

WHITES EKE OUT WIN BY SKEWES' PLUNGE LATE IN SCRIMMAGE

Full Time Practice Saturday Produced Good Ball; Many Fumbles.

Glenn Skewes scored on a one yard plunge late in the fourth quarter and enabled the Whites to eke out a 6 to 0 win over the Reds in the second full time scrimmage of the Husker spring football practice period Saturday afternoon. The imperial ball-lugger tallied after he had led a thirty yard drive with a series of line smashes, and Bailor had contributed a fifteen yard run on a clever reversal after coming around end.

Saturday's game produced some good football and some very poor play, and fumbles and blocked punts were frequent. Thompson, giant first-year tackle blocked a couple of punts, and with his height it is hoped he will be able to repeat these performances next fall. Bruce Kilbourne recovered a couple of fumbled punts after Sauer had kicked to the Reds, and Thompson's recovery of a punt after blocking it on the 30-yard line set up the pins for the late touchdown.

Boswell Snags Passes.

Early in the first quarter Sauer and Boswell were working on a pass combination, and Boswell snagged several flips in the middle of the Red's secondary defense. However Boswell proved to be the only White consistent in snagging passes, and he was soon covered. After their passing game blew up, the Whites still showed superiority in playing by dominating things with a varied running attack, with Sauer, Miller, and Boswell carrying the pigskin. However no scoring resulted, for Ken White succeeded in keeping his Red eleven out of danger with some fine punting.

Fumbles in Second Half.

The second half produced an orgy of fumbling on the part of both teams, so ground-gaining wasn't in the program. Johnny Williams, who will be a Sophomore next fall, was doing some fine ball lugging, but also lost much ground on fumbles. An attempt at a passing game proved futile.

In the final period substitute backs appeared in the White lineup, and this quartet took the ball over for a score. Glenn Skewes, Chet Beaver, Jack Miller, and Bailor comprised this foursome.

Warren DeBus and Ralph Eldridge were unable to compete because of injuries, DeBus having a stitched lip, and Eldridge being laid up in the infirmary with a bruised back. Jerry LaNoue was forced to quit the battle early in the proceedings because of a sore leg.

INTERCLUB COUNCIL MEETING.

There will be an important meeting of the Interclub Council third floor of Temple building at 7 o'clock Monday evening.

SWIMMERS REHEARSE FOR WATER PAGEANT

Rudy Vogeler and Josephine Orr Are Instructors in Charge of Event.

The Tanksterettes, women's swimming club, and the men's swimming club are rehearsing for a water pageant to be presented within the next two weeks. The ideas for the scenery and the costumes are based on the Olympics of last summer.

Rudy Vogeler, instructor of physical education for men, is acting as chairman for the men's swimming club. Miss Josephine Orr in instructor in the women's physical education department, is chairman for the Tanksterettes.

Alice Brown, Tanksterette, president, and Bob Lackey compose the business staff. Jean Levy and Maxine Packweid have charge of advertising. Rehearsals are conducted by Dorothy Whitney, Irene Melity and Don Easterday. Adela Tembrink and Hal Gish will plan the stage settings. Costumes are being designed by Thelma Sterkel, Viola Vail and Helen Ledford. Mr. Marvin Witte has charge of the musical arrangements.

The cast for the pageant will be composed of approximately fifteen Tanksterettes and twenty members of the men's swimming cast. It will be produced at the coliseum pool. A small charge will be made for admission.

TWO NEBRASKA MEN TO ATTEND Y. M. MEETING

Dr. Patterson and Meredith Nelson Named Delegates From This District.

Two Nebraska men, Dr. C. H. Patterson and Meredith Nelson, were chosen out of a possible four from the Rocky Mountain field council to go to the national student council meeting of Y. M. C. A. which is being held at Columbus, O., from April 6 to 10.

The Rocky Mountain field council district is composed of the following states: Nebraska, Kansas, Colorado, Wyoming, and Utah, one of the ten districts covering the country. This council is made up of one student representative from each local student Y. M. C. A. in the area besides faculty, alumni, and church representatives. The national council of student Y. M. C. A. is composed of representative from all the combined areas of the United States.

Both Dr. Patterson and Meredith Nelson are active workers in the local Y. M. C. A. body. In the past year, Meredith Nelson served as president of the campus Y. M. C. A. Dr. Patterson has frequently acted as discussion leader at various meetings of the group. The motive of this national student council meeting is to consider and discuss important matters of national reorganization of student Y. M. C. A. movements.

Professors Confer With Omaha Industrial Board

March 24, Prof. W. F. Welland of the mechanical engineering department and Prof. C. J. Frankforter of the chemistry department conferred with the industrial bureau of Omaha chamber of commerce. The subject under discussion was the possibility of using alcohol-gasoline mixtures as motor fuels.
