

# VARSITY RUN UP A 45 TO 0 SCORE AGAINST NUBBINS

### Reserve Squad Armed With Ames Plays Fail to Make Headway.

## MATHIS PRESSES STAAB

### Diminutive Halfbacks Are Fighting It Out for Starting Post.

Two Nubbins teams demonstrating Iowa State plays received harsh treatment from the varsity first and second strings Wednesday afternoon, when the latter proceeded to administer a 45 to 0 drubbing in four ten minute quarters.

Constant emphasis on speed seems to have brought results, if yesterday's workout was a true indication. The backs were running hard all the way, not stopping until they were down, while the linemen got down the field on kickoffs and punts more quickly.

With Chris Mathis occupying Staab's halfback position as the varsity first string counted three touchdowns in the first seven minutes of play. Sauer scampered over after a Nubbins fumble had given the Scarlet possession of the ball on the 20-yard line. Shortly afterward, Boswell scored on an off tackle reverse. Masterson's thirty-five yard pass to Hoku featuring the goalward advance. Bernie's try for point was good.

### Mathis Goes Over.

Mathis scintillated in marking up the third counter, his brilliant off tackle dashes carrying the leather to the 5-yard line, from where he smashed across for the score.

Although the second varsity did not tally when sent in at the beginning of the second quarter, they outplayed the Nubbins by a handsome margin. Jack Miller led the attack, the Omaha ball lugger ripping off repeated gains of from five to fifteen yards. He climaxed his work with a beautiful twenty yard outback for a touchdown, but the play was called back for a varsity offense. Bruce Kilbourne juggled Fahrbruch's long pass on the goal line a few minutes later, but failed to hold it.

### Staab In Great Run.

A sixty yard off tackle run by Carlisle Staab ended the point making in the final quarter. It was a great run, the Ansley half doing a nice job of twisting and pivoting to elude the Nubbin tacklers.

Staab and Mathis are giving each other a tight battle for the starting post at left halfback Saturday against the Cyclones, with Mathis seemingly having an edge. Elmer Hubka, husky guard, was not in suit Wednesday and it is unlikely that he will be in shape to get into the Ames game Saturday. He suffered a knee injury in the freshman game, which is proving more serious than was at first believed.

Bailor, playing quarter for the Nubbins, and Mead at one of the halfback positions stood out for the B team.

## KIRSCH TO SHOW PHOTOS

### Will Exhibit Indian Art at Temple Theater at Three Friday.

Dwight Kirsch invites students and faculty members who are interested in color photography to attend a preview of a new series of color photographs which he will show at the Temple theater at 3 o'clock Friday afternoon.

The photographs, taken in New Mexico last summer by Mr. Kirsch, come under the heading of Indian arts and crafts of the southwest. The Art club will serve tea after the showing.

## ENGINEERS ATTEND MEET.

Several members of the college of engineering faculty including Dean Ferguson and Professors Hollister, Edison, Bingham and Brackett attended a meeting of the Nebraska section of the American Institute of Electrical Engineers in Omaha Friday evening.

## EXTRA-CURRICULAR ACTIVITIES AT THE UNIVERSITY OF NEBRASKA

Published through the co-operation of the Innocents society in the interests of students, new and old, who are not fully acquainted with activities, their organization, purposes and benefits, as they operate at the University of Nebraska, with the hope that a greater number will avail themselves of the opportunities offered, thereby putting into the whole activities organization a revitalized interest among the entire student body.

### Religious Organizations.

While the university cannot exercise any official supervision over the religious life and education of the students, there are among the student activities many voluntary religious organizations and many sponsored by national religious interests and the churches of Lincoln.

The Council of Religious Welfare, organized at the instigation of Chancellor Burnett shortly after his installation into office, is composed of 17 seven faculty members appointed by the chancellor; 2 the university pastors, secretaries of the University Y. M. C. A. and Y. W. C. A., and one representative from each of the other organized religious groups. Committees are appointed to study and report upon various problems relating to the students. The council then makes recommendations for action to other campus groups. An important function is bringing prominent religious workers and speakers to the university.

University pastors, whose work is solely among the students in supplying that religious element otherwise left out of their lives with the breaking of home ties and whose services are offered freely as counsellors in matters touching the religious life and vocational interests of the students, are maintained by several of the larger churches. The churches of the city, without exception, extend the privilege of worship and work to the students and faculty and many provide special classes and clubs for university students.

The University Y. M. C. A. and Y. W. C. A., both on the city and agricultural campuses, provide students with an opportunity for expressing their religious interests in voluntary ways. Both direct their energies especially to making the freshmen at home in his new surroundings. The Y. M. C. A. maintains headquarters with a reading and lounging room in the Temple. Y. W. C. A. offices are in Ellen Smith hall. Student officers of both are elected annually and specialized staff direct extensive activities of both in an efficient manner.

Vesper services are held each Tuesday in Ellen Smith hall where religious problems are discussed and devotional services held. Music is provided by the Vesper choir of forty women selected at the beginning of each year on the basis of tryouts. The choir also entertains at various functions of the University Y. W. C. A. and on such occasions as the annual early morning prayer services, the Easter and Christmas services, installation of the University Y. W. C. A. cabinet, the university day of prayer and the May morning breakfast.

Kappa Beta is an organization of girls affiliated with the Christian church, established at Nebraska in 1926. Social and religious activities throughout the year are directed at maintaining friendly relations among girls in the student body who are members of the Christian church.

Kappa Phi is a Methodist girls club of about one hundred members, meeting twice a month for religious discussions. Its aim is to form a closer relationship of Methodist women students, to make the work among Methodist women more effective and to provide religious training and a wholesome social life for all college women. An orchestra of members of the group provides music for teas, parties and dinner meetings.

Methodist Student Council, with members chosen from the Epworth Leagues in each college, coordinates the work of student groups in the nine Methodist churches of Lincoln. An active program of luncheons, lectures, discussion meetings, deputations team work and dinners is carried on.

Newman club is an organization for Catholic students. A social and religious program provides group contacts and friendship among Catholic students in the University.

Phi Tau Theta is composed of men of Methodist preference. The purpose of the organization is to create more spiritual fellowship among Methodist men, to develop leaders in the church and to promote the study of the Bible. Programs and discussion meetings are held regularly.

Sigma Eta Chi is a national women's organization to promote religious education and loyalty among Congregational women students. Membership is based on completion of a course in Congregational history and Christian principles and scholastic eligibility.

Wesley Foundation is an organized effort of the Methodist Episcopal church to promote a vital religious life among its members in the student body and faculty. The Methodist Student Council, Kappa Phi, Phi Tau, Theta and Wesley Players come within its organization.

Wesley Players is a Methodist student organization devoted to the production of religious drama at the university and over the state of Nebraska. Several productions of some outstanding work are staged this year.

Debate is organized on an intercollegiate competition scale with frequent meetings throughout the year with teams from other schools. Radio debates last year added an additional interest to this activity. Teams are selected and coached by Dr. H. A. White, member of the English department faculty.

Delta Sigma Rho, national forensic honorary, promotes the interest of debate as an activity on the Nebraska campus. Election to membership in the organization is based ability in debate as shown in intercollegiate competition. Intramural debate with teams from the fraternities of the cam-

pus competing in an elimination tournament was added to the intramural program after a demand by those interested was taken up by the Daily Nebraskan last spring. The first tournament proved one of the most popular phases of the intramural program and was well supported, about eighteen fraternities taking part.

The Long trophy is awarded each year to the winner of a debate tournament open only to freshmen. The purpose is to encourage debate as a freshman activity and to discover new talent for intercollegiate teams.

Kosmet Klub was founded at Nebraska in 1911 as an outgrowth of the junior class play that year. It is a co-opsitive body of fifteen members of the three upper classes which stages two original all-student productions annually.

Each fall a morning revue of skits and specialty numbers is presented on the day of some major home football game. A cup is awarded the fraternity and sorority presenting the best act. A spring musical comedy is produced each year shortly before or after spring vacation. This show regularly runs from three days to a week in Lincoln and is often taken on a road tour of the important towns of the state. The show is the original work of a student or faculty member for which the Klub offers a fifty dollar prize each year. Produced entirely by students with an all-male cast, including "pony chorus," the show is the most popular stage event of the campus year.

Officers of the Klub for this year are Elwood N. Thompson, Lincoln, president; William Devereaux, of Omaha, business manager.

The University Players was organized at Nebraska in 1915. Under the direction of Miss H. Alice Howell, head of the dramatics department, the Players annually present a series of about six high class dramas which run a week each in the Temple theater. The cast is regularly selected from the students and faculty of the university. One Shakespearean drama is produced each year, featuring some professional player in the lead role.

In addition, to the regular plays each year, the Players present several one act plays before civic organizations and sponsors the Children's Theater which gives special matinee productions for children on certain Saturdays throughout the year.

The Men's Glee Club was organized at Nebraska last year under the direction of Harold Hollingsworth, reviving an institution that had passed into disuse for several years. The club is composed of twenty-four members selected after tryouts. Concerts are given twice each month over radio station KPAB at Lincoln. The club appears in convocation at the Temple theater and entertains at various downtown Lincoln luncheon clubs.

A fine arts orchestra and fine arts concert band are maintained by the school of fine arts where music students may take part for regular university credit. These are directed by Carl Steckelberg and W. T. Quick, respectively. Selection is on the basis of ability as shown in tryouts.

The Choral Union, a chorus of student voices, each year gives several cantatas and oratorios. Important are the Messiah, sung on some night during the week immediately preceding Christmas vacation with guest soloists, and a spring program. Selection is based on tryouts.

### GRADUATE VISITS CAMPUS.

E. H. Colbert, former Nebraska student and graduate assistant in paleontology, is a recent campus visitor. Colbert is now associated with Dr. Henry Fairfield Osborne in the American Museum of Natural History. He has recently returned from an European research tour.

### DEAN SPEAKS AT KEARNEY.

Dr. F. E. Henzlik, dean of the teachers college, addressed members of the Kearney public schools faculty Friday afternoon on conventional subjects.

## OFFICIAL BULLETIN

The Daily Nebraskan maintains a daily column under this head containing all official notices of organization meetings or announcements of general interest to students. Anyone may have such notices inserted by calling the Daily Nebraskan office before 7 p. m. the day before the notice is to appear.

### German Class.

German Iac. Beginning German for graduate students desiring a reading knowledge for advanced degrees. It is contemplated that students completing the year will be able to pass the qualifying examination in German. Tuesdays and Thursdays beginning October 4, 7 to 8:30 p. m. S. S. 205. Fee, \$12.00; registration, \$1.00. Mr. Fuchs.

### Teachers College.

All Teachers college students will please read the important bulletin posted on the first floor of the Teachers College Building. STEPHEN COREY.

### Social Dancing Class.

The social dancing class for students will meet Friday evening from 7 to 8:30 at the Armyory. Identification cards must be presented.

### Swimming Permits.

Last year permits for free swimming hours will not be good this year, and new permits must be secured from Dr. Philbrick. Her office hours are from one to three daily.

### Economics Round Table.

The Economics round table will hold its first meeting of the year, Thursday, Oct. 6, in Social Sciences 101. Dean LeRossignol, head of the business administration college, will speak on a subject as yet

unannounced. The meeting will begin at 7:30 and all interested students having completed economic courses 11 and 12 are cordially invited to attend.

### Chemical Engineers.

The chemical engineers will hold a smoker Thursday evening, Oct. 6, at 7:30 at the Alpha Chi Sigma house. The program will consist of talks by Dean O. J. Ferguson and Col. C. J. Frankforter. There will be an election of officers. All freshmen are invited.

### Dramatic Club.

The Dramatic club will meet Thursday evening at 7:30 at the Temple theater. All members are requested to be present. A number of urgent business matters are to be taken care of. MARVIN SCHMID, President.

### R. O. T. C.

There will be a meeting of all R. O. T. C. field officers at 5 o'clock Friday in Col. W. H. Oury's office.

### Formal Opening.

Formal opening of the new women's residence building, Carrie Bell Raymond hall, will be held Friday evening instead of Saturday, as previously announced in the Daily Nebraskan. From 8 to 10 of that evening Chancellor and Mrs. E. A. Burnett will entertain members of the faculty and the university administration.

### Phi Chi Theta.

Members of Phi Chi Theta will meet Thursday night. At this time they will plan their activities for the coming year.

### College League.

The College League will meet

Thursday at four o'clock in Ellen Smith hall. All members are urged to be present to assist at the election of officers for this semester.

### Phi Upsilon Omicron.

Phi Upsilon Omicron will meet at 7 o'clock Thursday evening in Ag hall.

### Swimming Club.

Swimming club will meet Thursday at 4 o'clock. Everyone interested is invited to come.

### Ag Y. M. C. A.

A meeting for freshmen will be held by the Ag Y. M. C. A. Thursday evening at 7:15 in 303 Ag hall. A committee will be elected among the freshmen to plan their own program hitherto arranged by Paul Harvey, chairman of freshman work. Prof. C. E. Rosenquist will be the speaker and his subject will be "Budgeting Our Time."

### Sigma Eta Chi.

Sigma Eta Chi will hold a tea for all Congregational girls in Ellen Smith hall Friday from 4 to 6 p. m.

### Scabbard and Blade.

Scabbard and Blade will meet on Thursday, Oct. 6, at 5 p. m. at Nebraska hall.

### Baptist Students.

A stag party will be given at the Baptist Student house, 1440 Q street on Friday evening at 8 o'clock.

A girls' party will be held at the same place Saturday evening at 8 o'clock.

### Fireside Forum.

The Fireside Forum, a discussion group for upper classmen will meet in the Y room at the Temple Thursday evening at 7:30. The

discussion of Russia which started last week will be continued.

### Gamma Lambda.

Gamma Lambda, honorary band fraternity, will hold a dinner for members Thursday night at the Y. M. C. A. All band members are urged to be present by Jack Plamondon, captain.

## KENTUCKY TEACHERS GET BACK SALARIES

### State Attorney General Says Law Does Not Affect Them.

FRANKFORT, Ky. (CNS). Five of the state's leading educators this week were notified that they would receive several thousand dollars in back pay as the result of a ruling announced by Bailey P. Wootton, attorney general of Kentucky.

Wootton decided, in the absence of a court opinion to the contrary, that the five were not subject to statutes which prevent a "public officer" in Kentucky from receiving a salary of more than \$5,000 annually.

Those affected were President F. L. McVey, whose annual salary is \$9,999.96; Dean Thomas P. Cooper, College of Agriculture, \$7,200; Dean F. Paul Anderson, College of Engineering, \$5,798, and C. R. Melcher, dean of men, \$5,099, all of the University of Kentucky, and President H. T. Donovan of Eastern State Teachers college, whose exact salary was not given.

## FORDYCE ASSISTS IN MAKING RURAL EDUCATION TESTS

Dr. Charles Fordyce, chairman of the department of educational measurements and psychology, in one of his classes in measurements, will co-operate with County Superintendent J. J. Correll of Lancaster county in making the mental and educational tests for the country schools.

## Magee's

### THIS YEAR WATCH

Celebrating Thirty Years of Progress

## STYLES FOR

- The Freshman
- The Sophomore
- The Junior
- The Senior
- The Graduate Student

Above is shown just one of the many striking styles in which these fine fabrics are available. Polo type coats and long half belted models will appeal especially to students. For those who prefer tweeds and soft fleeces, a special group of these has been included by the manufacturer as an added attraction. Among them you will find just the coat you have in mind this fall . . . at a real saving.

## + HOCKANUM MILLS

Located in old New England, these famous mills reached a point of perfection a century ago that was equaled only by the Old World weavers. Constant improvement, consistent refining, has made their product the envy of the entire industry.

## HOCKANUM WORSTED BACK TOPCOATS

# \$16<sup>50</sup>

This super group of topcoats was purchased in New York before the increase in woolen prices by Mr. E. L. Smith personally. The famous Hockanum fabrics are so light in weight and yet so warm that many will wear them the year around. They are noted for their ability to shed a wetting. Their actual market value today is not a cent less than \$25 . . . a conservative statement.

## An Old Conservative Institution MARCHING FORWARD!
