The H tracksters overcame a hundred point lead piled up by the M boys after the first two weeks of competition, and won first place by a margin of only 10 points. The final score was 5,115 for Company H and 4.105 for Company M. Jack McGarraugh made the best

The new champions who guided the bullets are Funk, Boyd, Dunklau, Davison and Fleishman. Sergeant C. F. McGimsey beamed with apprecia-tion like a farmer boy after a Sat-urday night bath and reported that the way his boys were shoot-ing, a low score was as out of place as a high school boy with a derby and a big black cigar.

Glenn Funk, Cornhusker miler, crowded John Boyd out of first position in individual high scores by hanging up a new record of 381 at the four positions, prone, sitting, kneeling and standing. Funk has been getting his stride this season in both track and marksmanship and will try to set the pace in these two fields throughout his college career.

Three Men on Injured List With Event Set for This Saturday.

Coach Schulte is anything but jovial these days as he contemplates the prospects of his track quad in the Big Six Indoor meet be held at Columbia, Missouri, March 2 and 3. The "Indian" has cause for

worry. Three of his stellar per-formers are on the crippled list, and the chances Nebraska has of winning the meet rests largely with these three.
