

NEBRASKA LOSES BIG SIX BATTLES

Huskies Fail to Win Despite Rally in Second Half Against Missouri.

COLUMBIA, Mo., Jan. 7.—The Cornhuskers tonight again failed to rally in the closing minutes of a Big Six game, losing to their opponents, Missouri, 33 to 37.

Missouri accumulated a 17 to 2 lead early in the first half, but with the start of the second quarter Nebraska got going and kept the crowd on its feet amid boosing and cheering. Two Huskers were removed from the game on fouls.

At the half the score was 21 to 12 with Missouri on the long end. The Missouri lead lasted just ten minutes in the second half. Then the Nebraska quintet staged a six-goal rally, leaving it only four points behind Missouri's Tigers, but that four points proved fatal.

Norman Wagner, captain of the Missouri team was high scorer with five field goals and a free throw. Boswell lead Nebraska's scorers with five field goals.

Cornhuskers Lose to Kansas In First Game of Big Six Conference.

LAWRENCE, Kas.—Nebraska gave Kansas a strenuous cage battle Friday night in the opening Big Six conference game, but a big first half lead enabled the Jayhawkers to triumph by a 32 to 29 score.

It was Steve Hokuf, all-Big Six conference guard of two seasons ago who led the Huskers in a thrilling last half drive, after Coach Browne's team ended the first half on the short end of a 23 to 9 count. Hokuf scored seven points and played a sterling defensive game to win standout honors for the Cornhuskers.

Harrington tallied the only field goal made by Kansas in the second half, the remaining points being scored on free throws. With the score standing 30 to 29 in favor of Kansas, Coach Forrest Allen's quintet registered two gift shots, the last one caged by Bill Johnson, lanky center.

Kansas had little trouble breaking thru the Husker defense in the first half, with Dick Wells, sophomore forward showing the way with four baskets.

DIRECTOR ANNOUNCES POOL TO OFFER MORE FREE HOURS FOR MEN

Elimination of Class and Joint Use by Two Teams Create Periods.

"By the elimination of one class in advanced swimming and by opening the pool for joint use with the freshman and varsity teams, provision has been made for additional free hours for men," R. G. Clapp, chairman of the physical education department, announced yesterday in a letter to the Daily Nebraskan.

"In answer to criticism voiced in previous editions of the Daily Nebraskan of the free swimming hours for men, the department of physical education and athletics has held a number of conferences and has arranged for a readjustment of the men's and women's hours and, by elimination of one registered class, provision has been made for additional and better hours for free swimming for men," Dr. Clapp declared in his letter.

The new hours available for all men are from 4 to 5 o'clock on Tuesdays and Thursdays and from 5 to 6 on Mondays and Fridays. The freshman and varsity teams will also use the pool during the latter two hours. Men will be admitted during the 5 to 6 o'clock period up to the capacity of the pool and so long as those doing free swimming do not interfere with team practice.

After the first week in March the 5 to 6 o'clock period, Mondays to Fridays inclusive will be thrown open for men's free swimming.

Urge Use of Pool.

"We want the men to use the fine swimming pool more, and they are urged to take advantage of this improved schedule," Dr. Clapp said in commenting on the revised program of swimming hours.

Several changes in the swimming class schedule for the second semester have been made by the department. These changes include different hours for the classes and the addition of a non-credit life saving class at 8 p. m. on Wednesdays for the benefit of those who are planning to act as guards at pools during the summer.

If the men students do not utilize the period from 4 to 5 on Tuesdays and Thursdays, the department may take back that hour for the use of the three classes now scheduled in the morning, according to the letter received by the Nebraskan.

In a subsequent issue, the Daily Nebraskan will print the revised schedule of the swimming pool for the second semester.
