

## SPRING SCRIMMAGES CLOSE WITH REVIEW IN PHASES OF GAME

Sixty-Five Men Report for Practice Regularly During Season.

The thud of the football will not be heard on the practice field in the south end of the stadium until next September, for the spring practice session ended Tuesday afternoon with a review on all phases of the game which have been taken up during the last five and a half weeks.

A squad of about sixty-five has been reporting regularly during the sessions, and prospects for next fall point to a fine season. Three formations have been taken up in spring drill, the single and double wingbacks, and the punt. Previous to this season the single wingback has not been dealt with, but due to the presence of much weight and speed in the lineup, plenty of versatility is expected to show itself, so that a larger repertoire of plays has been lined up.

The squad has been divided into two teams, the Whites and the Reds, between which several games have been played, the Whites winning two and the Reds one. The former eleven won by scores of 6 to 0 and 22 to 0 and the latter crew won the first game by a 6 to 0 score. In the 22 to 0 victory gained by the Whites last Saturday this eleven showed a lot of power.

Sixteen lettermen are returning for the 1933 season, at least one veteran for every position reporting. There are also a number of Freshman and "B" team men who are bidding strongly for varsity posts.

The eleven which looked best during spring drill was composed of Bruce Kilbourne and Lee Penney, ends; Gail O'Brien and Russell Thompson, tackles; Clair Bishop and Warren DeBus, guards; Franklin Meier, center; Bernie Masterson, quarterback; Hub Boswell and Jack Miller, halfbacks; and George Sauer, fullback. All of these men except Russell Thompson and Franklin Meier received major varsity letters last fall, the former playing with the Freshman eleven, and the latter being a minor letterman, performing as understudy to Lawrence Ely. All of the major lettermen on this team will be playing their last season in Husker togs.

## SPRING TEMPERATURE FAVORS KANSAS MEET

Workers Begin Preparations On Tracks for Major Annual Relay.

LAWRENCE, Kas.—With the date for the eleventh annual Kansas relays—April 22—now only a short time away spring-like temperatures already have come to the midwest and enabled workmen at the University of Kansas stadium to begin preparations on the quarter-mile track and 220-yard straightaway where this annual major sports event has brought hundreds of the United States' leading track and field performers to hang up brilliant records thru the past decade.

Indoor marks already made this season indicate that the carry over from the Olympic year will again mean a field of high class contestants for the major meets this season, and it is certain from advance information concerning entries that the Kansas games will draw a goodly portion of the present crop of track and field stars from some dozen or more states.

In the Big Ten conference indoor meet this spring three records tumbled, the pole vault mark being set at 13 feet 10 inches by Estil Lenington of the University of Illinois, who tied for second at the Kansas relays last year, and the half mile run record being set at 1:53.9 by Hornbostel of the champion University of Indiana, who ran a leg on the Hoosier team that won the four mile relay at the Kansas games last year. In the Big Six conference the only record to fall in the indoor meet was lowered by Glenn Cunningham, University of Kansas star miler and conqueror of Gene Venzke in three mile races this season, who set the new indoor mile mark in the conference at 3:21.8, and who four days later ran a 4:12 mile in New York. Cunningham will probably run again in the 1,500 meter race at the Kansas relays, an event he won last year here in 4:02.5 without being pressed.

The University of Oklahoma has served notice that Coach John Jacobs has a mile relay team that will have to be reckoned with this season when his Sooner quartet won that event in 3 minutes 19.7 seconds at Norman, Okl., recently in defeating the Oklahoma Baptist mile relay team of Coach Victor Hurt. The mile relay in the university section record is 3:20 at the Kansas relays, held by the University of Iowa since 1926; while in the college section Oklahoma Baptists held the mile relay record at 3 minutes 21 seconds.

## CONFERENCE CATCHES

BY  
BURT MARVIN.

What a relief! The last day I have to reel of this thing until next Tuesday, and possibly by that time I can climb out of the rut and write something presentable. Yesterday was the final day of spring football practice, so that no major sport steps into the picture until April 22 when the track team goes to Lawrence, Kas. for the Kansas relays, held there annually. That means that spring vacation comes at a very convenient time, when there is nothing to discuss, except nothing, which has been wrangled over for several weeks.

The Husker sports picture has been mighty rosy since the basketball season, and there are even hopes for a good basketball team next winter, spring football practice has been as successful a one as has been held for several years, and prospects for next fall's gridiron team are better than for several seasons. Let's hope that the team collects more than the usual glory, for virtually all of the first team are seniors, and that means that veterans of long experience will be lacking in 1934. Those two qualities rarely found together here at Nebraska, speed and weight, are present in good quantities in the 1933 squad, and with added versatility, power, and speed, the coaching staff has fixed up a dazzling attack which should puzzle all comers next autumn.

The best thing about the football situation here, is the fact that optimism and confidence haven't resulted in laxity in training which so often spells ruin for a promising outfit. The spirit has been one of enthusiasm, and with the men reporting regularly for drill during the past few weeks, work has been hard and thoro. Of course the team will have to step at a merry pace to beat the record of last year's eleven, for the 1932 crew only lost one game, that to Minnesota by a score of 7 to 6, the Gopher touchdown coming on a fluke so-called lateral pass. The schedule next fall is fully as tough as the one played last year, the list including the Big Six schools, Texas, Iowa, and Pittsburgh. Nebraska journeys to the Smoky City to meet the Pittsburgh Panthers, and hopes to avenge the 40 to 0 defeat sustained at the hands of the easterners on the Allegheny field two years ago. Last fall a gallant Husker team held the mighty Panthers to a 0 to 0 tie, or rather the Pittsburghers were lucky to gain a tie.

Track prospects for the ensuing outdoor season are also mighty good, the Huskers being favored to cop the Big Six title again this spring in the meet which is to be held in Lincoln on Saturday, May 27. However, prospects for victory don't appear as nice as they did before that 33 to 33 tie with Oklahoma for the indoor title. Kansas was close behind with 29 1-2 counters, so that there will probably be a three-way scrap for first place.

A sophomore mile relay team at Oklahoma has been burning up the track in real championship fashion, turning in the time of 3:19.7 a few weeks ago in the Oklahoma state track meet. The Big Six record is 3:19.6, and this time was registered by the Nebraska quartet last spring in the conference meet here. A sophomore sprinter, Whitley Cox, ran the 50-yard dash in 5.2 last week.

Down at Missouri and Oklahoma polo is on the sports card, and I believe these are the only schools sponsoring this sport in the Big Six. If Nebraska wanted to play polo, I'm sure I don't know where there is room enough for a field within walking distance of the campus. That is one of the bad things about this campus, the small amount of space available for games such as baseball and

tennis. There used to be a real array of tennis courts, but now there are only nine available, since Andrews hall was built.

## TRACK MEN TO WORK SAYS COACH SCHULTE

Varsity Men Must Report For Practice Monday of Recess.

Coach Schulte wishes to announce that all men out for track who go home over the spring vacation should work out regularly in preparation for the Kansas relays, April 22. In addition to this all Varsity men must report at the stadium Monday evening for a regular workout.

About thirteen men only, will be allowed to make the trip to Kansas, according to Coach Schulte, because of the new Big Six rule cutting down the number of entries. The tryouts for this meet are to be held at the stadium either today or Thursday. Each individual may try out separately by being clocked or timed.

The tri-color meet which was scheduled for today has been postponed until after vacation in order to enable more candidates to enter.

## 'NEBRASKA AND CHINA' STAFF PLANS VESPERS

Group Will Give 'The Color Line' as Feature.

"Nebraska and China Week" will be the subject of the Vespers meeting to be held April 18 in Ellen Smith, the International-Interracial staffs in charge. A play "The Color Line," will be presented. The "Mite" boxes which were given out last fall will be collected.

If there are some who do not have the boxes, one may be obtained any afternoon in the Y. W. C. A. office. Recognition will be given to those girls who have contributed.

Arlene Bors, in charge of the International Interracial staff has stated, to encourage generosity, "Remember that every Y. W. C. A. member is a neighbor to all the

world, so do your part and share with China."

A tea is to be given for all Y. W. members Thursday April 20 from 4 to 6 in the afternoon. Books and pictures and art work will be exhibited.

During the "Nebraska and China Week" Chinese stationary will be sold at Ellen Smith.
