DRAWINGS MADE FOR BARB BALL TOURNNEY

First Round Games Are to Be Run Off Friday at 5 O'clock.

Drawings for the barb ball playground baseball tourney have been made by Rudy Vogeler, intramural athletic director, and the first round games are to take place Friday, May 12, at 5:00 p. m.

So few a number of teams have been entered that if any teams forfeit the schedule will be changed from an elimination tournament to a round robin tournament.

The managers are requested to get in touch with each other and make sure they will be ready to play at the time designated. The umpires will be furnished with bases and score cards so the managers will not have to take care of such matters. All games are arranged to be played on the field north of the Coliseum.

The first round pairings are: Tigers vs. Yellow Jackets, Barbarians drew a bye, Polar Bears vs. Porcupines, Wild Cats drew a bye.

The teams, their managers and the manager's addresses:

CORNHUSKERS DEFEAT CONCORDIA TEACHERS

Coach Knight's Baseball Squad Downs Opponents With 12-6 Score.

Coach Wilbur Knight's university baseball team pounded out a 12-6 victory over Concordia Teachers of Seward last week end at the Ag college diamond to climax the annual Farmers Fair program. The game was the first of four in which the Cornhuskers will tangle this spring.

The game was featured by Leon Wondra's excellent relief hurling after replacing Meredith in the fifth inning, although Orcutt's work with the willow was no less sensational. The Husker left fielder slapped out four successive singles to lead the sluggers.

The game took on all the aspects of a rout in the very first inning, when the Nebraska outfit combed the offerings of Lase for three hits, three errors, a walk, and a sacrifice, chasing six counters across. However, in the next three frames, the Teachers came to life, knocking Meredith for all their six hits and five runs. This rally went for nought, though, as the Huskers tallied five times in the last half of the fourth stanza. Wondra held Concordia hitless the rest of the route.

University of Wisconsin Regents Pass Measure Recently.

Removal of the Daily Cardinal, student daily at the University of Wisconsin, from any semblance of an official status at the state university was voted by the University Board of Regents recently.

The resolution also provided for a special committee to consider possible form of organization and control for the Cardinal that will best safeguard both the principle of responsibility and the principle of freedom in the management of the paper.

The committee is to report to the next meeting of the regents in June.
