## FINAL TRYOUTS FOR KOSMET KLUB SHOW TO BE HELD TODAY

### Directors Need Small Men To Take Part in Choruses.

Final tryouts for parts in the cast of "The Bor-O Ranch," Kosmet Klub's spring production, will be held this afternoon at 2 o'clock in room 203 of the Temple building, according to an announcement from Jack Thompson, president of the organization.

Tryouts will be in charge of Herb Yenne, author of the play selected by the Klub, Dr. Ralph Ireland, director of the choruses, and Jack Thompson. Initial tryouts held last Tuesday night were not able to accommodate all those intending to apply, but all will be taken care of this afternoon, Thompson said.

Special appeals on parts in the choruses and in a Spanish dance were issued by Directors Yenne and Thompson after the first tryouts. "We need more small men for the choruses and eight others to take part in a Spanish dance," Yenne declared. "In the Spanish dance four men will impersonate women, as will members of the pony chorus."

Thompson urged all men intending to try out this afternoon to be present promptly at 2:00. "We want to consider as many applications as possible this afternoon in order that final selection of the cast may be completed immediately," he said.

## RESTAURANTS DO GOOD BUSINESS AS GIRLS FEED DATES

### Boys, 'Who Pay and Pay,' Have Good Evening At No Cost.

The well known cash register tinkled merrily as the coeds "footed" a few general expense items following the annual Mortar Board party Friday night. With total disregard for the right hand side of the menu card, the boy friends "who pay and pay" had one good evening at no cost Friday night. Roast turkey, T bone steaks, and other rare delicacies were ordered without discretion by the male contingent.

Arriving on the scene of the annual party at the coliseum in various sorts of transportation ranging from skates to automobiles, with a liberal sprinkling of antiquated Fords in the majority, the girls entertained with Mel Snyder and his Gold Coast Orchestra furnishing the music.

Taking advantage of an opportunity to show how they would like to be entertained, many coeds bought their dates corsages, which included among other things carrots, pansies, sunflowers and spinach.

Checks at most of the popular restaurants disproved any student depression, most of them ranging from two to three times higher, as under normal conditions.
