

VARSITY ROLL UP POINTS ON FROSH IN LONG WORKOUT

Walt Henrion, Steve Hokuf
Flash in Scrimmage
With Yearlings.

Spotting the freshmen five ten points in a twenty minute scrimmage Wednesday afternoon the varsity basketballers rolled up 28 points to eight for the first year men in a long, arduous workout in preparation for the Kansas State game this Saturday.

Lined up against the frosh team Parsons and Hub Boswell performed at forwards, Henrion was at the pivot post, and Steve Hokuf and George Sauer were at the guard positions. Coach Koster filled one guard post on the first five, Don North, former Lincoln high player was at the other guard spot, Virg Yelkin, from Lincoln high, played center, with Merrill Morris, Jackson, and Johnny Parilek, Crete, at forwards, Dwight Loder, Waverly, and Durfee also saw action on the freshman team, while the varsity lineup remained intact during the brief scrimmage.

Henrion, Hokuf Flash.

During the first ten minutes the first team looked good on both offensive and defensive, Walt Henrion and Steve Hokuf flashing especially. Making use of a fast break and some good ball handling the Huskers soon ate up ten point margin granted the Kostermen at the start, but even at that many setups were missed.

Finding that underbasket work still caused a lot to be desired Coach Browne plans to concentrate on this phase of the game in the two remaining practices before the Aggie five invades the coliseum this week end. Many opportunities to tally on tip-in shots were lost Wednesday as they have been in games thus far this season.

Drill on Plays.

Brushing up on plays took up the major part of the time preceding the twenty minute tilt, the first year men also furnishing the opposition here. The combination which faced the freshmen and another composed of Lunney and Mason, forwards, Copple, center, Belka and Eno, guards, were put thru their paces.

The return of Steve Hokuf to the fold has done a lot in livening up proceedings, the veteran guard, having had much experience at the game in campaigns two and three years ago.

One of the most brilliant all-around athletes to ever wear the Scarlet for the University of Nebraska is Steve Hokuf, former Crete high performer. Hokuf is outstanding in football, basketball and track, and if baseball were still included in the Husker sports curriculum he would undoubtedly letter in the diamond pastime.

After playing against Arkansas in the first basketball game of the season, Steve left with Coach Bible and Lawrence Ely for the East-West charity game in San Francisco. He returned last Friday in time to rejoin his teammates at Lawrence for the Kansas tilt, where he was the sparkplug of the Cornhusker offense. He will start at a guard position in Saturday's opening home Big Six game against Kansas State.
