YESTERDAY CERTAINLY SEEMED to be the occasion for initiations, with four fraternities and one sorority holding ceremonies. Banquets both here and in Omaha followed, as well as numerous house parties. Today, although the weather still isn't any too "springy," some of the more hardy pioneers are planning picnics and there are a number of suppers scheduled for the rest. It seems that the arrival of the snow immediately after the beginning of spring upset numerous plans for the entire week end and had every-
