Arizona Associated Fraternities, the purpose of which is to make all purchases for the campus fraternities, and thus create a 15 percent saving in supplies for the organizations.

# LONG RUNS FEATURE WEIRD GRID SEASON

### Survey of Conference Tilts Reveals Many Gains But Few Scores.

### LOU BROWN STANDS OUT

By WALTER E. DOBBINS, Ex-'25 Sports Writer, State Journal.

Brilliant, dazzling runs, each bordering on the sensational, stood out, brazen like, in a season of little scoring in the Big Six conference, a survey of the 1931 pigskin season reveals.

The conference, admittedly weaker than in several seasons, could account for only 211 points in inter-loop play for a team average score per game of slightly over 7 points.

Nebraska was the leading scorer with 58 points in 5 contests with Bo McMillin's Kansas State second with 56. Iowa State, competing in only 4 games, tallied an even 40 markers. Kansas was low with 14 points, its net against Missouri for Hargiss' lone conference triumph.

In spite of this drab showing several individual stars stood out with spectacular exhibitions. Lewis "Bullet" Brown, Nebraska quarterback; Eldon Auker and Henry Cronkite, Kansas State seniors, and three sensational sophomores—Sauer, Nebraska; Graham, Kansas State; Stuber, Missouri—caged the spotlight in almost every battle.

Little Dick Grefe, a junior at Iowa State college, captured individual high scoring honors with 27 points. He accounted for 4 touchdowns and 3 field goals from placement on the try for point.

Ralph Graham, built like Blue Howell only lower to the ground, established himself as the outstanding line plunger in the conference until injured just before the Iowa State and Nebraska games, was second with 24 points.

Sauer, Nebraska, 18; Cronkite, Kansas State, 15, and Masterson, Nebraska, 14, were the other backfield leather lugging aces.

### Versatile Athlete.

Masterson, one of the most versatile of the high scorers, scored a touchdown against Iowa State, kicked two field goals from placement during the season, and added a pair of markers via the try for point route.

The longest scoring run of the season was George Stuber's 95-yard return of a kickoff in the Kansas State game. The two longest runs from actual scrimmage were scored by Brown, Nebraska, against Kansas State and by Auker, Kansas State, against Iowa. Both touchdown sprints were good for an even 80 yards.

George Sauer, Nebraska backfield star, enjoyed a big day against Oklahoma, scoring on a 47-yard run from scrimmage and intercepting a pass for a 70-yard touchdown gallop. The next best effort turned in on a pass interception was Ernie Massad's 56-yard run against Iowa State.

Nebraska fell victim to the longest scoring pass of the season, a fine flip from Hayes to Stuber for a 61-yard gain in the Missouri game. Bowen's toss to Grefe for 56 yards in the Oklahoma game and Sharfrot's heave to Wells for 44 yards in the Kansas State battle were two big reasons why George Veenker's Iowa State enjoyed their most successful grid season in history.

While Masterson was the only athlete to kick more than one field goal in conference play, Guy Warren, Oklahoma captain, booted the longest goal, a 43-yard kick in the Kansas game. Cronkite scored a 38-yard kick from placement against Nebraska for the lone Kaggie score.

The following tables summarize

## the individual scoring for the Big Six season:

### LONG RUNS—SCRIMMAGE.

Player	School	Against	Yds.
Brown	Nebraska	Ia. State	80
Auker	Kan. State	Ia. State	80
Erick	Ia. State	Missouri	54
Sauer	Nebraska	Oklahoma	54
Dunlop	Oklahoma	Kansas	47

### LONG RUNS—KICKOFF.

Player	School	Against	Yds.
Stuber	Missouri	Kan. State	95

### LONG RUNS—INTERCEPTED PASS.

Player	School	Against	Yds.

Grege	Ia. State	0	2	12

# OTOPALIK EDITS ONLY WRESTLING SCORE IN PRINT

AMES, Ia.—A scorebook for wrestling, edited by Hugo Otopalik, wrestling coach at Iowa State college, just off the press, has the distinction of being the only publication of its kind on the "market." Copies of his "Record and Scorebook for Wrestling" went on sale this week.

Contained in Otopalik's book are blank forms for scoring dual meets and tournaments, spaces for records of individual performances, advice on home management of meets, names of present national collegiate and A. A. U. champions, 1928 Olympic winners, and salient features of high school, collegiate, A. A. U. and Olympic rules.

This is the second publication edited by the Cyclone coach. His "Modern Wrestling for the High School and College," the only book dealing strictly with college and prep school wrestling, has been on sale for a year.
