DIXIE RAMBLERS AND ENTERTAINMENT WILL FEATURE PARTY PLAN

Blue and White Decorations Will Take Arch Form Over Dance Floor.

With Red Perkins' popular orchestra, the Dixie Ramblers, furnishing the music and entertainment the crowning touch to the Dads Day events Saturday will be the All-University party in the Coliseum at 8:30 o'clock. Plans at present call for crepe paper decorations a mile long, the colors being blue and white and in the form of an arch the full length of the Coliseum. The orchestra will be on the stage so that the dancers may have as much space as possible. This band has established a reputation in Nebraska and neighboring states for its "Mills Brothers" act, and for the fine quality of the music it offers. The returns will be set aside for the decorations fund.

The chaperons will be Prof. and Mrs. Lantz and Prof. and Mrs. D. A. Worcester.

The event is sponsored by the Corn Cobs, and they have arranged for the band to be present at the demise in order to create the proper atmosphere.

Reginald Porter was selected by the Student Council Wednesday as a member of the Student Forum commission. He, as a representative of the Student Council, will serve with representatives of the Y. M. SKADE STATES ANNUAL SALES SHOW INCREASE

Buyers Approve Cornhusker Coed Contest as End of Drive Nears.

With the initial sales campaign of the 1933 Cornhusker nearing an end, Charles Skade yesterday stated that interest in the Cornhusker Coed contest is reaching a high peak and that there is a great deal of speculation as to who will be the five girls honored by the vote of the Cornhusker purchasers.

The manner in which these new traditional campus queens will be chosen is meeting with approval, Skade said, and the Cornhusker staff feels that the choice will be representative of the student body in-so-far as a large number of students will be allowed to vote. Any one may vote who purchases one of the 1933 annuals.

Thompson Approves.

Dean T. J. Thompson in commenting on the idea of selecting the Cornhusker Coeds stated that he felt the idea is a worthy one inasmuch as the selections will include a group of girls rather than any one individual.

"I am very much opposed to popularity contests which single out one individual as the most outstanding person in any group as large as the student body of the University of Nebraska," said Dean Thompson. "Selecting more than one individual, however, to be representative as some of the outstanding students has my wholehearted approval, because no particular person is given unmerited recognition."

A heavy sale of the annual is expected during the last two days of the sale, according to Skade.

GRADUATE TO SPEAK AT FRIDAY BANQUET

Dr. Axling to Talk on Friendship in World.

"An Eastless and a Westless World" will be the topic of Dr. William Axling's talk when he appears at the fifth annual international friendship banquet Friday evening, a letter from the speaker announced yesterday.

Dr. Axling of Tokio, Japan, is a graduate of the University of Nebraska. His missionary work in Japan has earned him the title of "statesman-missionary" of that country, and the banquet at which he is to talk on the evening of Armistice Day is sponsored by the Council of Religious Welfare.

The banquet is at 6:15 at the First Christian church. It traditionally fosters friendship between students of different nations represented on the campus.
