Campus Deserted as Students Leave And Start Their Trek for Home Town

Nebraskans Plan Varied Entertainment and Invite Their Friends to Their Homes for Stay During Spring Vacation Breathing Spell.

Friday marks the exodus of many students for their homes, or if these are too distant, the homes of friends. Nebraska, Iowa and Kansas are the states which will claim the greatest number of vacationists.

Vacations plans of the members of Delta Delta Delta are varied. Jean Edwards is going to St. Joseph, Mo. to visit relatives.

Dorothy Palmer and Margaret Nelson are going to spend their vacation at the home of Julia Ann Curtiss in Hubbell, Denver, Colo.

Most of the members of Sigma Nu fraternity will take advantage of the few days of spring vacation to return to their homes.

To attend a luncheon in Hastings which will be given by the alumnae of Kappa Alpha Theta Monday, several active members of the sorority plan to motor down.

Many members of Delta Gamma will go to Omaha Tuesday to attend a bridge party which Dorothy Ramsey will give.

Ted Masters, Tau Kappa Epsilon, will go to his home at Stratton, returning Wednesday to Hastings where he will play in the Kosmet Klub orchestra.

Bridge Benefit By Delta Gamma. A benefit bridge tea will be given Friday at the Delta Gamma house by the Mothers club.

CYCLONES SHORT OF VETERAN MATERIAL

Only Seven Regulars of Team That Took Second in 1931 Return.

AMES, Ia.—With but seven regulars returning from the team which placed second in the Big Six conference last year, George Venker, Cyclone football coach, is faced with the task of building another winning team largely from freshmen and other inexperienced gridlers.

Of those seven veterans, three—Dick Greife of Des Moines, Ed A. Ahroth of Ankeny and Ivan Impson of Glidden—will form the nucleus of a backfield which will be supplemented by a bevy of heavy, fast freshman backs from what many fans termed the best Cyclone prep team in history.

In the line, veterans are Harold Templeton, Okeyedean, end; William Dixon, of Colfax, tackle; Gerald Smith of Milwaukee, Wis. guard; Jack Beyer of Des Moines, center; and Hiram Roy of Ames, tackle. Of these five, only Templeton, given honorable mention by the United Press on its All-American team, played regularly last fall, altho Smith and Dixon both received major letters.

Kenneth Albee of Muscatine, an outstanding high school trackman and football player, who won his letter two years ago, but was ineligible last season, is trying out at the end post. Other outstanding candidates for line positions are Andrew Farrell, of Omaha; Charles Hughes of Logan, squad members last season who tasted varsity competition in some of the games; Magnus Lichter of Algona, freshman numeral winner in 1929; Bob Hess of Cresco, Iowa State's national champion 174-pound wrestler; and Glen Liston of Tama, also was a member of Notre Dame's freshman team in 1930. BRIGHT OUTLOOK FOR K. U. BASEBALL TEAM

Predict Good Nine Despite Loss of Heavy Hitters From '31 Club.

LAWRENCE, Kas.—After getting off to a delayed start due to adverse weather conditions, the Kansas baseball squad is taking definite shape and promises to present a powerful aggregation in this year's Big Six race.

The Kansas team faces an unusual predicament in that the pitching and catching staff include some of the best hitters of the squad. Ross, Cooley, Brazil and O'Neil, all strong hitters, will not see service in the games when they are not filling their capacities in the battery. Cooley and O'Neil will double in the outfield position; Brazil and O'Neil will find duty at first base, while Ross may be called to hold down the hot corner at third base.

Carnie Smith Back. Carnie Smith, outfielder, is showing up as a strong batter, and will add power to the Kansas lineup.

Dr. F. C. Allen, coach of the baseball men, stated today that he was well pleased with the showing made thus far in practice. An excellent attitude is shown by the men, he said, and they show evidences of strict training, both on the field and off.

Yesterday's practice consisted of general hitting and fielding practice. The workout for today was to include a scrimmage between a possible first and second team.

A total of eighteen games, four with the Haskell Indians, and 14 conference contests, give Kansas the heaviest schedule of any Big Six school, despite the necessity for working under a curtailed budget.

The first game of the season will be played Saturday afternoon against the Haskell Indians on the Haskell diamond. The first conference game for Kansas will be with Kansas State to be played at Manhattan April 15.

HI-Y PAID VISIT BY COMMITTEE OF UNIVERSITY MEN

The deputation committee of the University Y. M. C. A. visited the Hi-Y of Lincoln high school at a supper meeting this week. Harold Soderland, chairman of the deputation committee, was in charge.
