

MARKS TOPPLE AS LINCOLN MERMEN COP STATE MEET

Red and Black Tanksters Capture All But One Event Saturday.

Led by Burt Amgwert, who captured the 50 and 100 yard free style events by shattering the former state records, Lincoln mermen established their tank supremacy in an unofficial Nebraska state swimming meet at the coliseum pool, Saturday afternoon, March 24, with a total of 59 points, to be followed by Beatrice with 24, Hastings with 16 and Fremont with 7.

Pete Hagelin, backstroke artist, lowered the state mark in his 100 yard backstroke to the new time of 1:07.8 to be followed by Dunn of Beatrice, Ager of Lincoln and Kully of Hastings. Hagelin led the field all of the way and finished with room to spare.

Lincoln blazed the way with seven first places out of eight events losing only the 200 yard relay to Beatrice in the first event of the meet.

Finishing in one, two, three order Gartner, Jensen and Dobson of Lincoln led Zinn of Beatrice to the tape, in the 100 yard breast stroke.

Amgwert Takes 50.
Amgwert set a fast pace to capture the 50 yard free style and was followed in close order by Younger, Hastings, Dort, Lincoln and McGirr of Beatrice. Amgwert was timed at 25.5.

In the 200 yard free style sprint, Krause, set the pace to beat Elliott, Beatrice, Smith, Hastings and Zatterson of Lincoln to the ledge in the time of 2:41.

As was predicted, Hagelin unofficially hung up a new record in the 100 yard back stroke to the tune of 1:07.8 and was ahead of a fast field made up of Dunn, Beatrice, Ager, Lincoln and Kully of Hastings, who finished in their respective order.

"Bullet" Amgwert easily annexed first place honors in the 100 yard free style event in the time of 26 seconds which also replaced the

mark set up last year. He led Younger and Zatterson of Hastings and Lincoln respectively, to the finish.

Capture Diving.
Giving a flashy performance, McDowell and Jones, of Lincoln, finished first and second respectively in the fancy diving event. Legate, Beatrice and Foote of Hastings captured third and fourth place berths.

Jumping to a quick lead, the Lincoln relay team finished first in the 150 yard medley relay to be followed by Beatrice, Fremont and Hastings. The Lincoln boys swam the event in 1:35.2.

Coach Lawritsen of Lincoln expressed his satisfaction in the outcome of the splash and remarked that he enjoyed every event as some very fine material made up the visitors' challenging representatives.

The Lincoln coach also commented upon the systematic manner in which the meet was conducted by the members of the varsity splashers under the leadership of Bernie Masterson and Harry Kuklin.

Meet Unofficial.
Since this meet was not an official, state meet but merely an invitation meet in which all state schools were invited, none of the records set will be officially recognized.

Results:
200 yard relay: First, Beatrice, (Legate, McGirr, Wilson and Elliott); second, Lincoln, (Farrns, Lansing, Cherout, and Dort); third, Hastings, (Dempsey, Stiner, Kohl, and Smith); fourth, Fremont, (Bodell, Harvey, Conklin, and Hansen). Time 1:52.8.

Total points: Lincoln, 59; Beatrice, 24; Hastings, 16; Fremont, 7.

NEW KAGGIE MENTOR TAKES REINS MONDAY

Waldorf Greets Gridsters at Opening Spring Grid Practice.

MANHATTAN, Kas., March 23.—A squad of more than fifty will answer Coach Lynn Waldorf's first call for spring practice here Monday, March 26. The new Kansas State head coach will put in a strenuous week-end, assisting Coach A. A. Ekendine of Oklahoma A. & M. in a long practice on Saturday, arriving in Manhattan Sunday, and starting on a four-week drill Monday.

Only eight letter men, the smallest number in many years, will be back for the 1934 Kansas State team. Waldorf's success in a hard nine-game schedule thus will depend largely on performance of his sophomores and the veterans who did not letter.

Fortunately last fall's freshman squad was one of the best in recent years, and 29 of the 30 men receiving numerals still are in college.

Bus Mills, who began his baseball career as an outfielder on the "Jap" Haskell's Oklahoma baseball team, is now in the thick of the fight for an outfield job with the St. Louis Cardinals.

Signals were called by Williams and Bauer for the most part, but by Douglas and Turner alternating. LaNoue, another signal-caller, was used as a wing-back during the drills. Review on the single wing-back plays, studied two weeks ago and the double wing-back plays subject of last week's work, was held.

Passing plays were discussed, and will be stressed in next week's drills.

Pictures of last year's eleven demonstrating the plays were shown, in order that the men might see their positions played properly.

LAMBERTUS SETS NEW LOW HURDLE MARK AT BUTLER

Husker Ace Steps Timbers In 6.7 to Shatter Own Record.

Heye Lambertus, ace Husker hurdler, cracked the world's record in the 60 yard low hurdles at Indianapolis in the Butler Relays Saturday night, running the low sticks in 6.7 seconds, one-tenth of a second under the world record which he recently set in New York and tied in the Big Six indoor meet.

The Gothenburg speed king won handsily from a large field of the best hurdlers in the nation. Sandbach of Purdue finished in second place, and another Big Six star, Knappenberger of Kansas State was third. White of Ohio Wesleyan won fourth position.

Lambertus's time was the only world record broken during the course of events, despite the fact that internationally known athletes participated. Cunningham was the only other Big Six winner, spurting at the finish to take the mile from Sears of Butler by a fifteen yard margin. Cunningham's time, 4:17.9 minutes was slow compared with his recent performance in New York.

Huskies Lose Out.
Adolph Dohmann, Nebraska high hurdler, qualified for the finals but failed to place. The relay team, composed of Jim Storey, Glenn Funk, Francis Ayres, and Howard White, also failed to place, but the Husker trackmen took third in the university medley relay, in which the 440, 880, 1320 and mile were run.

Hall, another Jayhawk athlete, was second to Ward of Michigan in the 60 yard dash. Ward tied the relay record of 6.2 seconds in winning the 60 yard dash.

Kansas State Teachers College, of Pittsburg, Kansas, won the college two mile relay in 8:11.2 minutes.

Elwyn Dees, star Jayhawk shot-putter, tied with Cook of Illinois in the shot put, each heaving the lead 48 feet 7 3/4 inches for a new relay record.

BAD WEATHER AGAIN FORCES INDOOR DRILL FOR HUSKER GRIDMEN

Holmbeck, Reserve Lineman in 1931, Reports Friday To Bible.

Once more forced indoors by the weather, a group of Husker gridmen had to forego the scheduled scrimmage and work out under the stadium Saturday afternoon.

Only a handful reported to Coach Bible for the practice session, which was occupied mostly in aerial drill and calisthenics. The practice game will take place as soon as the weather permits.

Another former letterman returned to the squad Friday afternoon, as Harold Holmbeck, reserve lineman on the 1931 team, appeared for the session. The Beatrice athlete, who weighs over two hundred pounds, will return to school next fall and will be eligible for competition.

Scrimmage Saturday was out of the question under the stadium, and only light blocking drills were engaged in. Two men comprised a blocking team, and worked against each other with dummies forming the rest of the line. Various types and manners of blocking were drilled in.

Signals were called by Williams and Bauer for the most part, but by Douglas and Turner alternating. LaNoue, another signal-caller, was used as a wing-back during the drills. Review on the single wing-back plays, studied two weeks ago and the double wing-back plays subject of last week's work, was held.

Passing plays were discussed, and will be stressed in next week's drills.

Pictures of last year's eleven demonstrating the plays were shown, in order that the men might see their positions played properly.

ORD CAPTURES STATE MAT CROWN SATURDAY

Rokeby and Lincoln Only Other Schools to Enter Tourney.

Grapplers from Ord, Neb., piled up a decisive margin to win the Nebraska state invitation wrestling matches on the coliseum mats Saturday afternoon, March 24, sponsored by the university board of athletics.

Showing their wares before a good-sized crowd, the musclemen offered a fairly interesting exhibition despite the fact that many of the entries failed to appear and Lincoln, Ord and Rokeby were the only cities to send their grunt and groan artists.

Occupying the spotlight, Dick Hughes, Ord, flopped Stewart, Rokeby, in 52 seconds for the quickest fall of the meet.

With varsity wrestlers officiating under the direction of Jerry Adam, bouts were run off in quick succession, and Ord finished first with 33 points, Rokeby second with 13, and Lincoln third with 9 tallies.

Glamour Gone.
The inexcusable poor showing of other Nebraska schools in not accepting the invitations of the university took away some of the sparkle and glamour which usually accompanies a mix of this nature.

Results of the finals:
105 pound class: Campbell, Ord, was awarded a decision thru a forfeit over his St. Paul opponent who failed to appear.

105 pound class: Dick Hughes, Ord, flopped Stewart, Rokeby, in 52 seconds with a half-Nelson and Crotch hold.

115 pound class: Carlson, Ord, took a fall out of Schneider, Lincoln, with a reverse wrist lock, barred arms and a body press. Time 1:52.

125 pound class: Haskell of Ord defeated Damrow, Rokeby, with a crotch hold and a half-Nelson in 5:02 minutes.

135 pound class: Gene Clair, Lincoln, pinned Adam Dubas, Ord, with a half-Nelson and body slam in 2:52 minutes.

145 pound class: Dean Marks won on a forfeit.

155 pound class: Henry Neilson, Ord, mastered Paul Schneider, Lincoln, with a body chauncery and half-Nelson. Time 5:15.

165 pound class: Jones of Ord captured the state title thru a forfeit (Ord).

Heavyweight class: Richard Schrader, Rokeby, was awarded the decision thru the medium of a forfeit.

Owing to the fact that this was a state invitation meet, all winners of the various classes will be recognized as state champions.

SPORT STATIC

By ARNOLD LEVINE

Introducing, ladies and gentlemen, a new feature of the Daily Nebraskan's sport page.

Old Man Weather has spoiled the Husker gridmen's hopes of outdoor scrimmage twice now, seeming to have some personal grudge against the Scarlet and Cream. Coach Bible's plans for Saturday games have all been frustrated by what we like to call Nebraska weather. The Husker mentor has been forced to remove his proteges to the warmer confines of the stadium, while not only a limited amount of work can be done. Signal drills, chalk talks, and pictures have occupied the time of the gridmen.

That it does not take lack of brains to produce a good athlete was proved by Jim Storey, stellar Husker trackman, who broke all old traditions about an athlete's inherent dumbness by earning a Phi Beta Kappa key. Storey is a miler, two miler, or half miler, as the occasion demands, on Coach Schulte's cinder squad, and was one of the four chosen to represent Nebraska as a two mile relay team in the Butler relays.

Coach Bible has two centers working with the varsity eleven on the gridiron, just in case Franklin Meier, All Big Six selection, gets hurt, as happened in the Kansas game last year. Willard Horschem has been acting as chief understudy to Meier, and fills the position remarkably well. While not as big as Meier, he is leaning accuracy at passing, and plays a good defensive game at backing up the line. Owen Rist is the third varsity center, and the largest of the trio, tipping the scales at 190 pounds.

Beef won't be lacking in the Husker line next fall. Five tackle candidates, three of them freshmen tip the scales over 200 pounds and all of them are aggressive and capable to play regularly. Ends are larger than last year, the guards are larger, and, in general, the whole line seems to have assumed the proportions of weight that opponents have always feared.

Another addition has been made to the returning veterans who will be eligible for competition next fall after having lain out for several years. The athlete in question is Harold Holmbeck, Beatrice youth, who was a reserve lineman in 1931. He tips the scales at over 200 pounds, and is going to provide plenty of competition for the present linemen.

The beef in the backfield will be centered in two freshman backs, Lloyd Cardwell and Sam Francis. Each weighs over 195, and is speedy as well. Cardwell is a star track man in the hurdles and dashes, while Francis is a power in the shot put. The left handed Kansas youth is the national high school shot put champ, and passes and kicks left handed and left footed. The varsity backs are rather light but speedy. Benson and LaNoue are two of the speediest men in the varsity backfield, but don't weigh as much as the freshmen backs.

Ron Douglas, former Crete star, has looked good among the frosh as a quarterback. Playing this position on Pop Klein's eleven throughout three years of high school, he has developed a knack of calling the right play at the right time, and is good at running back punts and snagging passes as well. Douglas, Williams, Bauer, and LaNoue have been used as quarterbacks, with Williams doing most of the calling for the varsity and Bauer the major part of the work for the frosh.

Bauer and Francis are two of the most accurate passers on the

team, with the small-but-mighty Bauer leading the way. Williams and Skewes have taken a hand at the art of flipping the pigskin, but lack the accuracy of the former two backs.

Johnny Howell and Johnny Williams look best at backing up the line and have been used at this position for the past week. Francis, who backed up the line for the frosh last year, has been unable, as yet, to take a hand at this.

Bud Parsons, Lloyd Cardwell, Bob Benson, Jerry LaNoue, and Ronald Douglas look best at the wingback positions. Each is speedy and a good broken field runner. LaNoue and Parsons starred last year, and Benson led the reserves when they entered the game. They are especially suitable to the Nebraska style of play, as speedy wingbacks are called for continually.

All in all, Coach Bible is going to have a heavy, fast team next fall, although the majority of candidates will be inexperienced. The coming sophomores will be used a great deal, especially as reserves, but may form a team of their own. Nebraska will present another strong football team for the rest of the Big Six schools to deal with.
