

MEET ENTRANTS SET FOR TITLE SWIM SATURDAY

Four Conference Schools Intend to Compete in Coliseum Here.

MIZZOU UNREPRESENTED

Husker Tanksters Ready to Upset Champ Hopes of Iowa State.

Four schools have sent in entries for the Big Six swimming championships to be held at the coliseum Saturday, while a fifth, Kansas State, is expected to report Thursday. Missouri has notified the athletic department that it will not be represented at the meet.

Each school will be allowed to compete three men in each event. Contestants will be permitted to swim in three events including the relay. The scoring system to be used differs from that of dual competition, as five points will be awarded first place, three for second, two for third, and one for fourth. In the relay events, the places will count eight, six, four and two points, respectively.

Nebraska is counted on to push Iowa State for title honors, with Oklahoma figuring as the dark horse. Murray MacDonald, Sooner captain, is Oklahoma's greatest threat. He captured both the 50 and 100 yard free style events last year, setting a record in the century. His time was 1:00.5.

Dick Bell, varsity pole vaulter, dislocated a shoulder when his pole cracked on him Tuesday afternoon at the stadium. It was a nasty spill. Bell lighting directly on the shoulder. "Doc" McLean immediately put the shoulder back in place, but the injury will probably keep Dick from active workouts for a week.

Hugh Rhea has been bothered with a touch of sinus trouble the last few days. The shot putter expects to be in shape, however, by the end of the week.

Gail O'Brien and George Sauer go to Omaha today for that operation at Methodist hospital Friday. They will remain there a week, convalescing.

Glen Skewes, frosh pole vaulter, cleared the bar at 11 feet 7 inches Wednesday night in the tricolor meet. He has been working out only a short time. Skewes was a member of that vaunted Imperial high "Four Horsemen" which cut so many caps in high school football a year ago.

Rudolf Vogeler has been driving his swimmers all week in an effort to get them in top condition for the Big Six championships Saturday. Rudy is going after that title, no mistake about that! The boys have been working overtime, endeavoring to improve their form. Kenny Sutherland has been working out twice daily, and declares he feels he is diving better than he ever has before. The conference meet promises to be a great fight, with three teams having an excellent chance to cop the bunting. Four record holders are entered. "Nuf sed!"

Three freshmen football men are tossing the shot with a great deal of energy these days. Bill Green, Friend; Walter Plum, Imperial, and Neal Mehring, Grand Island, form a sweet looking weight trio. Then there is Jack Reifschneider, former Lincoln high shot putter. Reifschneider also doubles in the discus throw. His best mark in high school was 130 feet. Bill Dreir, Omaha, and Bill Green, have also been working with the discus.

ARRANGE FINAL PLANS FOR BLUEJAY SERIES

Nebraska Plays Creighton At Omaha Friday; Here Monday, March 7.

Definite announcement was made Wednesday that Nebraska will play Creighton in Omaha Friday and in a second tilt at the coliseum, Monday, March 7. Net receipts from the series will be given to the state drought relief fund.

Herb Gish conferred with A. A. Schabinger, Creighton athletic director at Omaha Tuesday, at which time final plans were worked out. The junior chamber of commerce in both cities will sponsor the games, and will have entire charge of arrangements.

The Omaha tilt Friday night will start at 8:30 at the Creighton gym. Admission price has been set at a flat rate of \$1.50.

W. H. Browne, a member of the Lincoln junior chamber committee, said Wednesday that local arrangements had not been completed as yet. The game here will begin at 8 o'clock.

Math Teacher Has Two Treatises Published

Appearing in the Acta Mathematica and Tohoku Mathematical Journal are three articles by Professor M. A. Basoco of the mathematics department. They are "On Appel's Decomposition of a Doubly Periodic Function of the Third Kind," "Note on Certain Theta Constants," and "On the Fourier Series Expansions of Certain Jacobian Elliptic Functions."

YOU COLLEGE BOYS ARE EXPENSIVE LUXURIES!

OFTEN a serious strain on the parental pocket-book—not only while college is in session but during the summer. Here's an idea. It's literally true this year that you can live in Europe for less than you can at home. Plenty of pensions or snug little inns in fascinating spots in Europe will put you up with three meals a day for \$40 or \$50 a month. With the present rate of exchange, your American dollar does wonders. Why not spend the summer or part of it abroad and actually spend less than if you were at home? An excellent opportunity to brush up on your French—or your English history, or what not.

Getting over and back is not hard. Just about \$200 in Tourist Class via White Star and Red Star Lines—on some of the world's finest ships. We'll guarantee you a jolly time. Seems to us that the summer in Europe might be the means of a pleasant reduction of the family budget and a glorious time for you in the bargain.

If you agree—why not try the family out on it. If you want more information, write us for our Tourist Booklet—or see any authorized travel agent.

DEBATERS ARGUE AT HASTINGS ON TUESDAY EVENING

Debating on the subject, "Government Control of Industry," Woodrow Magee and L. Byron Cherry represented Nebraska Tuesday evening at Hastings college. Nebraska took the stand for a more definite government control without ownership or transfer of initiative from private hands to any other agency.

The debate was held at the invitation of Hastings, who substituted it for one of the regular debates held each year with some foreign college.

No decision was reached, the audience being allowed to take part in the discussion for a half hour.

REVIEW SHOWS GREAT MARK FOR K.U. COACH

Kansas Sport Survey Shows Brilliant Record for Dr. 'Phog' Allen.

LAWRENCE, Kas.—Ten championships in fifteen years of coaching, and an all time record of conference and non-conference games totaling 215 victories and 71 defeats is the record made by Dr. F. C. Allen with University of Kansas basketball teams.

Dr. Allen, a letterman in basketball at K. U., first coached basketball at Kansas in the seasons of 1908 and 1909, his team winning the Missouri Valley conference title both years. He then left his alma mater, but returned in the fall of 1919 as director of athletics and head coach of basketball, which positions he now holds.

Starting with a tied championship with Missouri in 1922, Dr. Allen's Kansas teams won the Missouri Valley conference title six consecutive years.

In 1931, the third season of the newly formed Big Six conference, Dr. Allen's Jayhawkers came back to championship form, winning the title with seven victories and three defeats. This season, in a driving finish after early losses, the Jayhawkers again took the Big Six title with seven games won and three lost.

Here is Dr. Allen's all-time record with University of Kansas basketball teams, including conference and non-conference games:
Year W L
1908-18 6 6—Champions Missouri Valley conference.
1909-25 2 2—Champions M. V. C.
1921-21 1 1—Tied.
1922-24 2 2—Tied champions M. V. C.
1925-27 1 1—Championed in 16 conference games, champion.
1928-30 3 3—Champions M. V. C.
1931-31 1 1—Champions M. V. C.
1932-32 2 2—Champions M. V. C.
1929-30 3 3—Big Six conference champs.
1932-32 5 5—Big Six conference champs.
Total 215 71
All-time percentage, .751

While coaching elsewhere than at K. U., Dr. Allen was coach of all sports at Central Missouri State Teachers college at Warrensburg, Mo., where in seven years his teams won seven basketball championships, four football titles and three baseball titles.

In 1908 Dr. Allen coached both Kansas and the Haskell Indians in basketball and his Indian team made a 5,000 mile tour on which in playing 24 games in 15 playing days the Braves won 19 games and lost 5.

The first game was won by the Hobby club with a score of 15 to 11. Kappa Phi took the next with a score of 15 to 12. The pivot game was captured by Kappa Phi with a score of 15 to 9.

Tuesday afternoon the Delta Gamma's and the Phi Mu's met to battle for a place in the final contest. Phi Mu took the first game with a score of 15 to 11. The second game, however, went to the Delta Gamma's with a lead of 6 points, defeating the Phi Mu's 15 to 9. The last game was a fast struggle, both sides resorting to long punts and close-to-the-net scrimmages. Phi Mu was victorious with a score of 15 to 13.

With the completion of Nebraska Ball, another intramural sport will take the limelight. Basketball practice will start March 5.
