

HUSKERS ARRIVE IN PITTSBURGH TODAY

Nebraska Squad With Unblemished Record of No Defeats, No Ties, Seeks Vengeance for 10-0 Defeat At Hands of Panthers Two Years Ago.

PREGAME DOPE FAVORS SUTHERLAND CREW

Many on Both Teams Played in 1931 Battle; Bible Will Throw Veteran Eleven Against Heavier and Speedy Opponents in Crucial Tilt.

Gunning for what is by far the most crucial tilt on the Nebraska schedule the Husker football team will arrive in Pittsburgh today for their last workout before the battle tomorrow afternoon in the Panther stadium which is to determine whether the Biblemen are to continue with their so far unblemished record of no ties and no defeats.

A light drill will be staged on the Pitt field this afternoon in order to limber up the Nebraska squad, who will undoubtedly be tired and sore after their long train ride, and accustom them to the foreign setting.

Putting both teams on a par thru a medium of their past performances, national critics predict that the game will be a hard-fought contest and victory will most likely rest with the team whose aerial attack receives the breaks or the team whose shifty ball-carrier breaks loose for a long sprint to a touchdown. Spectacular in every viewpoint, the game will go down as one of the most significant encounters on the Nebraska schedule.

Seek Revenge.
Bringing over with fight and enthusiasm the Husker teams are set to settle accounts of two years ago when a strong Panther eleven annulled the same team now in Nebraska moleskins 40 to 0. Keyed for Pitt as they have been for no other foe on the list the Nebraska team is on edge in a final effort

HUSKER ROOTERS SEE NUBBINS AND FROSH IN ACTION

Fans Given Opportunity Friday of Seeing Future Material Under Fire.

Husker football fans will get a chance to see next years prospects in action when the freshmen and nubbins teams clash at 3:30 p. m. today in Memorial stadium, in a game open to the public.

Pregame dope would seem to favor the freshmen, who have won almost every scrimmage game in which the two teams have engaged.

The nubbins have been victims of two scoreless ties with Wesleyan and Kearney State Teachers college, and one defeat at the hands of Wayne State Teachers college.

The freshmen have played the varsity, losing 33 to 0, and have scrimmaged the reserves and nubbins. In the latter scrimmages they beat the reserves 6 to 0 and have held the edge in every battle with the "B" squad. They will be the favored team in the coming encounter.

Frosh Have Edge.

The freshmen will have the edge in weight in the line and backfield, and boast of such stars as Francis, triple-threat back from Oberlin, Kas; Hale, end; Howell, back; Chase, tackle; and Uguual, guard.

The Francis to Hale combination has one of the best developed passing attacks on the Husker teams, the freshmen scoring on the varsity via this route.

In the scrimmage with the reserves Francis intercepted a pass and ran thirty-five yards to the only touchdown. Their line will attempt to offset the greater experience held by the nubbins, hoping to stop such "B" stars as Cockburn, Chase, and Mueller.

The probable starting lineups:

Freshmen	Nubbins
McDonald	Tompan
Scott	Punk
Peters	DeBrown
Ray	Holt
L. Pflum	Casement
Chase	Kerakodes
Hale	Zowier
Watkins	Chase
Cardwell	Mueller
Turner	Cockburn
Francis	Bailor

- BRIGHT TOBACCOS U. S. Types 11, 12, 13, 14.
- BURLEY TOBACCO U. S. Type 31.
- SOUTHERN MARYLAND TOBACCO U. S. Type 32.
- U. S. Type 11 is produced in the Piedmont Belt of Virginia and part of North Carolina.
- U. S. Type 12 is produced in eastern North Carolina.
- U. S. Type 13 grows in South Carolina.
- U. S. Type 14 is produced mostly in southern Georgia—a few million pounds in northern Florida and Alabama.
- U. S. Type 31 includes what is called White Burley tobacco. It was first produced by George Webb in 1864. It

is light in color and body, and is milder than the Burley used for pipes.

U. S. Type 32, Maryland tobacco, is noted for its "burn". In this respect Maryland excels most other tobaccos.

These are the kinds of home-grown tobaccos used for making Chesterfield Cigarettes.

Then Chesterfield adds aromatic Turkish tobacco to give just the right seasoning or spice.

Chesterfield ages these tobaccos for 30 months —2½ years— to make sure that they are milder and taste better.
