LEADS IN SPRING SHOW ASSIGNED TO SAUER, BAILEY

Two Men Will Carry Parts Of Campus Cop and His Fiancee.

BOTH IN PREVIOUS PLAYS

Rehearsals Are Progressing Favorably, Director Yenne Says.

George Sauer and Art Bailey will take the leading roles in "The Campus Cop," Kosmet Klub's spring musical comedy scheduled for production the last week of this month, Herb Yenne, author and casting director of the show, announced yesterday afternoon.

Announcement of the leading parts in the play has been withheld while numerous applicants were given trials in those roles. Yenne said, but the final selection was made only a short time ago. Both Sauer and Bailey have had parts in previous Kosmet Klub shows.

Plays Campus Cop.

Sauer, All-American fullback and member of the cowboy chorus in last year's show, "The Bar-Nothing Ranch," will play the part of Joe Willis, the campus cop, who is an ex-football player, expelled from school for scholastic reasons.

Playing opposite him will be Art Bailey, who also played the leading female role in last year's show. Bailey will play the part of Betty, campus coed, temporary fiancee of the campus cop and a favorite of members of the football team.

Yenne said that both of the leading characters in the show had learned most of their parts and that rehearsals were progressing very favorably. Rehearsals of different units of the show are held every day. One full rehearsal has been held so far, and others are planned in the near future.

YW OBSERVES GOLDEN ANNIVERSARY MAY 6

Commemoration Program Includes Breakfast and Pageant.

In commemoration of its fiftieth anniversary, the Y. W. C. A. is planning a May breakfast and a pageant to be held in Carrie Belle Raymond Hall, Sunday morning, May 6. Mrs. Louis Brown, a Nebraska graduate, is in charge of the pageant which will depict the past, present, and future of the Y. W. C. A. and will be assisted by Adele Tombrink and Sarah Louise Meyer.

The pageant will be presented after breakfast in the ballroom of Carrie Belle Raymond. Invitations to all former cabinet members and all interested alumnae are being sent.

The Y. W. started out as a prayer group and used to meet in the basement of University Hall in 1884. About 1912, it moved to the Temple, and when Ellen Smith Hall was purchased for the women's building in 1918, it became located there.

INTERCLUB MEMBERS PLAN BALL TOURNEY

BOARD OF REGENTS TO DETERMINE ACTIVITIES TAX FATE THIS WEEK

Student Council Committee Will Present Report Next Meeting.

The student activity tax committee by Byron Goulding as chairman is now at work compiling a comprehensive report on the proposed plan to be submitted to the Board of Regents this week, it was announced Saturday. The decision of the governing board will determine the fate of the blanket tax plan which has been hanging fire for over a year.

Introduced Last Year.

The plan of a general tax to cover all major student activities was introduced last spring following the form of similar plans in other universities. A student vote was taken last spring favoring the proposed plan, but was later dropped and never reached the Board of Regents. The idea was revived with the taking of a poll of student opinion at the time of a comfortable majority of 1,255 to 736, favoring, however, only two of the suggested items, the athletic ticket and the Daily Nebraskan.

To Study Records.

Before submitting the final report the committee will study the business records and histories of the organizations so as to present an unbiased report to the board. If the blanket tax is accepted the athletic ticket will cost fifty cents a semester. The Cornhusker was also included on the ballot in January but because of the several alternate schemes offered a sufficient majority was not obtained. The humor magazine, the Awgwan, which was listed at sixty cents a semester, also lost out in the general student poll, the proposed student union fee of ten cents meeting the same fate.

Student Council opinion seemed to be that the year book lost because of the confusion over the several plans submitted, and because of the adverse freshman and sophomore vote.

SPRING ELECTION PARTY PLATFORM OF PROGRESSIVES

The Progressive Party submits the following platform to the students of the University:

1. The Progressive party stands for honesty in student government. We feel that unquestionable honesty is particularly important in the conduct of campus elections. Student government can never function at maximum efficiency nor can it have the support and trust of the student body as long as there is suspicion, distrust or actual malfeasance in the conduct of elections. Regardless of whether or not dishonesty has occurred in the conduct of elections by the existing government, we feel that an adequate safeguard must be established to check all suspicion and doubt concerning the conduct of elections. We pledge ourselves to the erection of a faculty committee to actively supervise all student elections whether these elections be for the regular political or honorary offices.

2. The Progressive party demands virility and true representation on the part of student officers. We promise that any candidate elected under the Progressive banner shall be held strictly accountable to the party and to his duties. We advocate more potent and stringent methods of recall for cases of laxity in office.
3. The Progressive party deprecates the incessant political maneuvering and "wire pulling" practiced by the aspirants to the senior honorary societies. We pledge ourselves to support all methods of reorganization of student government which will tend to minimize this very cogent evil.

4. The Progressive party deprecates all political combinations among student organizations, and which attempt, by understandings and compromise to monopolize and control any phase of campus politics and elections. We promise to take active measures to expose such combinations and destroy this evil.
5. The Progressive party stands consistently for progress in campus life. We believe that the time has come when economic conditions and the state of many campus activities demand the establishment of a suitable student activity tax plan. We pledge ourselves to the erection of a tax plan which will remedy the defects as found in these plans already presented and, at the same time, introduced.

BARBS ANNOUNCE ADDITIONAL TIME FILING DEADLINE

Extension Gives Opportunity Larger Number File for Council Posts.

HOLDOVER LIST REVISED

Candidates Must Turn Names In at Coliseum by Noon Monday.

Deadline for Barb council filings has been moved up to Monday noon. The extension was made in order that barbs wishing to be members of the council, and who have not yet filed, may apply for membership. Applicants are to file at the Student Activities office in the coliseum.

In way of explanation of the extension, Burton Marvin, chairman of the council, stated that he felt council elections had not been publicized enough, and that an announcement of filing opportunity made at the All-University party Saturday evening would inform more people desirous of applying.

Revise List.

The list of hold-over members which was announced in the Friday edition of the Daily Nebraskan has been revised because of withdrawals and ineligibilities. The seven hold-over members definitely named for next year are Marjorie Filley, Alvin Kleeb, James Marvin, Margaret Medlar, Evelyn Diamond, Charles Rochford, and Irwin Ryan. The total membership of the council is eighteen, thus meaning that there are eleven people to be elected at the polls Tuesday.

Positions open are two for graduates, three for seniors, three for juniors, and three sophomores. The classifications are those of next year.

The function of the Barb council is the conduct of All-University parties. Seven of these parties (Continued on Page 4.)

MORTAR BOARDS CALL FOR LOAN APPLICANTS

Junior Women Eligible For Two Awards of \$50 Each.

Two loans of \$50 each to be awarded outstanding junior women in the university, were announced Saturday by Jane Boos, member of Mortar Board, women's senior honorary organization, which is making the awards.

Applications for these loans must be filed with Mrs. Ada Westover in Ellen Smith Hall before April 14. Juniors applying for these awards will not be considered if they have outstanding delinquencies. Selection of the two winners will be made on the basis of service, need, scholarship, and character.

These loans must be paid back in full within two years after the student is graduated. Interest of 4 percent will start in June of the year the winners are graduated. Women receiving these awards will be selected this spring and notified at once. Full amount of loans will be presented in the fall of the girls' senior year so that they can be used toward payment of tuition fees.

This is the third year Mortar Board has made scholarship loans.

FOLLIES FEATURE CONTRAST OF OLD AND NEW STYLES

Sororities Present Original Skits Before Pageant of Fashion.

TWENTY WOMEN MODEL

Revealing of Best Dressed Girl Comes as Climax To Affair.

Featuring a contrasting of fashions, old and new, climaxed with the presentation of the "Best Dressed Girl," the A. W. S. will present its annual Coed Follies in the Temple theater on Tuesday, April 3, at 7:15 o'clock.

Ten original skits by sorority groups will precede the pageant of the modes. The Kappa Delta curtain act promises to be the most novel of all, perhaps, altho the Delta Zeta impersonations and Carrie Bell Raymond hall instrumental acts should be unusual. Clever comedies are to be presented by Kappa Alpha Theta and Alpha Omicron Pi, the latter offering "A What-not Shop." Phi Mu, Pi Beta Phi, and Delta Gamma will feature dancing acts, and musical numbers will be presented by the Alpha Phi trio and Sigma Alpha Iota.

Best Dressed Girl.

The "Best dressed girl," elected by the A. W. S. board on March 28, will be introduced in a striking manner as the grand climax of the sororities. Candidates for the honor are: Arlene Bors, Delores White, Elfrida Staus, Eleanor Worthman, Elizabeth Whitney, Georgia Nelson, Josephine Reinhold, Priscilla Eiche, Evelyn Foster, Lois Brehm, Kathleen Long, Alice Krapp and Maxine Rutledge.

Of the forty-three girls applying for positions as models in the style review, twenty will be selected at the dress rehearsal in the Temple theater between two and five this (Continued on Page 4.)

ASK STUDENT OPINION ON ECONOMIC CHANGE

R. B. Vale, Political Editor, Sends Questionnaire to Lee Young.

100 SCHOOLS COVERED

Nebraska students opinions concerning economic changes now in progress were asked for in a recent letter to Lee Young, president of the senior class, by Robert B. Vale, political editor of the Philadelphia Daily News.

A list of the questions for which Vale wants general answers are as follows:

1. Does the student body regard government control of industry, (manufacturing, agriculture, finance, merchandising, etc.) as sound permanent policy or as a temporary move to be used only in a national emergency?
2. Does the student body regard it as calculated to restrict or encourage youth?
3. Do your associates feel that the future holds as much for them under a controlled social state as under what has been termed the individualistic system?
4. Have the recent national policies or the possibilities of extension of control caused any changes in the plans of your associates or created any sense of doubt as to their future?

Identical communications were sent to approximately 100 class presidents in widely scattered sections of the country. It is Vale's intention to prepare an article for publication based upon the replies received.

FACTION WAR CLOUDS HOVER OVER CAMPUS IN WAKE OF ELECTION

Parties Seek Justification At Polls as Finish Fight Looms.

Political war clouds hover over the campus today as Nebraska political factions prepare for what promises to be one of the closest and hardest fought spring elections in several seasons on Tuesday. Concentrated efforts are being made by both factions to stage an overwhelming victory and strike a decisive blow at their opponents.

Some idea of the battle's aspect may be had from the high total of fifty-five who have filed for student council, publications board, and Ivy Day orator, and which apparently indicates that student council offices have taken on greater importance.

Togas Lead in Holdovers.

The Green Togas were off to a lead in the race for a council majority next year when the student council elected three Green Togas to one Progressive as holdover members of the council Wednesday. Progressives must carry eight of the thirteen male council positions in the election to gain an equal footing with Green Togas in the council, and without opposition in Teachers college, apparently have one office already.

Rumors of dissension within both factions were rife on the campus throughout the past week as keen competition developed in faction races for nominations. Threatened splits have failed to materialize to date, however, and members of both parties seem solidly arrayed behind their faction slates.

Seek Justification.

Members of both factions are looking to the election Tuesday as an expression of student opinion justifying policies advocated in effect, if not openly, by both parties, throughout the year. Furthermore, Tuesday's balloting will give the first indication of the relative strength of both parties which were formed only last fall when (Continued on Page 4.)

PLATFORM OF THE GREEN TOGAS FOR COMING ELECTION

The Green Toga, selecting its candidates upon the already proven abilities of these nominees, and appealing to the students not on the basis of a slogan contradictory to the purposes of political organization, but rather with a belief that the student body will cast its vote of approval for the better of the candidates presented, submits the following platform for your approval:

1. The adoption of a blanket student activities tax, bringing all extra-curricular features of the school to the members of the student body, at a great reduction in cost.

2. The adoption of the pending amendment to the constitution of the student council, which will increase the number of experienced members on that organ of student government.

3. The advancement of all other such proposals as may, during the coming year, be adjudged as to the benefit of the best interests of the student body, and

4. Cheaper accommodations for down-town parties, to be accomplished by the use of the coliseum for joint parties or by lowering of the rates charged by down-town firms.

5. Nebraska, the best student government in the middle-west.

The Green Toga political faction was formed last fall as a direct result of the secession of some nineteen fraternities from the internally corrupted political machines of the old Blueshirts and Yellow Jackets. The aims of the organization are to sponsor and encourage as far as possible, student participation in those extra-curricular activities sanctioned by the Student Council. The member fraternities of the faction are Sigma Chi, Lambda Chi Alpha, Sigma Alpha Epsilon, Phi Kappa Psi, Beta Theta Pi, Delta Tau Delta, Phi Sigma Kappa, Tau Kappa Epsilon, Zeta Beta Tau, Phi Kappa, Beta Sigma Psi, Delta Sigma Phi, Delta Theta Phi, Alpha Gamma Rho, Delta Sigma Delta, Alpha Tau Omega, Phi Delta Theta and Delta Upsilon.

We ask that you compare our candidates with those of the opposition groups, and vote for the better of them. We feel confident that the honest, sincere attempts of the Green Toga faction to nominate for office the most outstanding
