

# TWENTY HUSKERS REPORT AT FIRST BASKET PRACTICE

### Five Scarlet Lettermen in Squad as Spring Drill Gets Under Way.

Twenty aspirants for the 1934 Husker basketball team reported to Coach Browne Monday afternoon for the opening session of spring practice.

Conspicuous among the Scarlet and Cream basketballers were five lettermen of the 1933-1934 team, as well as a bevy of frosh stars.

Coach Browne will be able to send an all veteran quintet on the maples next fall, with lettermen Dwight Loder, Waverly, and Henry Whitaker, St. Joseph, Mo., at the forward positions, Harry Sorenson, Hardy, at center, and Bud Parsons, Lincoln, and Harvey Wideman, at guards. Four of these men are sophomores, and the fifth, Parsons, a junior. Parsons was a regular guard throughout the entire season last year. Widman broke into the lineup after the second home game and maintained his place as a sophomore guard sensation for the remainder of the season. Whitaker reported to the squad at the end of the first semester, and was high point man during every game he played. Sorenson took over the regular center position after the graduation of Cople at midyear, and was regarded as one of the bright lights of the team. Loder played a reserve forward throughout the season.

One of the strongest frosh basket teams in recent years presents a number of stars who will be eligible for varsity competition next fall. Prominent among these hopefuls are Lester McDonald, Grand Island, center, better known for his prowess on the gridiron; Bill Rupp, another Third City star, guard; Wayne Schammel, Lincoln, center; Howard Baker, Grand Island, forward; Albert Hopp, Hastings, forward; Leland Hale, Lincoln, forward. Holdovers and members of the "B" team include: Henry Marsden, Lincoln, forward; Marion Scott, Lincoln, center; Don Durfee, Greybull, Wyoming, guard. Russell, "King-Kong" Thompson, Whitney, is trying out for a center position.

Spring sessions will continue two weeks, during which time the Husker basketballers will study fundamentals and offensive and defensive tactics. Monday afternoon was spent in a fundamental drill and a chalk talk on defense. Plays will be introduced later in the season and scrimmage games will be held. "Our spring practice sessions will prove very valuable to us next fall," stated Coach Browne, "with a full team of lettermen returning prospects for a successful team seem fairly bright, and spring practice will enhance this."

## Tween U'n Me

Churning up the green depths of the coliseum pool to hang up five new records, the mermen from Golden Gate and Lincoln put on a real show. Our old standby Bernie Masterson showed his heels to all competition in the 50-yard free style event and covered the distance in the record time of 24.7. Bernie grabbed an early lead and maintained it thruout the event.

Powerhouse Thornton led a fast field to the finish mark in the 100-yard breast stroke to annex another first place for the Cornhuskers. Thornton trained hard before the meet and really turned in a good performance against the famed Californians.

Possibly the most unusual bit of swimming occurred when Weatherbe of Golden Gate gave Pete Hagelin of Lincoln a 45 second handicap in the 440 free style. Pete got off to a good start and had covered about two and one-half lengths before the husky westerner hit the water. Weatherbe swam hard every inch of the way and was beaten to the finish by a few precious yards. He chalked up the time of 5:15.4 against Hagelin's 5:59. Hagelin was hitting it up, but he just didn't have the stamina of his victor who is rated as one of the greatest free styler in the country. Pete is a backstroke artist holding the state championship for the past two years so his prowess in the field of swimming cannot be denied.

The only pitiful thought, in addition to the All Stars 36-22 defeat, was the fact that only about 300 spectators had the opportunity of witnessing this great exhibition. This mediocre attendance was due not only to the fact that many other social events crowded Saturday night, but also a poorly organized advance selling campaign by the Tassels.

With the recent grappling matches between Ag college and city campus wrestling classes offering a spectacular grunt and groan exhibition, great things are expected of the numeral wrestling meet in which all musclemen who have not received letters will show their wares in an attempt to establish their mat supremacy. Jerry Adam, predicted that Wednesday all spectators would witness a hotly contested mat struggle.

It seems that Loren Simons, Speier, Meckem, and other Nebraska entries for the National A. A. U. grappling matches were declared null and void by the Nebraska board of athletics. This action was based on a rule which states that in order for any student

of the University of Nebraska to partake in any amateur event, he or she must be qualified to be a member of the varsity team representing the school in the chosen event. All of these individuals are caught by this rule, but they will probably unloose their wrath upon the other participants in the numeral meet.

It is rumored that the dreadful

plague of ineligibility has infected the ranks of our leather slingers, and unless steps are taken substitutes will be demanded from the envied ranks of honor students. Harold Ostran may conduct a school for boxers unless someone can inoculate his men and render them immune to the dreaded germ.

The sinister guns of the rifle club are now quiet and the activity will not be renewed until the snap of next fall wakes up the big shots and the traditional bullseyes loom before them on the range at Andrews' hall.

Baseball was started last week

when the Cornhuskers split a doubleheader with the Kaggies. After losing to the tune of 12 to 4 in the opener, the slugging Scarlet and Cream diamond men turned tables and outplayed, outpitched, and outslugged the Wildcats who were the victims of five costly errors. On the previous mixer, the Nebraskans were defeated by the same fateful number of slips. It isn't a case of getting most hits, but instead, of getting the least errors.

Old Slugger Graham, guarding the initial sack for Nebraska, and Bullet Orcutt of fly-snaring fame, leanned on the little, white sphere to account for three hits apiece. Both boys were good with the stick while the rest of the nine bunched their hits to annex the victory.

## HUSKER CINDERMEN FOCUS ATTENTIONS ON KANSAS RELAYS

Schultemen Meet Country's Best Track Stars Saturday.

With the Kansas dual meet safely behind them, Coach Schulte's Husker tracksmen are focusing their attention on the Kansas relays, to be held next Saturday at Lawrence, Kansas.

A squad to represent Nebraska has not as yet been selected, but will be from tryouts held this week. Heye Lambertus, national low hurdles titleholder, and Adolph Dohrman, high hurdler, will most likely be among those selected, but Coach Schulte is undecided as to whom to take to round out the team. A relay team may be entered, but nothing definite has been determined.

In competing at Lawrence the Huskermen will meet the cream of American athletes, and will have their work cut out for them in placing in the events. Athletes from all parts of the United States plan to attend the relays.

The Schulte-coached team was given a layoff Monday with Assistant Coach Harold Petz putting a squad of new men and men who didn't compete Saturday thru a workout and fundamental drill. Coach Schulte was absent, but will take over the reins Tuesday in preparations for the Kansas meet.

The most interesting feature of the relays will be the mile dual between Glenn Cunningham, the "Kansas Flyer," and Gene Venske, Pennsylvania runner, former holder of the world's record. Cunningham has defeated Venske in their races during the indoor season in the east, but the two have not met on an outdoor track. Nebraska fans will easily recall the great Kansas distance man as the winner of the mile and half mile events in Saturday's dual. He set a new world's record on an indoor track in New York, and is out to set a new mark on the cinder paths also.

## HIGH SCHOOLS MAY ARGUE EDUCATION AID

Debating League Not Yet Definitely Settled on Question.

Indications point to the adoption of the federal aid for education question as the topic for debate for the Nebraska High School Debating League for next year. Definite action has not been taken on the matter by the league.

This question is the favorite of three submitted by the Debate Committee of the National University Extension Association to approximately forty states who will vote on the national question for high school debating. Work of the Nebraska High School Debating League is carried on through the Nebraska University Extension with Professor C. K. Morse as secretary.

Tentative wording of the proposition is resolved: that the federal government should adopt a policy of making substantial grants to the several states in partial support of elementary and secondary education in proportion to the determined needs of each state. The final wording will be announced about May 1.

**ANNOUNCEMENT**

**MR. EARL B. HUNTER**

A travel expert will be in Lincoln on Wednesday, April 18th. He will make his headquarters in the lobby of the Cornhusker Hotel. Anyone interested in travel is cordially invited to call upon Mr. Hunter and discuss travel without any obligation or expense whatsoever.

You should know about the surprisingly low cost of travel to foreign lands; the greatly reduced rates offered by European railroads, hotels, etc. to offset the foreign exchange fluctuations, and the many and varied cruises in luxury liners that are available.

Mr. Hunter is fully posted on World Travel and will be glad to see you at the hotel between the hours of 10 A. M. and 8 P. M. on Wednesday. If this is not convenient, telephone him at B6971 for appointment.
