APPLICATION BLANKS FOR INTERFRAT SING WILL BE READY SOON

McCarl to Arrange Annual Ivy Day Contest Under Kosmet Auspices.

Application blanks for fraternities desiring to enter the annual interfraternity song contest will be available some time in the near future, according to an announcement released yesterday by Jack Thompson, president of Kosmet Klub.

The annual sing will be held on Ivy Day as in former years, and is under the auspices of Kosmet Klub. This year's sing will be arranged by Charles McCarl.

The interfraternity sing was won last year by Beta Theta Pi for the third consecutive time, thus awarding them permanent possession of the silver loving cup. Delta Upsilon and Sigma Alpha Epsilon were second and third respectively.

One of the smallest number of entries was recorded last year when only thirteen fraternities entered the contest. All fraternities are urged to enter the competition this year.

According to present plans the sing will be held in the morning of Ivy Day, and the fraternities will sing in alphabetical order, according to Jack Thompson.

FIVE THOUSAND HEAR FAMOUS ENTERTAINER

Lawrence Tibbett, Concert Singer and Opera Star, Born in California.

Lawrence Tibbett, popular concert singer and screen star, sang before an audience of approximately five thousand people in the University of Nebraska coliseum last night. Tibbett's accompanists offered two piano groups.

Tibbett was born in Bakesville, Calif. Following the death of his father Mrs. Tibbett moved with her four small children to Los Angeles where Lawrence began his education at the age of six and was graduated from the High School of Manual Arts.

His first two engagements were on the speaking stage, with a Shakespearean Repertory company, and the Civic Repertory company, followed by one with the California Opera. At twenty-three he made a stage record by appearing as Lago in Shakespeare's "Othello" and singing the role of Amonasro in Verdi's "Aida," given at the big Hollywood Bowl.

Tibbett went to New York for further training and professional contact. Five months following this he was given a contract with the Metropolitan Opera company, where he scored a triumph early in his second season. Since then he has experienced success after success according to critics. It is interesting to think of the success he has tasted and yet in high school he was unable to make the glee club, according to Hick's Strange As It Seems.

Tibbett's program was as follows:

Bois Epais, Lully; the Fiero Costume, Legrenzi; Baliff's Daughter, Old English; Mr. Tibbett.
Jesu, the Joy of Man's Desiring, Bach-Hess; Organ Prelude in G minor, Bach-Sliet; Mr. Tibbett.
Nacht und Traume, Schubert; Verrath, Brahms; If Love Hath Entered Thy Heart, Joseph Marx; Love Fugitive, from "Herodiade," Massenet; Mr. Tibbett.
The White Peacock, Griffes; Malanguena, Lecuona; Mr. Tibbett.
In the Silent Night, Rachmaninoff; Little Old Foolish Old Man, Brownings; Edward, Lowe; Lord, I Want to Be, Willie; De Glory Road, Wolfe; Mr. Tibbett.

Henry S. Karriger Visits Lincoln to See Skeleton

Henry S. Karriger, now residing in Hershey, Neb., who found Maiben's mammoth, Archidiskodon maiben on the former's farm in Lincoln county, made a special trip to Lincoln last week to view the finished mounting of the skeleton now displayed in Elephant Hall, Nebraska State Museum.

ANNUAL TO SHOW NOTABLES

Photographs of Presidents Coolidge and Roosevelt Will Be Features.

The pictures of President Roosevelt and the late Calvin Coolidge will appear in the general section of the 1933 Cornhusker, according to an announcement made yesterday by R. W. Spencer, editor of the publication.

In addition to the pictures of these famous men and other notables, the section will include interesting views of the state capitol building.

"With the addition of these and many other new features of the new book," Spencer pointed out, "We hope to make the 1933 Cornhusker a book that will appeal to all who have the opportunity to see it."

SIXTEEN CLUBS SIGN FOR DEBATE TOURNAMENT

Delta Sigma Rho Schedules April 11 as Date for First Match.

Sixteen fraternities have entered teams in the intrafraternity debate tournament, sponsored by Delta Sigma Rho, honorary debate and oratorical society, according to Rudolph Vogeler, athletic director who is in charge of the tournament. The first debate will be held Tuesday, April 11.

The sixteen fraternities who have entered teams are: Alpha Sigma Phi, Delta Sigma Lambda, Delta Upsilon, Delta Theta Phi, Kappa Sigma, Phi Kappa Psi, Phi Sigma Kappa, Sigma Phi Epsilon, Alpha Tau Omega, Zeta Beta Tau, Sigma Alpha Mu, Alpha Gamma Rho, Beta Theta Pi, Phi Alpha Delta, Pi Kappa Alpha, and Chi Phi.

The question for the contest is Resolved: That the Colleges and Universities of the Big Six Should Permit the Subsidizing of Athletics. Each team will consist of three men and the members of the winning team will be awarded individual medals. There will be no award to the team nor will intramural points be given to count on the year's total.

Delta Sigma Lambda won from Beta Theta Pi in the finals last year on the question Resolved: That Military Training Should Be Abolished in the University. There were Seventeen teams entered.

COREY TO ADDRESS BIOLOGICAL GROUP

Professor Will Talk on 'The College Student' At Meeting.

Dr. S. M. Corey, Professor of History and Principles on Education in the Teachers college will give a talk on "The College Student" at the Phi Sigma, Honorary Biological Society, meeting Wednesday, April 5, at 7:15 p. m. in room 118, Bessey Hall.

In his talk Dr. Corey will point out the differences among students which the teacher should take into consideration, but often does not. The lecture is not on a biological science, but is primarily for the benefit of those taking science with the intention of teaching.

Geology Professor Speaks at Banquet

Dr. E. H. Barbour, chairman of the department of geology, spoke before a banquet meeting of the Lincoln Engineers club at the chamber of commerce, last week.

There will be a meeting of the Interfraternity council in room 9 of Morrill hall Tuesday, April 4, at 7:30. Representatives should know the number of rush cards their fraternities desire and the names of their rush chairmen.

LYNN LEONARD, President.

SELLECK APPROVES PROPOSED STUDENT BLANKET TAX PLAN

Greater Interest Would Be Created, Says Director of Activities.

The proposed student activities tax should prove helpful to all student enterprises, in addition to creating greater interest in the various activities that now exist on the university campus according to John K. Selleck, director of student activities, in commenting upon the proposed blanket tax being investigated by the student council. "The single tax system should relieve students of the annoyance of campaigns for various activities and enterprises."

In commenting upon the effect the proposed tax would have upon the athletic department Mr. Selleck states that it should benefit that department a good deal, believing that more students would attend football and basketball games.

"Whole hearted participation of students in their activities is very fine, although if the new plan does become effective those students who now attend the university activities will do so at the expense of those who do not attend at the present time," said Mr. Selleck.

PLAYERS TO PRODUCE SEASON'S LAST PLAY

'Romeo and Juliet' Opens in Temple Theater This Evening.

"Romeo and Juliet," the last university players production of the current season, will open at the Temple theater tonight for a week's run, under the direction of Miss Alice Howell.

With Miriam Kissinger and Zolley Lerner headlining the veteran cast as Juliet and Romeo, the sixth play produced by the university dramatic organization will bring to university theater goes one of the most famous of the Shakespearean romantic tragedies.

The entire supporting cast of the new play has appeared in former players' production, and promises to be the best play presented by the group this year, according to Miss Alice Howell.

In addition to the regular weeks' run at the Temple theater from April 4 to 11, the production will be presented at a special matinee Saturday afternoon for the benefit of the school children of Lincoln and surrounding towns.

A special performance has been scheduled to appear at the Joslyn Memorial, in Omaha, April 22, arrangements being made through Paul H. Graumann director of the memorial who was formerly chairman of the school of fine arts at the university. The complete cast of the play is as follows:

STUDENT REVIEWS THESIS

Dorothy Bell Has Examined Geography Questions Asked Teachers.

Miss Dorothy Bell, who is finishing her graduate work for a master's degree in geography, presented a resume of the material for her thesis before a general departmental seminar Wednesday evening, March 29.

Miss Bell has made a study of all the examination questions in geography asked of those taking state teachers certificate examinations during the last twenty years, and is classifying them with a view toward determining the degree to which they have reflected the changing emphasis in subject matter and methods of presentation.

INFORMAL DISCUSSION ENDS EMPHASIS WEEK

Meetings Are Sponsored By University Y Groups.

An informal discussion Monday afternoon at the university Y. M. C. A. in the Temple building closed the series of Religious Emphasis Week meetings held since Friday under the auspices of the local Y. M. C. A. and Y. W. C. A. organizations. Dr. Allyn K. Foster conducted the closing meeting which was attended by about sixty students.

A luncheon was held Monday noon in the Temple cafeteria with Dr. Foster as the main speaker. Dr. E. T. Hinman was in charge and additional talks were made by Bishop John S. Stamm and Dr. E. T. Hinman. Dr. Foster also conducted meetings Monday at the Teachers' College.

Sunday's activities featured a student mass meeting in the evening at the First Baptist church and services in the morning at both the First and Second Baptist churches. A discussion group met in the afternoon at the Wesley foundation.

Bishop Stamm led an informal discussion Saturday morning at Ellen Smith Hall which centered around the question of the degree of interest students manifest in religion and religious problems. Retreats were held by the Y. W. C. A. at Pioneer Park and the Y. M. C. A. at the Hi-Y building Saturday afternoon.

Miss Stella Skurlock, Y. W. C. A. national secretary in the Rocky Mountain region, will be in Lincoln for the remainder of the week for conferences with individual students as will James Hardwick a member of the national staff of the Y. M. C. A. student division.

Professor Frankforter Gives Series of Talks

Prof. C. J. Frankforter of the chemistry department is giving a series of three lectures before the students of Everett Junior high school. The first one was an introductory and elementary discussion of science and its value to mankind. On Thursday, the second of the series was given on "Petroleum and Its Products." The third lecture on "Explosives" will be presented at some future date.

Six Foot-Three Student to Present Dance in Kosmet Klub Spring Show

Harold Hart to Be Among Features in 'Bar-O Ranch.'

The movies has its Slim Summerville to offer comedy relief, but the Kosmet show has Harold Hart to amuse the audience by twisting, tangling and folding his six foot three inch body into unique positions in an eccentric dance that will be one of the many features of the "Bar Nothing Ranch," approaching annual spring show presented by Kosmet Klub. Herb Yenne, author of the production, co-director and carrier of the part of the old dowager, Mrs. Van Fleet, believes Harold will more (Continued on Page 2.)

PANHELLENIC GROUP RULES AGAINST RUSH PARTIES IN SUMMER

Martha Hershey Selected As President for Next Year.

Summer rush parties for sororities are to be abolished this year. This revision of the Panhellenic rules was determined at the monthly meeting held Monday, April 3 in Ellen Smith Hall. Individual rushing will be allowed. This movement was taken to aid in decreasing the expense of summer rushing.

Martha Hershey, Alpha Chi Omega, was appointed as the presiding officer of the college Panhellenic group for next year. Dorothy Cathers, Delta Zeta, received the appointment of secretary-treasurer for the coming year. Mildred Root, Jean Speiser and Elizabeth Barber were chosen from the college and alumnae group to act on the nominating board to select candidates for the advisory board of next year.

Representatives of the various sororities who were present at the meeting voted to have eight periods for rush parties during the formal rush season next fall. Each sorority is permitted to entertain during seven of these periods. Formal rush week for the fall of 1933 will extend from Sunday at 3 o'clock to the following Wednesday at 2 o'clock.

Elizabeth Barber, president of Panhellenic, presided at the meeting.

CHEMIST TO DISCUSS ISOLATION PROBLEM

Dr. E. Washburn, Former Student of Nebraska, to Speak Tonight.

Dr. Edward Washburn, former Nebraskan and now chief chemist of the United States bureau of standards, Washington, D. C., will address members and guests of the Nebraska section of the American Chemical Society at the section's 155th meeting tonight at 7:30 p. m. in Chemistry Hall. "The Isolation of Pure Hydrocarbons from Petroleum," will be the subject of his speech.

Dr. Washburn attended the University of Nebraska from 1899 to 1901 when he received the degree of bachelor of science. In 1905 he attended the Massachusetts Institute of Technology and there received the degree of Ph. D. in 1906.

He served on the faculty of the Massachusetts institution from 1908 to 1916, and from 1916 to 1922 was affiliated with the University of Illinois. He has been the chief chemist of the bureau of standards since 1926. He is the author of "Introduction of the Principles of Physical Chemistry."

Members and non-members who are interested are invited to attend the meeting.

WILL MEET APPLICANTS

General Electric School Director Plans to Visit Campus.

Mr. M. L. Frederick of Shenectady, N. Y., Director of the General Electric Graduate School of Business Training, will be on the campus Wednesday and Thursday to interview seniors and graduates who wish to apply for the four year scholarships offered by the General Electric Company.

Mr. Frederick writes that he hopes to meet a good many Nebraska students but is uncertain at present as to the number of scholarships that will be available this year.
