BOTH GREEKS, BARBS WELCOME AT PARTY

Prucka Stresses Fact That Annual Affair Is Open To All Students.

Efforts to impress the entire student body with the fact that the annual Interfraternity Ball, which is scheduled for Feb. 10 in the university coliseum, is an all-university affair were made in a statement issued yesterday afternoon by Norman Prucka, chairman of the committee in charge of arrangements for the event.

"Non-fraternity men as well as fraternity men are welcome at the Ball," Prucka said. "The name of the party is somewhat misleading, but I want to impress everyone with the fact that all students are urged to attend. The name means only that the Interfraternity Council sponsors the party," he added. Tickets on Sale Soon.

Tickets for the affair will probably go on sale about the end of this week, the chairman stated. Negotiations for an orchestra should be completed in a short time, and announcement of all arrangements for the ball will be made as soon as possible, members of the committee said.

ESTIMATED REPORT FOR REGISTRATION DEPTS DECREASE

Definite Figures Not Yet Compiled; Graduates Not Recorded.

A general decrease in early registration for the second semester was indicated in an incomplete and unofficial survey of registration in the various colleges made Monday afternoon. Definite figures were not to be had, but an estimate by the offices of the various deans showed varying conditions from nearly normal registration to a decrease of 23 percent from present enrollment.

Registration in the school of journalism was reported as up to the usual number, while at the agriculture campus where registration took place a little more than a week ago for women, conditions were much the same.

Estimate Decrease. An estimated decrease of 350 students, or nearly 23 percent, was noted in the college of Arts and Science. An approximate decrease of 8 percent in Pharmacy college, and 7 percent in Law, was also indicated. Figures on registration in the Engineering and Teachers colleges were not available. Graduate students do not register until after the second semester begins.

The opinion was voiced in many offices that the figures are not an accurate indication of second semester registration and that registrants will swell the total number to near the normal enrollment.

NEBRASKA DROPS OVERTIME GAME TO KANSAS STATE

Huskies Lead Wildcats Thru Most of Contest, But Lose Out at End.

PARSONS HAS 9 POINTS

Manhattan Quintet Captures Second Successive Big Six Victory.

Bouncing back into the limelight and thrusting the Huskies into semi-obscure a rejuvenated Kansas Aggie basketball team barely nosed out the Brownmen 25 to 24 in a thrilling overtime victory which was heart-breaking to the Scarlet's hopes of capturing the Big Six conference cage throne.

Leading throughout the major portion of the contest, the Cornhusker basket flippers were repulsed by the desperate Wildcat team in the dying moments of the game. With less than thirty seconds to play the score stood 23 to 22 with the Brownmen out in front and then a double foul was committed by Ralph Graham and Bud Parsons. Parsons failed to tally and Graham eased his over the rim to tie the count just before the game ended.

Overtime Period Hectic. In the extra period Lunney, fouled by Morgan, came through with a free throw raising the Husker stock by one point. Then with only one-half minute remaining and the teams playing man to man in a state of desperate frenzy, Ralph Graham slipped through the Scarlet defense to sink a hurried shot which slipped through the net for the winning goal.

Lunney, who played well during the entire contest and ran up a total of 7 points to gain recognition as the second high scorer for the Nebraska cause, Parsons leading with 9 points, had just put the home cagers out in front by virtue of two field goals late in the fourth quarter, 23 to 18, when Freeland, of Kansas State who was fouled when in the act of shooting, made good both chances at the gift basket to set up the pins for Ralph Graham's shot.

Boswell and Copple each had a total of 4 points to their credit before the tilt was terminated.

The loss of this tilt considerably dims the chances of the Brownmen for the conference. Ellis and Thrusts them out of the contest for the titular throne.

This coming Saturday the Scarlet temple meets the powerful University of Wyoming cage outfit. Wyoming, coached by Les Witte, former Nebraska football and basketball star, has achieved national fame for their prowess on the maples. Playing with the team are two former Lincoln high school athletes who went to school under Coach Browne. They are "Beanie" Witte, Les' younger brother, and Johnny Kimball.

Box score: Nebraska— 16 31 1 24; Missouri— 10 20 0 20; Lunney, F. — 3 12 7; Boswell, F. — 2 0 0 4; Sorenson, F. — 0 0 0 0; Copple, C. — 2 0 0 4; Widman, F. — 0 0 0 0; Parsons, F. — 9 1 1 24.
