

Nebraska Upsets Kansas State In Basketball Court Battle 32 - 26

BLACKMEN BREAK HOME COURT JINX

'Mut' Davison and Sophomore Quartet Too Fast For K-Aggies; Second Conference Win; 27 Fouls Called in Rough Fracas.

HUSKERS LEAD BY 15 TO 9 COUNT AT HALFTIME

Scarlet and Cream Cagers Play a Stalling Game in Closing Minutes of Tilt; Lunney, Graham and Boswell High Scorers.

By OLIVER DeWOLF.

Nebraska's home floor basketball jinx is history! Coach Charley Black's fighting team of Cornhuskers outplayed and outfought a long, lanky team of Kansas Staters to win a 32 to 26 decision Saturday evening in the university coliseum. A successful five minute stalling game capped by a last minute basket by "Mut" Davison, put the game on ice for Nebraska. The Huskers led at the half 15-9. The game started rough and ended rougher. A crowd of approximately 2,000 witnessed the game.

Kansas Scores First.
Kansas State drew first blood when Graham counted on Mason's foul for 2 points. Davison broke the ice for Nebraska with a gift toss. Stradski, Kansas State center, found the hoop for two points. Stradski fouled Mason who made the free shot good. Henrion found the basket for two points to tie up the score. Graham fouled Mason, which resulted in a lead of 5 to 4 for the Blackmen. Stradski again found the hoop, but the score was again tied when Mason sank a foul toss. Graham broke the deadlock with a gift toss, but Boswell again put Nebraska in the lead with an under the basket shot. Breen found the hoop for two points to end the Kansas State scoring for the first stanza. Boswell again slipped under the hoop for a counter, followed by a pretty side court shot by Lunney. Brockway fouled Boswell, who added another point to Nebraska's total, and Lunney

was more than broken even on gift shots sinking six out of eleven. The Huskers had more trouble finding the hoop from the foul line, only tallying seven out of sixteen.

Fellers, Methodist forward was all over the floor and accounted for twenty-seven points, two more than the B's could muster collectively. Wesleyan's scoring combination, featuring Fellers and Trotti, clicked from the start, holding a 30 to 7 lead at half time. HUSKER MERMEN BEAT WASHBURN IN FIRST MATCH

Nebraska Swimming Team Victorious by Count Of 47 to 37.

AMATO AND MORNS STAR

Letterman Makes Score of Ten Points for High Place in Meet.

The Nebraska tankmen vanquished Washburn Saturday in the new Coliseum pool by a score of 47 to 37 in the first meet of the season for the Scarlet mermen. The team will next tackle the strong Iowa State aggregation at Ames, Monday.

Sammy Amato's work was the high spot of the afternoon. He led the Nebraska team with a total of ten points besides being a member of the winning 300 yard medley relay team. Morns was outstanding for Washburn, copying first in the 440 and 220 free style events. Sutherland, the only letterman competing with the exception of Amato, also turned in a good performance by winning the diving, placing second in the 220 free style, and being a member of the victorious 400 yard free style relay team.

Nebraska immediately jumped into the lead when it won the 400 yard relay by a wide margin. Washburn won the next two events to put itself in front by the score of 17 to 13. In the next race Amato and Masterson won first and second places respectively. In this race, the 50 yard free style, the best time of the contest was recorded, Amato covering the distance in 26.5 while the Big Six record is 26 flat.

Morns Wins Free Style.
In the 440 yard free style, Morns, Washburn star, turned in a victory over Easterday to tie the count at 24 all. From here on out it was all Nebraska, Amato and Whitworth taking first and second places in the 100 yard free style, while Sutherland and Minor won first and third in the diving event. Morns again came through in the 220 free style, but he was closely pressed by Sutherland of the Huskers.

The last event of the afternoon, the 300 yard medley relay, was the most hotly contested event of the meet. The result of the race was in doubt until Whitworth of Nebraska nosed out Edmonston by a matter of inches.

Considering that it was the first meet of the season and that the Vogelermen were handicapped by illness, the Cornhuskers made a good showing.

"Snow madness" was the plea three Pasadena junior college students made as an excuse for their resistance of officers in a recent snowball riot. And they got away with it. Misdemeanor charges were dismissed when they explained they had never before seen snow and had been unable to resist the temptation.

FROM THE PRESS BOX

By JOE MILLER

KNOT HOLLERS came in for a bit of comment Friday on the part of the editor. He advocates applying the Knot Hole plan to basketball as well as football games, thereby giving the kids a break and providing for more spirit in our basketball games. According to John K. Selleck, the reason why this plan has not already been adopted is due to the fact that the Lincoln city schools frown upon any attempt to take the boys and girls away from their homes at night. Otherwise, the scheme would have been in use long ago.

JERRY LEE has definitely decided to remain in school and do his stuff as a member of Coach Schulte's track team this spring. His announcement will enable Schulte and Husker cinder fans in general to breathe easier. It seemed for a while that the Bassett star would be missing from the ranks, but everything is on the up and up once more.

TED STOWELL, late of Northwestern university, will be one of the boys battling for a berth on the Cornhusker eleven next fall. Stowell, who lettered at guard for the Wildcats two years ago, has been attending Nebraska since the first semester. He expects to turn out for spring practice.

BILL FOLGER, Lincoln high grid captain in 1927, has been attending school since September. Folger, a guard, led the Red and Black during the season that Coach Browne's outfit took the measure of Waite high of Toledo, 8 to 3. Folger has since played football at Denver U and at Pittsburgh Teachers college under Blue Howell.

THREE athletes who wore the Scarlet and Cream a few years ago were among the spectators watching the trackmen go through their paces Saturday afternoon at the stadium. Art Easter, Big Six 220-yard champion in 1927, was holding a watch as was Cliff Ashburn, former football and weight star. Ashburn is in school this semester. Avarad Mandary, now coaching at Friend, was back to say "Hello" to Schulte and incidentally give the once over to Dave Froelich and Bill Green, his stars last year at Friend high.
