### SIX LETTERMEN OUT FOR SWIMMING TANK

Sophomores and Reserves Brighten Outlook for Husker Squad.

With the return of Coach Rudy Vogeler, swimming practice which was inaugurated early last fall has taken on redoubled emphasis this week with a sizeable squad of lettermen, reserves and promising sophomores reporting.

Six lettermen headed by Bernie Masterson, sprint star, will comprise the nucleus of the Husker team in pool competition this winter. They include the following men:

Free style: Bernie Masterson, Lincoln. Breast stroke: Lowell Thomas, Lincoln. Back stroke: Ray Gavin, Lincoln; Robert Lackey, Sterling, Colo. Distances: Dan Easterday, Lincoln; Howard Church, Alexandria.

Jack Minor, who competed in the diving event last year appears now to be definitely out of competition because of sinus trouble, while Hugh Rathburn, sophomore dash man, failed to carry sufficient hours to complete his eligibility for next semester.

#### Strong in Reserves.

To offset these losses, Vogeler's squad will be well fortified with reserves in Frank Oddo, Omaha, breast stroke; Palmer Gallup, Omaha, breast stroke, and a student in the university school of medicine; Glen Warrick, Scottsbluff, and Frank Prawl, Omaha, diving; Leslie Rood, Omaha, back stroke; Charles Watkins, Omaha, distances; Harold Dahms, Seward, distances, and Gordon Fliesbach, Scottsbluff, sprints.

In addition to the veterans and reserves, several sophomores have been displaying talent in the workouts. Bill Kelley, Omaha, and Bob Bennett, Omaha, are looking good in the dashes, while Jack Gavin, Lincoln, back stroker, and Irving Wood, Lincoln, breast stroker are expected to furnish strong competition for places in those events.

Although a dual meet with Iowa State college at Lincoln Feb. 11 and a tentative meet with Kansas State at Manhattan, Feb. 18 have been arranged, the schedule is still incomplete. Coach Vogeler is negotiating for a two-day trip into Iowa going up against the University of Iowa on Feb. 24 and Grinnell college Feb. 25. Negotiations are also under way for engagements with Wyoming and Colorado.

The conference meet will again be held in Lincoln, this year on March 11.

### STATISTICS SHOW ENROLLMENT DROP FOR 438 COLLEGES

Decrease of More Than Four Percent Noted By Educators.

College enrollments in 438 approved colleges and universities in the United States decreased four and one-half percent last fall, as compared with the previous year, according to a statistical report by President Raymond Walters of the University of Cincinnati.

The report, published by School and Society, periodical for educators, was being reprinted this week for general distribution.

Dr. Walters said that the decrease was noted on the basis of 568,169 full time students. This number, however, is higher than the figures reported by the same institutions in 1927, "so that the plateau of higher education in this country is substantially maintained," he said.

#### List Causes.

While economic conditions have contributed to this year's decrease, he suggested that the growth of junior colleges may have accounted for a part of the lower enrollments in the 438 approved institutions.

The University of California heads the list with the largest full-time enrollment, totalling 19,282, of which 6,410 are registered at the University of California at Los Angeles. The total of 19,282, according to Dr. Walters' report, is 940 greater than in 1931, with gains recorded in nearly all schools and colleges of the university.

Columbia university, with 14,229 full time students, is second on Dr. Walters' list; New York university, with 12,067, third; University of Minnesota, with 11,708, fourth, and

the University of Illinois, with 10,579, fifth.
