KOSMET KLUB GETS STUART FOR REVUE

Committee Secures Downtown Theater To Present Thanksgiving Morning Show; Chosen to Accommodate Large Attendance.

EXTEND ENTRANCE DATE FOR SKITS.

Group Will Appoint Committees To Work on Program From Names of Applicants; Judging Set For November 1, 2, and 3.

Announcement of the engagement of the Stuart theater for the presentation of the Kosmet Klub Thanksgiving Morning Revue was made yesterday by Jack Thompson, president of the organization. The entire facilities of the theater will be used in the production of the show.

Negotiations were finally completed after several possible locations for the presentation of the show had been considered. The Stuart was decided upon because of its size, accommodating a comparatively large crowd, and because of its availability to all.

A large crowd is expected at the fall revue, and Kosmet Klub is desirous of admitting as many people as possible, members of the Klub indicated. An unusually talented and diversified program is planned for the show, and indications point to a capacity crowd.

The deadline for the entrance of applications for the Thanksgiving Morning Revue was extended until Friday, Oct. 21, at 5 o'clock. It was announced Tuesday by the Klub. Applications for workers or skits will be taken at the Klub offices, room 8, U hall, until that time.

The reason for the extension of the deadline, Thompson explained, was that although many applications had already been received, a more diversified program of entertainment was desired. Also many campus organizations had requested that more time be allowed for the entrance of skit applications.

"We now feel sure that with the facilities of the Stuart theater at our disposal we will be able to present to the students one of the finest Thanksgiving Morning Revues ever staged by Kosmet Klub," Thompson declared. "The number of skit applications and the interest in the work so far shown assure an enjoyable program."

Permanent committees for the production of the show will be announced some time in the near future, it was stated by members of the Klub yesterday. Committees will be appointed after the deadline on applications. The personnel will be chosen from those students applying for work.

The skits for the show will be selected by the judging committee of the Klub from those organizations applying. Judging will take place on the evenings of Nov. 1, 2 and 3, and announcements of their selection will be made as soon as possible after judging has been completed.

Applications so far indicate that (Continued on Page 2.)

GRAY LEADS TALK ON SOCIALIST PLATFORM

Commission Group Hears Discussion of Party Principles.

Tuesday afternoon Charles Gray spoke on the socialist party platform at a meeting of the Upper Class commission of Y. W. C. A. which was held in Ellen Smith hall.

The talk and open discussion were concerned principally to the questions of tariff, the eighteenth amendment, power and utilities as well as a generalized discussion of the economic depression.

Mr. Gray tried to erase the false conceptions of the general public as concerns socialism by explaining the ideals of the socialist party and contrasting the principles of socialism with communism, which are very commonly confused in the minds of many people. There were forty-five present and everyone had the opportunity to enter into the open discussion in which ideas and opinions were expressed.

CLUB TO RECEIVE BOOKS

International Relation Group To Obtain Publications From Carnegie Fund.

The International Relations club is expecting to receive within the next few days some books from the Carnegie Endowment Fund for International Peace. The club will also receive from the fund several copies of the Fortnightly Review of International Affairs published by the fund. Enough copies will be received to supply each member of the club with one.

GREEK PRESIDENTS.

All fraternity and sorority presidents are requested to phone or call at the Nebraska Alumni association office in the Temple building before 3 o'clock Friday afternoon, Oct. 21, listing their planned activities for an entertaining alumni homecoming weekend. This material will appear in the association's weekly football newspaper, the next issue to be the first of next week and distributed among Nebraska U. alumni.

OCTOBER AWGWAN HAS GOOD SALES MANAGER STATES

Addition of Several Block Sales Brings Total Circulation Up.

The October issue of the Awgwan, put on sale yesterday, enjoyed one of the best sales recorded for that publication within the last two or three years. The business manager of the magazine, Otto Kotovic, yesterday expressed his satisfaction with the result of the sales when he said that the Awgwan office was very much pleased.

The addition of several block sales to fraternities and sororities, he said, now brings the total number of subscribers to Nebraska's humor magazine up near the hopes of its management.

Magazines were placed on sale in booths in various places on the campus, and at some of the news stands in Lincoln. From most of the sales places good results had been reported yesterday afternoon.

APPLICANTS TRY FOR DEBATE TEAM PLACES

Give Preliminary Speeches On Public Utilities Question.

Twelve men have signified their intention to try out for the intercollegiate debate team and have been assigned sides for the try-out to be held Thursday evening, Oct. 20, at 7:30 in room 106 University Hall. Six men of the twelve have had previous intercollegiate debate experience.

The twelve men who have received their assignments are: Harold W. Wynkoop, Norman A. Malcolm, Milo Price, Earl C. Fishbaugh, Leonard Dull, Vincent Broady and John Wilson, on the affirmative side; and Lloyd Pospishil, Elmer A. Anderson, Howard Holtzendorf, Donald Shirley, L. Cherry and E. G. Asmus on the negative.

Fishbaugh, Delta Theta Pi, has had more experience than any of those trying out with two years of intercollegiate competition behind him. Pospishil, Shirley, Wynkoop and Holtzendorf have each had one year of previous participation in varsity forensics. Malcolm was a member of the intramural debate championship team of last year from the Delta Sigma Lambda house. Cherry, before his year's work on the university debate team, had a year of work on the debate team of Peru State college.

In the try out each man will have eight minutes for one speech, including both constructive and rebuttal speeches, except the first affirmative, who will have one speech of five minutes and a rebuttal of four minutes.

The formal statement of the question is: "Resolved, that the federal government should enact legislation to provide for federal regulation of electric power utilities in the United States."

A tentative route for debate trips is being mapped out. It is planned to send an affirmative team against the University of Iowa and to any other opponents they may secure speaking dates with. A negative team will be sent to Kansas and Arkansas to meet the University of Kansas, Kansas Aggies, the University of Arkansas and any other teams they might be able to encounter. Bernard Plak, a junior in the law college with one year's intercollegiate debate experience has submitted his name as an entry in the tryouts for the varsity debate squad.

Pilling Sets Corn Cob Meeting for Thursday

Corn Cobs will meet in Social Science auditorium at 5 o'clock Thursday afternoon, according to an announcement from Robert Pilling, president, late Wednesday night.

FORUM GROUP TO PASS TO STUDENT COUNCIL'S HANDS

Committee in Charge Made Up of Y.W., Y.M., A.W.S. Representatives.

TO WIDEN GROUP APPEAL

Thompson and W. E. Lantz Approve of Discussion Club on Campus.

The Student Council at its meeting Wednesday adopted a proposal submitted by Meredith Nelson, representing the university Y. M. C. A. and Y. W. C. A. to undertake the sponsorship of a program for all university student forum discussions with prominent speakers as leaders.

The plan as passed by the council provides for the election of one member of the Student Council to serve with a representative of the A. W. S. board, as well as a representative each from the student Y. M. and Y. W., this group to elect a fifth member as it sees fit. The council member will be chosen at the next meeting of the council in two weeks. This commission will be under direct supervision of the Student Council and will arrange and supervise the forum program.

The proposal was made as a result of a feeling by the two Christian association groups that the World Forum, formerly sponsored by these two organizations did not have a wide enough appeal to the student body, and that appeal could be enlarged by giving the sponsorship of the meetings to the council, inasmuch as the council is the student representative body.

A group of campus organization leaders discussed the proposal at a meeting sponsored by the Y. M. C. A. last week and agreed that the former World Forum should be continued as an all student enterprise. Both Dean T. J. Thompson, and W. E. Lantz, Student Council adviser expressed the opinion that such a medium for student discussion as well as the opportunity to hear able speakers should be retained on the campus, and that the Student Council was the proper organ for the sponsorship of such a program.

CHECK ELIGIBILITY FOR FARMERS FAIR QUEEN CANDIDATES

Election Open from Date of Filing Until Night of October 28.

Eligible candidates for Queen of the Farmers' Formal will be selected within a few days from the list of senior girls in the Agricultural college who have been nominated by male students holding tickets to the affair.

Election of the co-ed to be honored will begin immediately with the posting of the candidates' names and will continue until 9:30 Friday evening, Oct. 28, the date set for the party. Votes may be cast in the ballot boxes which are to be placed in convenient spots on the Ag campus or at the door of the party hall on the night of the event.

Names of candidates must be filed before Saturday noon of the week preceding the formal. In order for a girl to be eligible for election she must be a senior in Agriculture college, must have been registered in the college for at least two semesters prior to election and must have maintained scholastic average of 80 percent or above aside from being eligible according to regular university rules.

Eligibility of the candidates will be checked by a committee composed of two members of the Ag Club, one member of the Home Economics club and a faculty member. This committee will also count the ballots and instruct the presenting committees.

SIGMA DELTA CHI TO HOLD DINNER MEETING FRIDAY

Sigma Delta Chi, professional journalism fraternity, will have its first dinner meeting of the year Friday evening at 6:15 at the Lambda Chi Alpha house, 1519 U Street.

Tentative plans for attending a representative to district convention at Iowa and numerous details of organization and general business will be discussed. Prof. Gayle C. Walker, chapter adviser, will be present.

Carrie Belle Raymond Hall Has All Charms of Home on Larger, Grander Scale, According to Girl Residents

"When I first came to Carrie Belle Raymond hall and saw how very large it was, and realized that seventy-five girls were going to live here, I was afraid it would be like a hotel, just a place to eat and sleep. It has turned out to be something quite different, however. It is more like a home."

So said a resident of Raymond hall as she escorted the reporter down the steps to the reception room recently equipped by the W. A. A. It is here that many of the girls gather after dinner for a social hour before quiet hours begin. Some dance to the music of the radio which has been installed, others play ping pong, checkers or bridge.

Competition is keen in these games, and tournament teams are being formed. The first organized social event at Raymond hall was the formal reception held last Sunday. Friday evening the girls will entertain at an hour dance, the first of several which may be given. Later it is planned to hold several large parties.

The dinner hour itself is a social hour at Raymond hall for the girls are seated in groups of eight, with an upper and a lower classman acting as hostesses at each table. Placed at the same table every evening, the girls form acquaintanceships in this way. Guests are invited to dinner Wednesday nights. Often on coming from the dining hall, the girls stop in the knotty pine room, the best-liked of the several living rooms. There is a baby grand piano here, and

Class Presidents.

Courtesy of The Journal. Arthur Pinkerton, Omaha, and Vernon Filley, Lincoln, are the winners of the class election races for senior and junior president, respectively. Both men were chosen on the Yellow-jacket-Barb coalition slate, which defeated the Blue-shirt candidates by a narrow margin.

Arthur Pinkerton, Omaha, and Vernon Filley, Lincoln, are the winners of the class election races for senior and junior president, respectively. Both men were chosen on the Yellow-jacket-Barb coalition slate, which defeated the Blue-shirt candidates by a narrow margin. Pinkerton as senior president will work with the alumni secretary in plans for roundup week held annually in the spring, and will also have charge of senior invitations. Filley will be chairman of the Junior-Senior prom committee which annually plans and supervises the all university social event closing the formal season. Both senior and junior presidents participate in the Ivy day ceremony in the spring. This year for the first time, these offices will be held by the same men for the entire year.

COUNCIL STUDIES INFRINGEMENT OF ELECTION RULING

Investigates Vigilance Plan And Appoints Student Train Chaperones.

Supervise Kansas Trip Appoint Bill Eddy and Lucille Hitchcock to Represent Group on Excursion.

Investigation of Tuesday's election, appointment of student representatives for the Kansas special train, and a resolution to investigate further the proposals of the sophomore "vigilance" committee, occupied the student council at its meeting Wednesday night.

Alterations in policy for future elections and possibilities of taking action on any violations revealed in Tuesday's voting will be considered at a joint meeting of the elections and judiciary committees Thursday afternoon at 5.

"Although Tuesday's election was undoubtedly freer from rules violations than usual, there was some question about several of the voters' eligibility. It is to clear up these matters that the committees are meeting this afternoon," Phil Brownell, president of the council explained.

Report of the committee in charge of arrangements for the student football special this weekend was also heard by the council, and Bill Eddy and Lucille Hitchcock were selected to act as official council representatives on the trip. There will also be faculty members on the train.

The recommendation of a group of sophomores that they be permitted to supervise enforcement of the freshmen cap tradition was accepted by the council, but action was delayed until further investigation.

Jack Erickson, Reginald Porter and Marlo Smith were named to conduct the investigation. Constitutions of the three political clubs on the campus, Republican, Democratic and Socialist, were accepted and approved at Wednesday's meeting, and official sanction was given to the straw vote to be conducted by the Daily (Continued on Page 2.)

STUDENTS SHOW LACK OF INTEREST IN POOL

Head of Physical Education Department Says Fees Keep Some Out.

"There is a decided lack of interest, especially among the men students, concerning the use of the swimming pool," was the comment made by Dr. R. G. Clapp, head of the physical education department of the university. "Perhaps some are deprived from the use of the pool because they feel they cannot stand the additional expense required to register for the swimming classes."

"Others may not be able to secure permits to enter the pool because of athlete's foot, which the health board has been very particular about," he continued. "But in either case anyone securing a permit can utilize the pool without enrolling in the classes during the hours not reserved for those classes. These open hours have been divided as nearly even as possible between the men and women, and since only six hours a day are reserved for classes there is plenty of time for students to use the pool."

Services Optional. The \$2.50 enrollment fee for swimming, fifty cent rental on a locker, and the \$1 deposit on a lock may be responsible for so few enrolling in the classes, but these charges are not required of anyone using the pool during the open hours. It is optional whether a person wants these services, Dr. Clapp added.

There is an increased interest in swimming this year both in classes and during the open hours but most of the interest is among the women, according to him. "Just as soon as there is, or when students show enough active interest to make it worth while the pool will be kept open until 10 o'clock at night if necessary, but it is not worth the while to light the pool and hire the life guard for only four or five persons," stated Dr. Clapp.

Can Cure Trouble. According to the head of the physical education department, athlete's foot should not deprive anyone of the use of the pool because it can be cured in a very short while with a little care. Just as soon as a person gets the infection cleared up he can secure a permit from the health office in Pharmacy hall, entitling him to the use of the pool.

"We have one of the finest swimming pools in this part of the country, and I regret to see such a lack of interest in using it. It is here for the students' use and just as soon as there is enough demand for more hours than are open at the present, the pool will be kept open until 10 if necessary to meet the demand," concluded Dr. Clapp.

INNOCENTS CHOOSE HOMECOMING BAND

Thaymon Hayes Colored Kansas City Orchestra to Play For Grad Day Party October 29; Broadcast Regularly From Station KMBC.

FACULTY ALLOWS OUT-CITY PLAYERS.

Interfraternity Council and Corn Cobs to Sell Tickets For Affair Under Direction of Chalmers Graham And Norman Galleher, Co-Chairmen.

SELLECK DIRECTS TICKET SALE FOR STUDENT SPECIAL

Set \$4 Rate for Round Trip; Game Admission \$2.75 For Kansas Game.

Tickets for the special student train to Lawrence, Kas., and for the Kansas-Nebraska game are on sale in the office of John K. Selleck, director of athletics and student activities and may be secured any time until Friday evening. Round trip rates are \$4 and game tickets are \$2.75.

Only students will be allowed to travel on the special which leaves Lincoln Saturday morning at 6:30 a. m. and arrives in Lawrence at 11:15 a. m., leaving for home about midnight Saturday.

Four faculty members will accompany the students' special train, it was announced Wednesday by the office of the Dean of Student Affairs. They are Miss (Continued on Page 3.)

FACULTY TO ASSIST IN STRAW VOTE PLAN

Political Science Teachers To Supervise Polls in Social Science.

Several faculty members of the political science department have agreed to co-operate with the Daily Nebraskan in conducting its presidential straw vote next Wednesday. Prof. Norman Hill and F. V. Peterson, will aid in the supervision of the polls to be set up in the main hallway of the Social Science building from 9 till 12 o'clock in the morning and 1 to 4 o'clock in the afternoon.

Other members of the department may also aid in conducting the election. The returns will be wired to the Daily Nebraskan Wednesday evening and published in the Daily Nebraskan on Thursday morning. Results of the nationwide poll being conducted by the Princeton paper with the co-operation of other student dailies in the country will also be available to Nebraskan readers either Thursday or Friday morning.

The Nebraskan will print its columns on Friday, Oct. 21, Sunday, Oct. 23, and Tuesday, Oct. 25. "Others may not be able to secure permits to enter the pool because of athlete's foot, which the health board has been very particular about," he continued. INNOCENTS CHOOSE HOMECOMING BAND

Thaymon Hayes Colored Kansas City Orchestra to Play For Grad Day Party October 29; Broadcast Regularly From Station KMBC.

FACULTY ALLOWS OUT-CITY PLAYERS.

Interfraternity Council and Corn Cobs to Sell Tickets For Affair Under Direction of Chalmers Graham And Norman Galleher, Co-Chairmen.

That a nationally known colored band, one which has been broadcasting weekly over the Columbia broadcasting system thru station KMBC of Kansas City, has been secured for the second annual Homecoming party, Oct. 29, was announced late Wednesday by the Innocents committee in charge of arrangements.

The orchestra which has been secured for the traditional homecoming event is that of Thaymon Hayes. This band played each night during the past summer at the Fairland ballroom in Kansas City as successors to Benny Moten's band. Previously they had played at the El Torro ballroom in Kansas City. The Hayes' aggregation broadcasted nightly over KMBC and weekly over the Columbia network.

Music Critics Favorable. Concerning the orchestra the musical critic of the Kansas City Star, in a writup which appeared last summer, commented as follows: "Thaymon Hayes' orchestra is one of the few Negro bands which specializes in the 'sweet and low' type of music now so popular. Discarding the theory that dance bands must be loud and blaring, the leader believes that the principal attribute to a popular band is rhythm and melody. Specialty numbers offered by the band are unusually well-received and a trio known as the 'Hot Cha Boys' usually stops the dancing when it sings."

The committee in charge of the annual Homecoming party was able to engage the out of town band following special permission of the faculty committee on student functions. The committee said "this particular affair."

The ticket drive for the Homecoming party opened Wednesday morning. Tickets, sales are in charge of Interfraternity council representatives and members of Corn Cobs, under the direction of Chalmers Graham, member of Innocents society. The tickets will sell at \$1.00 plus the regular government tax of ten cents.

General chairman of the Innocents committee in charge of arrangements for the party is Norman Galleher. About 1,000 persons attended the first annual Homecoming party held just a year ago.

COMMERCIAL CLUB PROMOTES SMOKER

Dean LeRossignol to Speak On Relation of School To Bizad Student.

The Commercial club smoker, which will be held at 7:30, Thursday night, Oct. 20, in the Presidential room of the Lindell hotel, will be attended by approximately 150 Business Administration students. Dean J. E. LeRossignol will give a short talk relating to "The Bizad College and the Student." Other speakers will be Professors R. C. Dein, A. M. Mott, and E. S. Fullbrook.

The Men's Commercial club, since its beginning in 1913, has promoted an annual smoker for all men students in the Bizad school and today, because of its large membership, it is one of the outstanding organizations in the Business Administration college. This smoker is a function intended to promote a better acquaintance among the students and the faculty members of the Bizad college.

Following the few short talks by the faculty members, a musical program consisting of piano duet numbers will be given by Gilbert Schweser and Hugo Dean, KEA radio entertainers. Immediately after this program refreshments will be served.

The rushing this year by the Commercial club is being done by a committee which consists of: Norman Prucka, chairman; Wilbur Erickson, Martin Lwin, Clair Bosse, Clarence Anderson, Lawrence Martin, Owen Johnson, Edna Gildner, Pierce Jones, Richard Mayburn, Duard Jackson, Harold Winquest, Clayton Kunze and George Morrow.

Men Who Survive First Test To Be Given Written Exam Thursday.

Tryouts for the Fershing Rifles were held yesterday. Those successful in passing the preliminary test will be given a written examination over the manual Thursday in Nebraska hall. There are thirty-five vacancies this year.

All freshmen who are carrying and are passing in at least twelve hours are eligible for this honorary military organization. Sophomores must have twenty-seven hours and be passing in twelve hours. An eight dollar initiation fee is charged.

HUEY P. LONG WILL SPEAK AT COLISEUM

Politician Scheduled to Come Here Monday For Address.

Huey P. Long, senator from Louisiana, will speak at a public meeting next Monday evening at the coliseum. Senator Long will arrive in Lincoln by train at 4 o'clock Monday afternoon, and officers of the Young Democratic club are desirous of having a large turnout of young democrats at the station to meet him. Before his address, the club will entertain the senator at dinner. Senator Long is one of the most prominent figures in politics at the present time.

RIFLES CONDUCT TRYOUTS

Men Who Survive First Test To Be Given Written Exam Thursday.
