

CHURCH TO PILOT MUSKER TANKERS IN TODAY'S MEET

Swimmers Attempt Average One-Sided Defeat in Dual Contest.

Acting as the Cornhusker captain, Howard Church will attempt to pilot the searlet and cream splashers to a victory over the strong Iowa State team at Ames, Friday, Feb. 23.

Suffering a one-sided defeat at the hands of the Iowans with a score of 35 to 29, the Nebraska tanksters will be out for victory and many conference times will be unofficially lowered.

Dick Murphy, Iowa's big threat mark in the 50 yard, 100 yard, and the 220 yard free style in the last dual meet with Nebraska will be out to lower his marks while Bernie Masterson and Glyndon Lynde will attempt to thwart his plans.

Ken Sutherland expressed his belief that his boys would make a better showing and give the Iowans a real fighting meet. He mentioned his only possible substitution would be Benny Rimerman instead of Grossman. Rimerman will perform on the board with Harry Kuklin who has only been outpointed once in his diving career and that time against Kansas State Monday.

Church and Gibbons will be out to improve their times which have been below their standard due to

recent illness. Both are now in better shape than they were at the time of the last meet with Iowa State and will display a much better performance.

Ken Sutherland is taking the following boys to fight it out with the Iowans:

400-yard relay: Masterson, Schroeder, Easterday and Rimerman. 200-yard breast stroke: Gibbons and Galitzki. 150-yard back stroke: Church and Kuklin.

50-yard free style: Masterson and Rimerman. 440-yard free style: Easterday and Schroeder. 130-yard free style: Lynde and Masterson.

Fancy diving: Kuklin and Rimerman. 220-yard free style: Easterday and Lynde.

Medley relay 300-yard: Church, Galitzki and Lynde. Referees: Cliff Cunningham, Coach Lawrence, L. H. S., Gregg Waldo, Wilbur Knight, Bud McKride, and Announcer John Kerikedes.

NEBRASKA WRESTLERS INVADK KANSAS TODAY

Victor Hildebrand Captain Varsity Grapplers in Jayhawk Mix.

Captained by Victor Hildebrand, the varsity grapplers will invade the Kansas territory to firmly establish mark supremacy over the Kansas musclemen, Friday, February 23.

Having once trounced the Kansans, Jerry Adams' men will go as a favorite and attempt to pile up points against Mehringer's wrestlers who may pull a surprise because as Jerry said, "They are plenty tough."

Adam stated that he was well satisfied with the performances of his men and felt confident that they would emerge victorious from the mixer.

The following grapplers will take the trip to K. U.: 126 lb. class—Cummings. 135 lb. class—Stump or Speler (tryout).

145 lb. class—Wells or Rolafson (tryout). 155 lb. class—Mehring or Shirley (tryout).

165 lb. class—Eaton. 175 lb. class—Benno Funken. Heavyweight—DeBrown.

Coach Schulte's Cinder Squad Says 'Who Is Afraid of Big Bad Wildcat' As Time for Dual Track Meet Nears

"Who's afraid of the big, bad Wildcat" has permeated the atmosphere around Memorial stadium as Coach Schulte's Nebraska cinder squad took a last breathing spell before the Wildcat crew of Kansas Aggies invades Memorial stadium tomorrow afternoon at 2:30.

It will be the first indoor meet of the season for the Schultemen, and the Huskers are ready for the chance to twist the Wildcat's tail in revenge for the way the Wildcat ran over the Huskers in basketball. The Wildcat has something to say about that, however, and with London, Knappenberger, and McNeal listed in the roster of performers they are likely to have a great deal to say about it.

Nebraska participants: 60-yard dash: Lambertus, Fischer, Cockburn, Nichols, and McNeal. 80-yard dash: Lambertus, Fischer, Cockburn, Nichols, and McNeal.

100-yard dash: Lambertus, Fischer, Cockburn, Nichols, and McNeal. 150-yard dash: Lambertus, Fischer, Cockburn, Nichols, and McNeal.

TIES RESULT IN TWO VOLLEYBALL LOOPS THURSDAY

Farm House Wins League 4 Title; Pi K. A. Leads Group 2.

One league championship was decided and two more thrown into ties as a result of the final round of matches played in the coliseum Thursday night.

Farm House won the undisputed championship of League IV by winning two out of three games with Delta Sigma Phi 15 to 11; 4 to 15; and 15 to 12.

The second game was won handily by the Delta Sigma Phi sextet, but the Farm House team outclassed the Delta Sigs in the first and third games by steady playing. The third game was especially interesting, with first one team in the lead and then another until the Farm House spurred with the count of 12 to 9. They brought their total to fourteen before Delta Sigma Phi started a rally of their own and made the count 14 to 12 before losing. The Farm House sextet will represent the League IV in the finals. Beta Sigma Psi made its bid for second place with a two game decision from Lambda Chi Alpha, 15 to 6 and 15 to 11.

The championship of League I was thrown into a tie between Phi Kappa Psi and Alpha Gamma Rho as a result of the A. G. R.'s victory over the Phi Psis. The result was decided in three games. Alpha Gamma Rho winning by scores of 11 to 15, 15 to 13, and 15 to 6. A great rally after losing the first game brought victory in the second, and this victory streak was continued in the third. It was the first loss for the Phi Psis during the entire tournament and will necessitate the playing of an extra match to determine the champions. Tau Kappa Epsilon moved into second place as a result of 15 to 12 and 15 to 10 victories over Sigma Nu. The Teke sextet was never in danger after they acquired their first game, and coasted to victory in the second after gaining another lead. Sigma Nu rallies near the close of the contests evened the scores somewhat.

League III was thrown into another tie as the Sigma Chi team after beating the league leading Delta Tau Delta sextet Tuesday night, continued their quest for league honors by trimming the Sigma Alpha Mu team 15 to 2 and 15 to 10. The first game was an easy victory, but the second was closer and harder fought. As a result, an extra match will have to be played between the Deltas and Sig Chis. Delta Sigma Lambda forfeited to Kappa Sigma in the other game, moving the latter team into second place in the league.

Pi Kappa Alpha remained undisputed champions of League II as a result of their win Tuesday night, but Alpha Tau Omega finished second by winning from Phi Sigma Kappa on a forfeit, while Sigma Alpha Epsilon took third place on 15 to 4 and 15 to 6 victories over Delta Upsilon. The Thursday night games played no effect on the league champions, but were important from the standpoint of second and third positions.

The finals for the university champion will be played as soon as possible, but the champions of League I and III will have to be decided first. The play off games will most likely take place next week. Schedules will be made out and mailed as soon as possible. Final standings in the four leagues:

League I. Team W L Pct. Phi Kappa Psi 3 1 .750. Alpha Gamma Rho 2 2 .500. Tau Kappa Epsilon 2 2 .500. Beta Theta Pi 1 3 .250. Sigma Nu 1 3 .250.

League II. Pi Kappa Alpha 4 0 1.000. Sigma Alpha Epsilon 2 2 .500. Alpha Tau Omega 2 2 .500. Phi Sigma Kappa 0 4 .000. Delta Upsilon 0 4 .000.

League III. Delta Tau Delta 3 1 .750. Sigma Chi 3 1 .750. Kappa Sigma 2 2 .500. Sigma Alpha Mu 1 3 .250. Delta Sigma Lambda 0 4 .000.

League IV. Farm House 4 0 1.000. Delta Sigma Phi 3 1 .750. Beta Sigma Psi 2 2 .500. Lambda Chi Alpha 2 2 .500. Phi Gamma Delta 0 4 .000.

IT SEEMS TO ME BY IRWIN RYAN.

Coach Schulte augments his 1934 indoor track season this coming Saturday when his championship squad of last year takes the Kansas Aggie cindermen into camp for the first Big Six meet of the year. While the Schulte proteges possess both the indoor and outdoor track titles the loss of several star performers is going to handicap them in no small way as regards the future.

John Roby and Jerry Lee, both of whom are lost to the cinder Husker cause this season, contributed much in the way of points for the Scarlet last year. John Roby was an exceptionally versatile performer, securing marks in the various meets in three events, as Big Six rules prevent a man from participating in more than that number. Placing in the 220-yard dash, in the broad jump and again in the pole vault pulled the Huskers out of many a tight squeeze last year.

Jerry Lee was another all-around man on the cinder outfit. Lee, running the 220 as his specialty, also contributed markers in two other events. With Roby he used the broad jump as a means of getting points and again like Roby he went up in the air in his third event. However he used leg power only, neglecting the use of a pole, and was usually good for points in the high jump.

Thus the loss of these two men, who did the work of six, plus the fact that Don Gray, Husker broad jumper, who holds the Big Six record, will not be with the Scarlet this year, furnished the home cause no little concern. A formidable array of markers is lost by their absence.

However, the outlook is not too gloomy. While it is true that several departments are weakened by heavy losses, it is also true that other departments are strengthened by new material. The pole vaulting event is an excellent example of illustrating this fact. Carl Nichols, freshman who startled Husker fans last year by soaring over the bar at 13 feet even, is again in the Schulte ranks and promises to continue the pace set in his freshman year.

Incrementing the gains supplied by Nichols another vaulter is back in the folds. Orlin Dean, two year letterman on the Schulte outfit who has been out of school for a time, has returned. Dean has won numerous laurels performing for the Husker track squad. He placed first in a Big Six meet several years ago and has always been a source of points to the team.

Then the performances of Heye Lambertus and Glenn Funk give a good reason for optimism in these quarters. Lambertus is expected to go places this year, having been unfortunate enough to stumble in the Big Six hurdle race last year. Also Heye is expected to capture more than one 100-yard dash event during the season.

Glenn Funk is the most rapidly improving man on the Schulte cinder team. Starting when he first entered Nebraska with the time-around five minutes for the mile he has cut and shaved it down around 4 minutes and 28 seconds. So far this season he has turned in faster time than any other miler in the Big Six with the exception, of course, of Glenn Cunningham. Funk is equipped with an exceptionally powerful body and the strength and endurance of his legs offer much in the way of hope for the future.

Ken Lunney will Lead Team In Game Against Iowa State Cyclones.

With three Husker cagers playing their final Big Six conference tilt for the Nebraska cause the Scarlet hoopsters engage the Iowa State Cyclones Saturday at 8 o'clock in the coliseum. Leading the squad will be Kenneth Lunney, star forward on the home quintet. So far this season Lunney has accumulated a grand total of 70 points in Big Six competition and ranks fifth in individual scoring honors.

Other seniors participating in their last conference game are Paul Mason and George Scott. Mason was with the team both former years and has held down forward and guard posts alternately. In his sophomore year Mason was considered as one of the best guards in the conference.

George Scott hails from College View. Taking over the pivot post earlier this season Scott held it down until Cople's return. Since that time Scott has been relieving Sorenson at the center position.

In taking on the Cyclones the Huskers will be meeting a vastly improved team from the time since they last met. In their battle at the opening of the season the Brown team managed to nose them out of a win in an extra period melee. However, several weeks ago the Iowa State basket flippers managed to down the Oklahoma Sooners and as a result the McDermott men have been having a very difficult time trying to re-establish themselves in the title race.

Coach Browne indicated Thursday that his starting lineup would present Henry Whitaker and Kenneth Lunney at the forward posts, Harry Sorenson for the pivot position, and Harvey Wildman and Bud Parsons, guards.

FORDHAM. In the all-American selections made by the Fordham Ram, Fred Crawford was listed at one of the tackle berths with Rosequist, of Ohio State, on the first team, while Tom Rogers was listed with Borden, of Fordham, on the second team at end.

NORTHWESTERN. A new run row area has been set up around Northwestern university, covering a four mile circle around the campus. The Four Mile Limit league of Evanston has been reorganized, and officials of the university intend to enforce the law to the letter.

WISCONSIN. An Oxford accent is not affection, according to Prof. Robert West, of the department of speech pathology at Wisconsin. Maybe not; but we would like to know why it is a man can leave this country with a southern drawl one year and return with an Oxford accent the next.

'Government Would Deny Citizenship To Christ'—Inglis

"If Christ were to come to the United States and make application for citizenship it would be denied to him by the government," said Rev. Irvin Inglis in a lecture "The New Patriotism" before a meeting in the Central Y. M. C. A. recently.

"The teachings of Christ were those of pacifism," he said. "His doctrine was love thine enemies." "The reason that the Christians were persecuted in Rome," he said, "was not because of their religion but because they refused to give their first allegiance to the emperor and the second to their conscience and God."

The trend of the government has been against the principles of the founders of it, he said. Reverend Inglis referred to the decision of the supreme court refusing to grant citizenship to aliens because they would not agree to fight in war for the United States regardless of the cause or place.

"Many of them," he said, "agreed that they would fight in the event of actual invasion. This decision," he said, "is by inference denying the citizen the right to let his conscience guide him as to what policy is best for the country."

"The theory of the founders of our government was that a man owed two loyalties to his country. The first loyalty was to his conscience and the second to the government. This government was unique in this policy at that period. Reverend Inglis' lecture was the third in a series of four lectures sponsored by the Y. W. and Y. M. on topics of current interest. The potential value of movies will be

the topic of the lecture Tuesday, Feb. 27. The first lecture "The New Dollar" was given by Professor Karl Arndt; the second, "The Situation in Germany," by Professor Werkmeister.

DE PAUW. "Only when men begin to love do they begin to see," said Dean William M. Blanchard, of De Pauw university, recently. As sorry as we are to contradict Dean Blanchard we would call his attention to the temporary visual aberration that usually precedes marriage.
