

RELAYS TO OPEN THIS AFTERNOON

Preliminaries of Drake Meet Scheduled for 1:30 Today; Finals Tomorrow.

This afternoon at 1:30 o'clock the preliminaries of the Drake relays at Des Moines will be held with fourteen Nebraskans taking part. The finals of the meet in which about 1,000 athletes are taking part will be held tomorrow afternoon at the same hour.

The Husker track and field men who are competing are Frank Booth, Heye Lambertus, Jerry Lee, and Clem Lamereaux, sprinters and relay men; John Roby, relays, pole vault, and broad jump; Glenn Skewes, pole vault and discus; Everett Mead, shot-put; Don Gray, broad jump and high jump; Ray Toman, high jump; Howard Roberts, relays; Jim Story, mile run and the distance medley relay; Glenn Funk, distance medley relay; Adolph Dohrman, 120 yard high hurdles; and Glenn Jones, javelin thrower. This group left this morning at 5:45 from the coliseum, and during its two days stay in Des Moines will stay at the Hotel Chamberlain.

To Enter Quartets.

Coach Schulte is entering relay quartets in three of the seven relay events, the 440 and 880 yard, and distance medley being listed as the baton races in which the Huskers will try their prowess. The team for the 440 and 880 events will probably be made up of Clem Lamereaux, Jerry Lee, John Roby, and Neye Lambertus. The distance medley foursome is Jerry Lee, 440; Howard Roberts, 880; Glenn Funk, 1/4 mile; and Jim Story, mile.

Coach Schulte plans to make individual entries in the 100 yard dash, 120 yard high hurdles, 2 mile, high jump, broad jump, pole vault, shot-put, discus, and the javelin, the other special events on the program are the hop, step, and jump; and the hammer throw.

In the 100 yard dash Heye Lambertus, Jerry Lee, and possibly Clem Lamereaux will compete, and in the 120 yard high hurdles Lambertus and Dohrman are entries. Jim Story may run the 2 mile, Ray Toman will high jump, Don Gray and John Roby will enter the broad jump, and Husker entries in the pole vault are Glenn Skewes and John Roby. In the weight events Everett Mead will put the shot, Glenn Jones is a javelin entry, and Glenn Skewes will toss the discus.

Having competed in the Kansas relays last Saturday afternoon, the Huskers will be competing in their second relay carnival of the year at Des Moines.

Three Nebraskans who are especially favored to place in their events are Heye Lambertus, Adolph Dohrman, and above all, Don Gray. Gray took first place in the broad jump at Kansas with a leap of 24 feet 4 1/2 inches, and has a chance to set up a new record at Drake, the present mark being 24 8/16 inches.

The Drake Relay Records Are As Follows.

CONFERENCE CATCHES

BY BURT MARVIN.

This triangular compet should really be interesting, because Nebraska and Kansas always can be banked on to put up a real fight on the cinders. As things look

now, it appears that Nebraska, Oklahoma, and Kansas will battle it out for the Big Six title May 19 and 20. I've been having a heck of a time trying to get the date of the conference championships into my head and the stories. Nebraska has trimmed the Aggies in indoor competition already this season, by a score of about 69 to 35. Heye Lambertus ran the 60 yard dash in 6.1 seconds and the 60 yard low hurdles in 6.4 seconds in that meet.

MABLE LEE RECEIVES P. E. HONOR AWARD

Association Presents Prize For Meritorious Work.

Word has been received from Louisville, Kentucky that the honor award of the American Physical Education association was conferred there Wednesday evening upon Miss Mable Lee, chairman of the department of physical education for women in recognition of meritorious work in the field of physical education.

These honor recognitions have only been awarded during the past three years. Several notables have received the award, among them number of Dr. R. Tait McKenzie, noted sculptor of Europe and America; Amy Morris Homans, who was the only woman to attend the first physical education meeting in the United States; and Abby Mayhew, out-

... for this ad!

We don't know whether to get sobby, and talk about the lonesome hearth, the vacant chair, etc.; or to get down to cases and talk Speed, Clearness, and Low Cost. What would you say if you were writing an ad to College Men and Women?

The first approach might appeal to their sentimental streak; the second, to their practical side. But one appeal is as good as another. So take your own pick!

And write your own headline to this ad by going to the nearest telephone and getting yourself an earful of H-O-M-E!
