GREEK COUNCIL EFFECTS CHANGE

Interfraternity Council Completes Reorganization Designed to Eliminate Politics by Passing Drastic Revisionary Measures.

SENIOR MAN TO BE ACTIVE COUNCIL DELEGATE

Bi-Partisan Committee on Committee of Six Will Be Selected to Appoint All Council Committees; Junior Committeemen Eliminated.

Reorganization of the Interfraternity Council, long a subject of campus tirades and criticism, became a reality Tuesday night when that body voted unanimously to change its system of membership. Drastic changes in work and internal structure were also effected in this move to eliminate politics from the organization.

The new membership plan as adopted by the council Tuesday night, followed the reorganization committee's recommendations by providing for a senior man to be the active council delegate from each fraternity, and a junior man to be the alternate. The junior man will attend all meetings, but the senior man will be the real representative of the fraternity and conduct all official business.

Form Committee on Committees. The second major revision to be made in the structure of the council was the provision of a committee on committees to be appointed by the council president in conjunction with the faculty advisors, the committee to consist of six men, three from each of the two political factions. It will be this committee's duty to appoint all committees for accomplishment of the council's work, such as the Interfraternity ball and banquet.

The third and last important legislative measure passed by the council was the elimination of junior men from committee work and their replacement by seniors. Fraternity representatives indicated after the meeting that on this provision are pinned most of their hopes for elimination of politics from the council. This was the only proposal passed which encountered noticeable opposition.

To Revise Rushing Laws. President Thiel indicated that the committee on committees would be appointed before the next meeting of the council and stated that committees would be selected to revise the laws and by-laws of the council, revise rushing, and carry on co-operative work with the alumnae council.

Professor Schramm called the council's attention to the matter of exorbitant tabulations and taxes of which fraternities have been victims for many years. Provisions were made for selection of a committee to confer with alumnae council representatives and endeavor to secure an equal footing with owners of other real estate.

While actual revision of rushing rules was not acted on at the meeting Tuesday, a committee will be appointed to study the matter.

MEN'S JUNIOR CLUB FAVORS NEW UNION

Formation Entitles Campus Members to Future Functions.

The Lincoln Junior chamber of commerce regards with favor the plan to admit members of the university men's commercial club into an associate relationship, according to a statement received Tuesday by Blair Boser, president of the university group.

Official action is expected to be taken Tuesday Oct. 10, at the regular noon meeting of the chamber. A fee of \$2.50 for the school year has been suggested, which will entitle club members to attend all meetings and social functions, to membership on committees, and to other privileges.

Twenty-five members of the club have so far signified their intention to join if permitted by action of the chamber of commerce.

Campus Joes 'Come Through' With Pro and Con Opinions on Dutch Date Idea Suggested in SRA Provisional Code

Prospects for a dateless year seemed less brightly as more students, both male and female, signified their intention Wednesday of opposing under the provisions of the gentlemen-lady's agreement outlined under the S. R. A.

Talk was rampant on the campus over the startling idea. Although the notion is certainly not new one, it is one that has everyone talking at the present time. Generally, opinions were favorable to the idea but a few expressed disapproval.

Dwight Perkins, sophomore in the Arts & Science college, had his reasons for not agreeing. "I'm against 'em," says he. "You see when a guy pays the bill, it destroys the independence of the girl. In other words, she's got to be agreeable in order to repay him for the expense."

He was one of the few who

Corn Cobs Meet.

Corn Cobs will meet at the Sigma Phi Epsilon house at 7:30 Wednesday evening. Every member of the organization must be present so that they may receive information concerning football tickets. All fraternities, who have not reported their pledges, must do so by Wednesday night or a penalty will be imposed on the fraternity.

JEAN EDWARDS IMPROVES

Condition Declared Serious By Lincoln General Attendants.

Jean Edwards, Wahoo, senior in the university, who was stricken with a heart attack Sunday, was greatly improved yesterday according to Dr. Harry E. Flansburg, her physician.

Miss Edwards' condition was not considered serious, but complications prompted her removal to the Lincoln General Hospital, where attendants declared her condition critical.

BOOSTERS FOR TICKET DRIVE STAGE RALLY

Band Keeps Enthusiasm at High Pitch With Pep Selections.

HUSKER SPIRIT PREVAILS

Rallying behind the Tassels and Corn Cobs, and the university band, over 200 students staged the second rally of the annual athletic ticket campaign last night at Carrie Belle Raymond hall.

"We were more than glad to have the rally held in Carrie Belle Raymond hall," declared Dr. Williams, assistant dean of women in charge of the women's dormitory. "I feel that this year, more than ever before, the Nebraska spirit has been more prevalent among the girls. We expect over 80 percent to buy season tickets."

Nebraska yells, led by Emmet Morava, and numerous selections by the R. O. T. C. band, kept the enthusiasm of the gathering at a high pitch during the evening, and put the rally over with a bang.

"I thought that the rally was grand. Everyone seemed so full of enthusiasm," declared Anne Bunting, president of Tassels. "I think that we will go over the top in the ticket sale campaign if the drive is carried on as successfully as it has been the past two days."

The girls at the dormitory intend to have a separate block at the stadium, according to Dr. Williams.

Following a short pep talk by D. X. Bible, head coach at the university, in which he stressed the fact that "it takes more than the enthusiasm of the coaches to stir a team onto victory," several members of the football team were introduced.

Members of the Innocents society and Mortar Boards who are sponsoring the Tassel ticket drive were well pleased with the demonstration of Nebraska spirit at the rally, and felt that under the management of the Tassels the campaign would be one of the most successful in the history of the school.

Valentine Klotz, Tassels, in charge of the ticket sale expressed extreme satisfaction with the rally and felt that the ticket sale would be a big success.

Among those who would were the following: Bill Spomer, erstwhile campus "cake," said that they were the "hot stuff." "I'm for 'em. They give the man a break for the first time."

Roland Anderson, law student, said that the idea was in no sense new to him because he had been carrying out the general provisions for some time.

Robert Bulger, sophomore in the Arts college, too, was in favor. "I'd sorta appreciate it," he said.

Numerous others, in fact almost all the men interviewed, viewed the idea with approval. Girls, also, were quite willing to go through with the idea. If the fellows were willing. Most of them inferred that the fellows wouldn't have the courage, but the men were eagerly denying this. Both were eagerly denying this. Both were eagerly denying this.

Represents Fraternities

—Courtesy of Lincoln Journal. E. F. SCHRAMM.

Chairman of the department of geology, acting as faculty adviser of the interfraternity council at the university, will represent the organization at the annual meeting of the national interfraternity council, to be held in Chicago, Oct. 12, 13, and 14. Professor Schramm is intimately connected with the student affairs on the Nebraska campus, and has become well known for his work in connection with the fraternity system of the university.

WOMEN'S GROUPS VOICE APPROVAL OF 'HELLO DAY'

Dean Heppner, Margaret Buol and Lucille Reilly Endorse Event.

Active support of the annual "Hello Day," sponsored by Mortar Board, senior honorary society for women, from leaders of women's activities was indicated in statements made yesterday by their statements on the event. Administrative heads also expressed their approval of the plan.

The purpose of "Hello Day" is to create a united Cornhusker spirit and to assure and promote a better feeling of co-operation among all university students. All freshmen wearing the scarlet and cream caps and buttons are greeted with the well known salutation by upperclassmen and members of the faculty.

Margaret Buol, president of the A. W. S. Board expressed her opinion by saying "I think it is a fine idea because it should create a feeling of friendship and co-operation between freshmen and upperclassmen."

"Hello Day" is a freshman's opportunity to show their willingness to become part of the university life," stated Dean Amanda Heppner. "They should take the initiative and not wait for the upperclassmen to insist on drawing them into activities. If 'Hello Day' is to be a success both the freshmen and the upperclassmen must co-operate in making it so."

Lucille Reilly, president of the Big Sister Board, was heartily in accord with the idea. "Hello Day" should start a feeling of friendliness and school spirit which should continue and grow throughout the year.

MILITARY FRAT HOLDS SUPERVISED TRYOUTS

Thirty-Five Men Will Be Chosen as Pershing Rifle Members.

Twenty-five men will be elected to Pershing Rifles, honorary military fraternity, on Wednesday, Oct. 11, according to Max Emmert, captain of the local chapter.

Tryouts are being held today from 4 to 6 o'clock on the second floor of Nebraska hall, and will be supervised by Capt. Walter T. Scott and G. H. Connors, and two other officers to be announced. Two officers will examine each candidate and a spelldown on the manual of arms and squad movements will be given.

New members will be chosen by ballot at the election to be held Wednesday, which will be held along with the regular meeting of the company.

COUNCIL ELECTS OFFICERS

Round Table Discussion on Fraternity Membership At Y Meeting.

Election of officers will be held by the Freshman council of the University Y. M. C. A. at their regular weekly meeting tonight at 7:15 in the club rooms of the temple.

The round table discussion will concern the subject, "Should a Freshman Join a Fraternity?" Freshman John A. Crabb, which will be led by James Crabb, speaking from the fraternity man's standpoint, and by Bud Nelson, standing point of a bar. The meeting will be presided over by Morton Spence, president of the university "Y." All university men are invited to attend, and freshmen are urged to come.

PEP CLUB SHOWS DRIVE'S RESULTS AT NOON MEETING

Tassels Report Athletic Ticket Sales at Meeting.

BROWNE, SAUER SPEAK

Three High Saleswomen Are DeBrown, Bunting and Woodruth.

With Tassels well into the second day of their intensive athletic ticket sale drive, their second noon pep luncheon Tuesday gave the first indications of the drive's real progress.

Basketball Coach Harold W. Browne and George Sauer, varsity letterman spoke briefly to the more than fifty pepsters present. The first check of ticket sales was begun as individual saleswomen reported their success, and although totals for each of the six teams were not completed Tuesday night, high individuals revealed at the luncheon were Roma DeBrown, with 55 tickets sold, Anne Bunting, 34, and Elaine Woodruth, 32.

First definite reports of total sales will not be available until a thorough count has been completed. It was indicated that a report would be ready for the Wednesday noon luncheon.

"In spite of lack of actual reports, I am inclined to be happy about the drive so far," declared Miss Bunting, Tassel president. "There's every indication that the campaign to make the campus 'ticket conscious' is succeeding, and by Wednesday night we will, I think, be able to report success of the sale."

"The girls have been grand, and every one of them is certainly

INTER-CLUB COUNCIL PROMOTES BARB MEN

New Groups Organized as Consequence of Meeting.

SPORTS ARE DISCUSSED

Meeting at the Temple building Tuesday night, the inter-club council discussed organization of several new barb clubs and promotion of unaffiliated men in campus activities, according to a report received following the meeting. Half of all those present at the meeting were new men, according to Vernon Filley, spokesman for the group, and all are anxious to further barb organization of the campus.

One immediate action to result from the meeting Tuesday is the organization of three barb clubs on Ag college campus, according to Filley. The inter-club council will serve as a co-ordinating center for all the separate clubs, as they will all eventually affiliate with the council.

Intramural athletics occupied an important place in the discussion at the meeting, it was reported. The athletic department is anxious to co-operate in getting the intramural athletics program under way immediately. It was believed at the meeting that the program may be in action in less than a month, Filley said.

Athlete and Cheer Leader Create Mirth At Pep Gatherings

Plenty of pep was still in evidence at the Tassels' pep meeting Tuesday noon. Perhaps enthusiasm was running higher, for the Carrie Belle Raymond hall girls were learning the songs and singing them with plenty of spirit.

Incidentally, Tuesday's singing disclosed some excellent high voices among the Tassels. "Fight, Nebraska, Fight," and "Dixie Tau" (for Sauer) had their weak moments, but a semi-bass-soprano combination saved the songs.

The Tassels think Thelma Sterkel is a pretty good song and cheer leader, even though Thelma did get her hands going the wrong way Tuesday, resulting in a rather ignominious end of a "Yes Bo" cheer for the basketball team.

Coach Browne said it won't be the Tassels' fault if Sauer loses his footing during the Texas game Saturday. George didn't want to stand up Tuesday, but the Tassels have that something, and George stood up.

The Tassels have another strong supporter in D. X. Bible. Bible has a small daughter, who, he says, will some day be a Tassel if he has anything to say about it. "DX" maintains that he is just as proud of that fact as if he had a son who might grow up to be a great football player some day.

"The Tassels can oftentimes inspire the team to greater efforts than the coach himself," Bible declared. "It really means a lot to have them out there rooting for us."

Talks at Rally

—Courtesy of Lincoln Journal. D. X. BIBLE.

Head coach of the university who addressed the second rally held in Carrie Belle Raymond hall last night in connection with the annual ticket sales campaign, which is being conducted this week by the Tassels girls pep group. Coach Bible stated at the rally that this year there has been more evidence of real Nebraska spirit than in previous years. Game captains for the Texas game, Hub Boswell and Clair Bishop, were introduced at the rally by Coach Bible.

WORK ON PHOTOS FOR CORNHUSKER BEGINS AT ONCE

Junior and Senior Pictures For Yearbook May Be Taken Now.

Juniors and seniors with names beginning with A, B and C, will begin to have their pictures taken this week for the 1934 Cornhusker, according to Woodrow Magee, editor of the publication. Rinehart-Marsden, Inc., will take the pictures for this year's annual. Their studio is located at 11th and P streets in the Capital hotel.

"Photographs will dominate the 1934 Cornhusker so we selected the best photographers available," stated Robert Thiel, business manager of the publication. "The prices for pictures are reduced and they will be the highest class photographs that have ever been used in the yearbook."

The official year book photographers have been engaged in taking pictures for many years, taking all the pictures for the Northwestern year book for the past five years," said Magee.

The editor of the annual especially urged students to take advantage of the low rates on pictures this year, and get them taken as soon as possible.

The studio where the student pictures will be taken is modernistic in design and will accommodate all students desiring to have their pictures taken, stated Magee.

Magee stated that he needs five more fraternity assistants to complete his staff. Students interested should report to him or Tom Davies anytime this week.

DIRECTORY LISTS TO BE SENT TO PRINTER

Final Corrections Must Be Made Before 5 O'clock, Editor Says.

Student Directory lists of all fall registrants will remain posted all one day more before being sent to the printers for final corrections, according to an announcement made yesterday by Frank Crabb, editor of the Student Directory. Lists of all students have been posted since last Friday on the bulletin board in the main floor hall of Social Science and on the bulletin board in Ag hall on the agricultural college campus for corrections.

Lists will be taken down at 5 o'clock tonight, and no more corrections can be made after that time, the editor said. He urged all students who have not yet checked their names and other information on the records to do so at once.

The student list is the only part of the directory not completely corrected at the present time. Corrections on that section of the publication will be made immediately and the entire directory will be assembled for printing probably by the first part of next week.

According to present plans, the directory will be printed and available to students on or about the fifteenth of October, Bernard Jennings, business manager of the publication, stated yesterday. The fraternity and sorority section has been assembled and corrected and all advertising is ready for the press.

Rathburn Breaks Leg in Soccer Game Collision

Hugh Rathburn suffered a double fracture in his right leg, when he was injured in a soccer game between the Sigma Alpha Mu's and the Phi Kappa Psi's Monday night.

GREEK MEN LIST ALUM DELEGATES

Only One Fraternity Fails to Fall in Line With Plan For Organizing Alumni Interfraternity Council To Aid Campus Clubs.

DEAN THOMPSON WILL CALL FIRST MEETING

Newly Formed Body Will in No Way Interfere With Work of Present Governing Group; Solve Under-Graduates Major Problems.

TO ALLOT SEATS.

All organized houses planning to reserve a bloc for football games must have their tickets in Mr. Selleck's office by 5 o'clock Wednesday afternoon. Delegates from houses will meet at 8 Thursday morning when Laurence Hall, editor of The Daily Nebraskan, will draw numbers to determine the order in which the groups may select their seats for the cheering section.

JOURNALISTS WILL DINE

Theta Sigma Phi Announces Tentative Plans for Annual Dinner.

Plans for the annual journalism dinner, to be held some time in November, were discussed at the regular meeting of Theta Sigma Phi Tuesday afternoon. A literary meeting at which upperclasswomen in the school of journalism will be guests was also planned. Margaret Easterday, Alpha Delta Pi, who was pledged to the organization at Kansas State last year, is a new member of the group.

KLUB WORKERS MUST FILE BY OCTOBER 10

Kosmet Klub Will Receive Applications Daily, Musgrave Says.

TO CHECK ELIGIBILITY

One more week remains during which applications for positions on committees for the annual Kosmet Klub fall revue will be taken, according to an announcement made yesterday afternoon by Frank Musgrave, president of the Klub, after a meeting of the organization.

Applications of workers will be received any afternoon during the week until next Tuesday afternoon at 5 o'clock at the office of the Klub in the basement of U hall, Musgrave said. The office will be open every afternoon from 2 to 5 o'clock, and members of the Klub will be present to receive applications.

Appointments to committees will be announced as soon as possible after the deadline for applications, members of the Klub said. The eligibility of each applicant will be checked by the office of the dean of student affairs before permanent appointments are made.

About fifteen applications have been received during the last two days at the office. Work on the show will probably start about the middle of this month or sooner if committees can be selected before then, Musgrave announced.

DIRTY SWIM WEEK PLANNED

Petz Declares Interest in Present Events Above Expectations.

A "girls swim week" will be held according to Harold Petz, director of intramural athletics, if interest in the "swim week" now being held, keeps up.

Free instruction will be given to men during any of the class or free hours this week. Petz stated that now is a very good time to learn to swim. He warned all men, however, to have physical examination certificates before attending.

Tassels, Bubbling With Enthusiasm, Meet for Athletic Ticket Campaign Luncheon; Show Pep, Determination

The 1933 student athletic ticket sales drive will go over with a bang if the enthusiasm displayed by some sixty members of Tassels during the first two of a series of pep luncheons to be held at the Grand hotel this week, is any indication.

With "N" banners decorating the walls, and the victory bell on display, sixty determined and enthusiastic girls in their red and white uniforms met in the main dining room Tuesday and received additional instructions for the drive. It was a busy session with everyone checking in money and sales, referring to their handy "N" books, and making plans for future efforts. Notebooks were scattered everywhere, and a general air of excitement prevailed.

Thelma Sterkel again led the group in several vociferous cheers for Sauer, Browne, the team, and the whole school in general, after which the Nebraska fight songs were sung lustily. It took the Tassels a long time to get bashful George Sauer to stand up, but after singing "Standup George Sauer, Standup" about seven times, George finally acquiesced. "I am glad the Tassels will be on hand next Saturday," Coach Browne stated. "Maybe they will sing this song again and keep Sauer on his feet all through the game."

A feature of the luncheon was the replacement of the customary coffee by cocoa, and after observing the exuberating effects of the drink upon the Tassels, it is quite possible that cocoa may take its place along with many other drinks as a pep-instilling concoction. Gingerbread was also on the day's menu, although it seemed unnecessary as the girls displayed plenty of "ginger" during the meeting.

The first obstacle in the path of definitely organizing the alumni interfraternity council was cleared yesterday with the release of an official list of alumni representatives of the individual chapters on the campus.

The complete list revealed that every fraternity on the campus with one exception had complied with the urgent request of the alumni executive committee to appoint an alumni member to represent them in the alumni organization.

While no definite steps have been taken as yet to call a meeting of the newly elected representatives, it was stated yesterday that within the next few days the faculty advisory committee of the interfraternity council would appoint a committee of seven who will elect officers and call the meeting of the alumni group.

"The completion of the official list of alumni, who will represent the active chapters now existing on the campus, is the first tangible and definite step the organization has made toward completion of this most important project," declared Max Meyer, chairman of the temporary committee selected arbitrarily to get organization plans under way.

While it was definitely understood that the organization will not be connected with the university administration, members of the organization stated yesterday that they will ask Dean Thompson to call the first meeting of the organization together, in the near future.

"We want it understood that the alumni council is not trying to take over the business of the under-graduate interfraternity council," stated B. I. Noble, member of the temporary committee in charge of arrangements for the organization. "The active chapters choose their alumni representatives because such a group, ordinarily, will be able to deal with some of the fraternity problems in a more efficient manner than undergraduates might be able to do."

"We are certainly optimistic over this first major accomplishment," added Max Meyer. "When complete arrangements have been set up, we will be ready to swing into action, working together as a group."

The complete list of the alumni (Continued on Page 4.)

DEBATE ASSIGNMENTS LIST ELEVEN SPEAKERS

Material for Tryouts Is Reserved in Library for Contestants.

Following debate assignments have been made for debate tryouts on Friday, Oct. 5 at 7:30 o'clock in University hall: Affirmative speakers, A. Elmer Anderson, Walter Wick, Charles W. Steadman, Donald J. Shirley and L. Irving Hill and Mitchell R. Fieris. Theodore S. Cruise, Edmund Hollstein, Beverly A. Finkle, Jr., Eugene Pester and Robert Funk are the negative speakers.

Material for the debates is on reserve in the library. Each speaker will be allowed eight minutes for both constructive and refutation in a single speech, except that the affirmative man speaks first; will be given one constructive speech of five minutes and one refutation later in the evening of four minutes more.

Judges have been selected from among the men on the campus who have had debate experience here or in some standard college or university.
