

# CAMPUS SOCIETY

**IF YOU'RE GOING TO HAVE ANY** fun during the next two weeks, you'd better plan on getting it this weekend, because you'll probably be spending most of the other nights wondering why you didn't start studying earlier in the semester. For those of you who don't have exams Saturday morning there is a formal Friday night, which will be held at Carrie Belle Raymond Hall. And the following evening the Kappas will entertain about three hundred couples at a dance in the Cornhusker ballroom. As far as we know now that's the extent of the affairs interrupting the semi-annual hibernation for exams.

**AND JUST LAST** night Caroline Van Anda and Don Dobson passed the candy and cigars. Caroline is a Theta who has been hiding a Phi Psi pin for quite some time we understand. Fremont and Lincoln, respectively, are the home towns of these two seniors in the university.

**THERE ARE** no end of engagements this week and weddings, not to speak of the approaching marriage of Miss Flo Miller, Kappa, which will take place next Saturday, and that of Miss Jane Rehlander, Delta Gamma, which will occur on February 9.

**NO DATE** has been yet set for the wedding of Miss Elaine Hadsell of Wymore to Eldridge Moses of Lincoln, which was announced Sunday by Mr. and Mrs. F. V. Hadsell. Both Miss Hadsell and Mr. Moses attended the University where she was affiliated with Alpha Xi Delta.

**ON THE** fourteenth of February Miss Leenore Mae Sams will be married to Richard Alden Svarett. Miss Sams is a former student at the university.

**TWO GRADUATES** of the university will be married on February 10 at the Tabernacle Christian church. Mr. and Mrs. C. H. Dupue announced the engagement of their daughter Rowena, Gamma Phi to Richard Dunker, Kappa Sig, Sunday.

**THE APPROACHING** marriage of June Nash of Albion, Ida., to Glenn Gage of Moscow, Ida., was announced recently, although no date has been arranged. Miss Nash was a graduate of the university last year, where she was a member of Kappa Delta.

**IN ACCORDANCE** with the number of engagements, there are several parties to be given this week honoring brides and brides-to-be. Mrs. Archibald Weaver, formerly Miss Marguerite Cadwalader, will be the honored guest at

## WHAT'S DOING

Kappa Gamma Gamma formal dance, Cornhusker.

**eline Baer, Mrs. Dora Finch and Mrs. Margaret Davis.**

**TWO VISITORS** in Lincoln during the past week were former university students. Miss Betty James of Gillespie, Illinois, is visiting her aunt and uncle, Mr. and Mrs. E. R. Heiny. Miss James was an Alpha Phi here.

And Miss Helen Mills of Sheridan, Wyo., spent the past week at the Chi Omega house. Miss Mills attended the university last year, where she was a member of Chi Omega.

**MARGARET Chase, Chi O.** is in Lincoln General hospital recovering from an appendicitis operation which she underwent Monday afternoon.

One physician and nineteen police officials from all sections of the United States and one cop from Mexico are enrolled in the course in scientific methods of crime detection and police training being given in the Scientific Crime Detection laboratory of Northwestern university.

Only three Big Ten coaches are located now at schools which they attended as students. They are: Bernie Bierman, Minnesota; Harry Kipke, Michigan; and Sam Willam, Ohio State.

# PI KAPPA ALPHA SENDS TWO FIVES TO GREEK FINALS

## Class A Quint Trims AGR 38 to 19; B Outfit Wins By 27 to 14.

PI Kappa Alpha made a clean sweep of its Class A and Class B semifinal games to become the favored team in both classes of intramural cage competition as a result of Monday night's encounters in the Coliseum. Delta Tau Delta gained the Class A finals by a one point victory, to furnish Pi Kappa Alpha's opposition in tonight's games, and Sigma Nu eked out a victory to gain the finals in Class B competition.

All final contests will be held tonight. An admission charge of ten cents will be made at the door, but competing fraternities will be allowed to take in ten men each. A sizable crowd saw Monday night's conflicts.

**Victory Is Easy.**  
Pi Kappa Alpha had little trouble in disposing of Alpha Gamma Rho. After fighting a steady battle thruout the first half, and holding a 16 to 12 lead at the start of the second period, the P K A basketeers found the going easy for a 38 to 19 triumph. The first period was fairly even, with Pi Kappa Alpha cashing in on field goals and Alpha Gamma Rho on free throws to limit the former team to a four point lead at half time. In the second period, however, the AGR defense crumbled, while the P K A's, led by Chapman and McDonald, rang up basket after basket, outscoring their opponents 20 to 5 in the last fifteen minutes of play. Superior height, accuracy, and speed gave the Pi Kappa Alpha freshman outfit the victory. They played with only one upperclassman on the team, but with four freshmen who won state mention in prep school

**Sigma Nu Wins.**  
In the other Class B fracas, Sigma Nu outscored Phi Sigma Kappa 18 to 12, cashing in on some last minute baskets for a victory. The first period ended in an 8 to 8 deadlock, but the last half was all Sigma Nu for the victory. Lenser, Phi Sigma Kappa center, was removed from the game with a badly twisted ankle, and the Sig Nu basketeers cracked their opponents defense for two baskets to cinch the battle. Russell "King-Kong" Thompson, best known for his football prowess, scored 10 points for the Sig Nus to take individual scoring honors.

Pi Kappa Alpha gave the other teams of the tournament something to talk about when both its teams entered the finals with comparatively easy victories, and remain favorites for the titles. In

basketball. Three of them, Baker, Rupp, and McDonald, played together for the last three years on the Grand Island quintet.

**Deltas Gain Win.**  
Delta Tau Delta barely nosed out Beta Theta Pi 9 to 8, in what started as a slow game, but ended up in a battle for points. It was the Deltas second game of the day, but they had the stamina and fight to emerge victorious in both.

At six in the evening they settled their league championship with a 12 to 6 victory over Delta Upsilon. At 7:45 they put up an unpenetrable defense to win again. Both teams missed numerous shots for points, but the Deltas had that little bit in reserve that meant the difference between victory and defeat. Yenne led the Delta Tau Delta attack with four points, while the defensive work of Howell, former Omaha Central high ace was outstanding. School led the Betas with four points.

In Class B competition Pi Kappa Alpha once again led the way with a 27 to 14 over Alpha Gamma Rho. They were never hard pressed by the rival outfit, but here again, as in the Class A game, speed and height played an important factor. With Chase, giant center, controlling the tip most of the time, and Watkins, forward, supplying the speed and accuracy, the Pi K As had an unbeatable combination. Watkins scored 12 points to carry away scoring honors, and to equal the individual scoring mark of the evening.

class A they meet the Deltas at 7:15 for the Intramural Basketball championship of the University. While Delta Tau Delta played a close game, it was their second game of the evening, and they will by no means prove easy meat for the Pi K As. The latter team has the greater group of individual stars, but the Deltas are also rangy, fast, and accurate. Howell, guard, turned in one of the best guarding performances of the evening, and should make Pi Kappa Alpha tries for the basket few and far between. Their game will be played on the main floor of the Coliseum.

**Games For Tonight.**  
The second game on the main floor will be that between Pi Kappa Alpha and Sigma Nu for the Class B Intramural championship. The Pi K As outrank the Sig Nus in speed and general accuracy, but the towering height of "King Kong" Thompson should be able to control the tip.

The consolations, determining third and fourth places, will be played on court three. Alpha Gamma Rho and Beta Theta Pi meet at 7:15 for third place in Class A, and Phi Sigma Kappa and Alpha Gamma Rho play at 7:45 for third place in Class B.

The referees of both sets of games will be Bauer and Armstrong.

# Luckies

Reach you fully packed

## THE TOBACCO DOES NOT SPILL OUT

Good tobaccos... real good tobaccos... that's the reason for Lucky Strike's fine, smooth quality. We use only the center leaves of the finest Turkish and domestic tobacco plants. Not the top leaves—because those are under-developed. Not the bottom leaves—because those are inferior in quality. We use only the center leaves—because these are the mildest leaves—fully ripe for perfect smoking. Only these choice tobaccos are used to make Luckies—so round, so firm, so fully packed—and no loose ends to spill out. That's why Luckies are always mild and smooth. That's why always "Luckies please". And don't forget—"It's toasted"—for throat protection—for finer taste.
