

TEN HUSKER CAGE MEN LEAVING FOR MARQUETTE GAME

Coach Browne Names Men For Squad in Three Tilts on Road.

FIRST MIX WEDNESDAY

Northwestern, DePaul and Marquette Are Slated for This Week-End.

A troupe of ten hoopsters was selected by Coach Browne to make the long trek to Milwaukee where the Husker basketball team is to meet the strong Marquette university in the Brownemen's first tilt of the season.

Due to the ineligibility of Max Zentz the Huskers will be slightly handicapped. The ten men making the trip include: Hubert Boswell, forward, Ravenna; Kenneth Lunney, forward, York; "Bud" Parsons, guard, Lincoln; Paul Mason, guard, Omaha; Marion Scott, Lincoln, center; Harry Sorenson, center, Hardy; Dwight Loder, forward, Waverly; Donald Durfee, forward, Pierce; Virgil Yelkin, guard, Lincoln; and Harvey Widman, guard, Mead.

The Nebraska hoopsters on the other hand will be playing in their first tilts of the season in addition to starting their drills late because of the interference of the football season.

Marquette's Fifth Game. Bill Chandler's Marquette university basketball team will be meeting their fifth opponent in Nebraska, thus giving one an idea of the game competition they have had this year.

Chandler, who are six feet or more in height. All five of the regular starters for the Blue and Gold reach that figure showing something of the size of the team the Brownemen are to meet in their opening fray. The lineups.

Lineup table with columns for Name, Position, and Team.

UPSETS FEATURE MONDAY EVENING GREEK CONTESTS

Tau Kappa Epsilon Wallops Beta Theta Pi by 26 to 21.

SEVERAL FAIL TO APPEAR

Sigma Alpha Mu Wins Over Alpha Tau Omega by 14 to 10 Count.

While other favored teams in the various leagues were winning their games Monday night, the favored ones in League IV of Class A Basketball fell defeated by a group of energetic, fighting teams. As a result a four way tie for first place between Beta Theta Pi, Sigma Alpha Mu, Tau Kappa Epsilon and Sigma Nu exists.

The second upset recorded by Sigma Alpha Mu, the surprise team of the League, in defeating Alpha Tau Omega 14 to 10 in a tight, close battle. Both teams fought hard, but an early lead piled up by the Sammies proved to be the margin of victory.

Results As Expected. Games in the other three leagues followed along expected results. In League I Delta Sigma Phi won from Sigma Phi Epsilon 16 to 10, to tie them with Alpha Gamma Rho for League leadership.

Three teams failed to show up for their games during the course of the evening, thus causing the entire schedule to become unbalanced. It is urged by the Intramural office that games should be played on schedule, and that a team not appearing should inform the Intramural office of this fact, so that no friction will result when the games will be played off, and one team will not be kept waiting for another.

Playing Third Year as a Regular

KENNETH LUNNEY OF YORK

PERFORMING AT A FORWARD POSITION WITH THE SCARLET!

AN ALL-AROUND ATHLETE IN PREP SCHOOL... PLACED ON THE ALL-STATE TEAMS IN BOTH FOOTBALL AND BASKETBALL—

This York athlete is playing his third year on the Nebraska basketball team, and appears to be due to start regularly during the campaign this winter. So far in practice sessions Lunney has been one of the shining lights both on the defense and offense, his basket eye proving specially valuable to the team and helpful to Coach Brown's optimism for this season.

ment off on schedule," said Director Pettz, "and we hope that every fraternity will cooperate with us in achieving this result."

IT SEEMS TO ME by RYAN IRWIN

The Nebraska basketball team has had a rather difficult time of it this year in spite of the fact that four veterans have returned to the fold. The absence of George Sauer from the lineup has considerably weakened the Huskers' chances. Last year George played at the guard post but if he had returned to the lineup this year he would most likely have taken over the center post as his height and ability to jump would have considerably aided the team.

Max Zentz, when he became ineligible, worked a still further hardship upon the squad. Zentz, while not a regular, is an able performer on the maples and was expected to furnish much of the reserve strength for the Brownemen. Zentz, an Omaha youth, was considered one of the best performers on the Omaha maples and ran up the highest total of points ever scored in the Nebraska metropolis with one exception.

Bernie Masterson, star maple performer when he attended Lincoln high, is now out for swimming and has taken that as his choice between the two sports, basketball and swimming. While at Lincoln high, Bernie played center on the team that won the state basketball championship his senior year. Tall and rangy Masterson furnished the opposing team plenty of difficulty in overcoming his advantage of height.

A mighty good lot of cageters are playing on Coach Knight's basketball squad and it is believed by many that they could put up an excellent battle against the first string varsity. Many of the good but prefer to play regular on that team rather than take a chance on making the first string.

The popularity trophy which is annually presented on the Minnesota ag college campus is the Little Red Oil Can. This fall it was received by Miss Edna E. Fowler, assistant professor of home economics.

LADY with former sorority and fraternity cooking experience will cook in organized house for \$12.00 per week. Call Nebraska business office.

BOYS—Move in close to campus and get room and meals at reasonable rates. 1525 R st.

WANTED—Student to drive car to Kansas City. Will go Thursday, return Jan. 2. Call Nebraska business office.

of Lincoln Sunday Journal and Star. is also one of the slickest, trickiest, floormen to play in Nebraska togs for several seasons.

In his high school days Ken played football, basketball and did some hurdling on the track. However he has cut football and track from his schedule during his college days. A trick knee accounts for this fact.

INTRAMURAL SPOTLIGHT by ARNOLD LEVINE.

Fraternities have taken greater interest in intramural athletics than for the past several years, in the estimation of Director Harold Pettz, and other observers. The number of entries has increased considerably over last year, competition is keener, and more outside interest is shown by the public. This is one of the reasons why this column will appear regularly in this paper.

Old Man Depression has not affected entries in intramural sport activities. On the contrary, more entries have been registered than ever before. The turnout is encouraging to the promoters, and proves conclusively that intramural athletics is on the upgrade.

Nineteen houses have entered both Class A and B basketball teams. In some cases the same fraternities are leading in both classes, as the Pi Kappa Alphas, Alpha Gamma Rho, Delta Tau Delta and Phi Kappa Psi are doing. In many other cases the fraternities entering do not have material to support two teams, and consequently, are forced to forfeit games which they are unable to play due to lack of men.

The forfeit had not been resorted to until recently, but in the last tabulations five games were found to have been won by this means, in one evening. Such a factor is discouraging, both to the teams ready to play and to the promoters of the contest. If at all possible, games should be played as scheduled and only as a last resort should they be forfeited.

Looking over the scorecards, it is seen that many of the leading teams have a bevy of former prep stars in their lineups, and many others have practically these same teams they played with last year. Pi Kappa Alpha has three men who played together last year as part of Grand Island's quintet, McDonald, Rupp and Baker. Delta Tau Delta boasts Johnny Howell, Omaha Central star, while his running mate, Aitsular, is starring for Sigma Alpha Mu. Beta Theta Pi lists Whitaker. These are but a few of the numerous former prep stars seen nightly at the coliseum, playing now for fraternities instead of high schools.

In another department of personnel, Alpha Gamma Rho boasts the same team, with but one exception, that played last year. This team is cleaning up in its league, which is to be expected.

Even thus early in the tournament certain teams stand out as favorites to win the university intramural championship. Of these teams only one, Pi Kappa Alpha, placed last year. A new crop of champs is waiting to be crowned. Every game now brings the climax nearer and nearer to a close.

Final examinations at Iowa State college at Ames began the morning of Monday, Dec. 18.

GYMNASTIC TEAM SCHEDULE DRAWN BY COACH MILLER

Nebraska Gymnasts to Meet Two or Three Teams This Winter.

Arrangements are being completed for gymnastic meets with various universities in both Big Six and Big Ten circles, according to an announcement made by Charles Miller, in charge of gymnastics at the University of Nebraska.

Already a schedule has been drawn up for meets with the Universities of Missouri and Iowa and there is a possibility of one of these becoming a triangular meet with either the University of Illinois or the University of Minnesota.

In any event there will be singular contests with the above-mentioned schools.

Coach Miller stated that there would most likely be around ten or twelve men making the trips but declined to mention who they would be as the plans are only tentative to date. However, the dates of the meets are the only factors left which have to be dealt with, as the mentioned schools have accepted the invitations.

Report for Practice. Mr. Miller announced that the number of men selected would depend upon the showing of the various members of the team and their regularity of practice. All men interested in working out are requested to come out for practice on the stage of the Coliseum at 4 p. m. Mondays, Wednesdays and Fridays.

Two exhibition matches will be held in Omaha and another will take place here in the coliseum. The men participating in the contests who manage to place will be awarded medals.

An all-university gymnastic meet will be held here in the latter part of March or in early April and medals will be awarded winners of first, second and third places. There is also a possibility of Coach Miller conducting an inter-class meet and awarding numerals to the winners.

Letter Rewards. All the Big Ten schools are at the present time giving letters to the members of their gymnastic

teams and in the Big Three, namely, Princeton, Harvard and Yale, major letters are given and it is considered a major sport along with fencing.

Members of the Nebraska squad now reporting regularly for practice are Floyd Herman, Jack Green, Edward Bignell, James Harris, Don Travers, William Rupp, John Morris and Russell Battle.

RESULTS OF WOMEN'S TANK MEET COMPILED

University of Washington Leads in All Events Which It Entered.

Results of the women's telegraphic swimming meet, sponsored by W. A. A. have recently been compiled. The reports show that the University of Washington leads in all events in which it has participated. Their record is as follows: 25 yard free style, 13.4 seconds; 50 yard free style, 28.3; 25 yard back crawl, 18.1; 100 yard free style relay, 66.4; plunge for distance, 50 feet, and 40 yard free style, 22 seconds.

Nebraska Does Well.

The Nebraska girls' team bettered the record of the University of Oklahoma in the 20 yard free style, in the 20 yard breast stroke and in the plunge for distance. It equaled the record of Washington university in the 25 yard free style, and bettered that team in the 25 yard back crawl, in the 40 yard free style, and in the 20 yard back crawl. In the other events Nebraska's team was bettered by both schools. These were: 50 yard free style, 25 yard breast stroke, 100 yard free style relay, 75 yard medley relay, plunge for distance, 20 yard free style, 20 yard breast stroke.
