

SALE OF TICKETS FOR NET EXHIBIT OF TILDEN GOOD

Identification Cards Mean 25 Cent Reduction to Nebraska Students.

BIG BILL PLAYS GERMAN

Nusslein Holder European Pro. Title; Prospects For Hard Match.

Ticket sale for "Big Bill" Tilden's second tennis exhibition at the coliseum Thursday evening is progressing rapidly.

Admission prices have been set at 75 cents, \$1.00 and \$1.50, with a 25 cent reduction to students holding identification cards.

Card Three Matches.

The former Davis cup star is billed to play Hans Nusslein, European pro champion, while Albert Burke, famous Irish professional star, will go up against Roman Najuch, veteran German net player.

Tilden and his troupe furnished exciting entertainment in their initial visit to Lincoln last spring, and athletic officials hope to match the 2,500 crowd that witnessed the matches at that time.

Hans Nusslein, Tilden's opponent in the singles, won his European pro title last summer at Berlin, defeating Najuch, his former teacher in a terrific five set match.

Tilden declares Nusslein, who is only 22 years old, is a better player than Ellsworth Vines, twenty-year-old American amateur champion.

Nusslein's chief strokes are a forehand drive which is every bit as hard as Tilden's and his backhand placements. He is said to be a dangerous man at the net.

Has Strong Backhand. Albert Burke, Irish pro champion, uses the Continental grip for his ground strokes.

PICK THREE JAYHAWKS ON ALL BIG SIX TEAM

Kansas City Star Favors Lawrence School for Fifth Time.

LAWRENCE, Kas.—The selection of three University of Kansas basketball players on the Kansas City Star all-Big Six selection this year marks the fifth year since 1922 that three Jayhawkers have been placed on the first all-team.

It was in 1922 that the Kansas team under Dr. F. C. Allen began its long string of championships and since then twenty-three Kansas basketball men have been placed on the first all-team selected by the Kansas City Star.

In only 1928 and 1929 did Kansas fail to land a first team birth. The Kansas men on the first all-team in 1922 and since are: 1922—George Rody, forward, captain; Paul Endacott, guard.

1923—John Wolf, center; Paul Endacott, guard; Charles Black, guard.

1924—Tus Ackerman, center; Charles Black, guard; Bob Mosby, guard.

1925—Tus Ackerman, forward; Al Peterson, forward; Verne Wilkin, guard.

1926—Gail Gordon, guard; Al Peterson, center; Wilfred Belgard, guard.

1927—Al Peterson, center; Zeke Burton, guard.

1930—Tom Bishop, forward; Forrest Cox, guard.

1931—Tom Bishop, forward; Forrest Cox, guard.

1932—Ted O'Leary, forward; Lee Page, guard; Bill Johnson, center.

Through the years of star players, Al Peterson was the only player to make the first all-team for three years.

Prof. Schramm Says That Fraternities Have Had No 'Hell Week'

"It's very fine that all fraternities have kept faith this year," stated E. F. Schramm, advisor of the interfraternity council, Tuesday, in speaking of "hell week" activities on the University of Nebraska campus.

The rule passed to abolish "hell week" was passed three years ago this spring, and has proved successful in curbing fraternity activities of this nature.

The next big thing on the College of Agriculture campus will be the big dairy judging contest held sometime in April. The dairy club is sponsoring the event.

Coach Charley Black can thank the Agricultural college for producing some basketball players this season. Although the B teams failed to win the majority of their games the farm boys were always the stars.

TWENTY-FOUR OUT FOR BASEBALL AT KANSAS Coach Allen Urges Squad To Try Hard for Big Six Title.

LAWRENCE, Kas.—Twenty-four men turned out for the first meeting of the Kansas baseball squad Monday night presided over by Dr. F. C. Allen, who will act as coach for the team, being assisted by a player captain to be selected from letter men of the squad on the basis of team spirit and leadership among the players.

Of these twenty-four, eight were pitchers and catchers, eight infield prospects and eight showed their preference for outfield positions. The point was stressed that while Kansas does not have the best material in Big Six circles for the coming season, if the team hustles and fights they have more than an outside chance of winning the baseball title.

Also the team will be operated on a smaller allowance than last year, Dr. Allen explained that a complete schedule is being planned. As soon as the team is in condition, exhibition games will be played with the Haskell Indians. Two games are scheduled with Oklahoma, to be played in Norman and two with Iowa State to be played at Lawrence. Kansas will engage Missouri and the Kansas Aggies in four contests each. Nebraska will not have a baseball team this season.

The only letter men back are: George Ross, Gerald Cooley, Lawrence, and Arlyn Kraemer, Marysville, pitchers; Carmie Smith, of Arma, catcher; and George Hulteen, Lawrence, outfielder.

A Yale university student is among the peace delegates at the present Geneva conference. He gave the body his views on American college students' attitude toward world peace.

Bill Tilden when he was in Lincoln last April for his first exhibition, praised the university coliseum as the "finest indoor court on which I have played."

The great amount of space at the ends and sides of the coliseum court appealed to the former Davis cup star. His visit to Nebraska inspired a barnstorming tour of colleges, which took him all over the country.

Dr. Forrest "Phog" Allen of Kansas university finds that he is up against a tough problem, when Tilden & Co. play at Lawrence March 11. The Jayhawk arena affords only a few feet on the sides and ends, and "Phog" can't do much about remedying it.

You may be sure of getting your money's worth at the Tilden exhibition Thursday evening. "Big Bill" is a colorful showman, as well as a great tennis player. Big time tennis stars, like all champions, do their stuff with seemingly little effort. But how they cover ground!

Steve Hokus has been working out at the stadium this week, although he does not intend to compete in track this spring. Steve is a versatile athlete as he puts the shot, throws the discus, and hurls the javelin, in addition to his football and basketball activities.

Coach Schulte had it figured that Hokus would have been good for ten points in the Big Six outdoor meet last spring, and that would have won the championship for Nebraska.

Schulte has Carroll Eisenhart, Culbertson, working on the high hurdles this week. The lanky high jumper has an ideal build for the barrier event.

SQUASH TOURNAMENT PROGRESSES RAPIDLY

Tourney Has Attracted More Interest Than Any Other Competition.

The all-university squash tennis tournament, with an unusually large field of entrants, has progressed rapidly to the third round under the supervision of Rudy Vogelger, intramural athletics director.

The entry list of sixty-two participants indicates that this sport has drawn more interest than any other all-university competition. Squash tennis differs from handball only in that rackets are used.

As in tennis or golf competition, the most experienced players are seeded in different brackets to prevent their meeting in the first rounds. The seeded racket wielders in this tournament are Joe Miller, Al Gardner, Howard Miller, Bill Stiverson, Harold Sherman, Jim Shafer, Wilbur Haegen and Dick Elliott.

Nearly all of the initial round matches have been played and three of the second round winners have been decided. W. Thompson, defeated Hackman, and one of the favorites, Harold Sherman, won over Thayer, while Jim Shafer was upset by Ed Bloom. Third round matches are to be played Friday and Saturday of this week.

First round winners who must play off their matches today or tomorrow are: Joe Miller, P. Hove, P. McGoogan, L. Martin, C. L. Brown, R. Harrison, V. Pedon, C. Reedy, D. Baker, Bill Stiverson, R. Powell, Yrbrichson, W. Haegen, Short, Ore, Christensen, Haster, Sturdevant, H. Gray, R. Elliott.

Iowa State Mermen Named After Big Six Meet

Remember, American dollars are bigger and fatter in Europe this year than they have been in years. And living costs abroad are almost incredibly low—\$40 or \$50 a month will put you up at a snug little inn or pension, with food and lodging!

And Europe offers such a corking opportunity for you to polish up your "modern languages" or your European history—or what have you.

It doesn't cost much to get to Europe and back—about \$200 for the round trip in Tourist Class on such famous liners as Majestic, world's largest ship; the beautiful, new, twin, motor vessels, Georgian and Britannic, the great Belgenland and Lapland and the two Tourist liners de luxe, Pennland and Westerland, on which Tourist is the highest class carried.

Like the idea? Might it not be a means of saving the extra on the pocket book? Write us for our Tourist booklet—or see any authorized steamship agent.
