REVISION FORCED IN HUSKER TRACK SQUAD BY EXAMS

Lineup Changed as Cinder Team Pulls Away for Kansas Relays.

LAMBERTUS ENTERS 100

Big Race of Day Is Between Glenn Cunningham and Gene Venske.

That something besides track occupies the minds of the Husker cinder squad was proved Thursday as several members of the team decided to stay home and study for exams rather than make the trip to Lawrence for the Kansas Relays Saturday.

As a result Coach Schulte was forced to revise his lineup, leaving the number at twenty, but considerably weaker than the Nebraska's chances in the meet.

The big change came in the pole vault, Dean and Nichols asking to be excused from participating Saturday. Cosgrove, sophomore pole vaulter, is the only competitor Schulte has entered in this department.

Griffin and Cockburn have been selected to fill the vacancies and round out the Husker team for the meet. Griffin will compete in the high hurdles and Cockburn in the 100 yard dash and broad jump.

Three relay events, the half mile, two mile, and medley, will be run by the Scarlet and Cream track aggregation, Coach Schulte made known Thursday.

With the exceptions noted, the team that will compete remains the same as before. Due to the fact that several of the men counted on for points will not now make the trip, Coach Schulte is depending on few of his men to win places.

Heye Lambertus is expected to be the Nebraska star of the day, but will be able to run only in the 100 yard dash. The 220 dash and low hurdles are not offered on the program. As he is not especially suited to the 100, he is not expected to rank high.

Since the Kansas dual meet last week he has suffered from a badly twisted ankle, but has recovered sufficiently to compete. Adolph Dohrman is looked to for a place in the high hurdles.

MATMEN PROVIDE FAST BOUTS AS SEASON ENDS

Wednesday Afternoon Mat Meet Is Colorful Spectacle.

Officially closing the grappling season, the university numeral meet offered a colorful spectacle Wednesday afternoon, April 18, at the coliseum mats.

Spotted with flashy semifinals and hotly contested final bouts, the mixer was lauded as the best show of wrestling material Jerry Adam has produced, and promised Nebraska great possibilities for next year.

Loren Simons, national A. A. U. champ, added another scalp to his traditional trophy belt by annexing the crown in the 175 pound class.

Loren's superiority is due to his aggressiveness, mat generalship, experience, and keen headwork, according to critics who witnessed the bouts.

"Speed" Mackem came through with a fast pin over Kvasnika in 1:42. After both men charged from their corners, the advantage went to Mackem who flopped his adversary with a half-Nelson and arm lock.

In the heavyweight division, the crowd was offered the greatest show with "Tarzan" Conklin walking off with the honors. Conklin won a decision after two extra time periods had to be allotted.

Summaries: 118 pound class—Nordstrom defeated Clark in a full time bout. 126 pound class—Zimich won decision from Leah. Full time.

135 pound class—Brandt flopped Spier twice in overtime periods to take championship. 145 pound class—Meekem took a fall out of Kvasnika in 1 min. 42 sec. with an arm lock and half-Nelson.

150 pound class—Bauder floored Schuster with a half-Nelson and crotch hold in 2 min. 42 sec. 165 pound class—Schricker received the referee's nod over Frank. The bout went the full limit.

175 pound class—Simons chastised Mehring for a decision. Simons piled up an advantage a moment after both boys came from their corners.

Heavyweight—Conklin outmaneuvered Chase for a hard fought decision after two extra time periods were called. Referees: Stump, Wells, and Simmons. Coach Adam officiated.

OFFICIAL BULLETIN

LUTHERAN STUDENT BANQUET.

Annual Lutheran student banquet will be held Friday evening, April 20, at 6:30 at First Lutheran Church, 17th and A sts. All Lutheran students are invited to attend.

WORK FOR STUDENTS.

Any students wishing to work for board are asked to apply with Mr. Epp in the Dean of Student Affairs office in the Administration building.

CATTLE JUDGING MEET SCHEDULED SATURDAY

Day's Program Ends With 'Feed,' Announcement Of Awards.

Varsity dairy club's annual cattle judging contest is scheduled to start early Saturday morning, according to Bill Ralston, contest manager.

The judges for Saturday's contest, Ralston said, are Raymond McCarty, Paul Swanson, Bill Waldo, and Lyman Wallin. Each one will judge the classes in one of the four breeds of cattle in the contest.

Eight classes will be judged Saturday. There will be two classes each of Holsteins, Jerseys, Ayrshires, and Guernseys. Contestants will place the classes at the dairy barn in the morning, and then go to the dairy building to give oral reasons to the judges.

Dairy Coach Ray Morgan will present the awards in the evening. Gold, silver and bronze medals go to the three high men, and ribbons to the four high men in judging each breed.

TIP-OFF PLAYS HOLD CAGEMEN'S ATTENTION

Huskies Drill on Team Work In Preparation for Practice Tilts.

Tip-off plays occupied the attention of the Husker spring basketballers Thursday as Coach Browne prepared to bring the first week of spring practice to a close.

Team work is being practiced in preparation for the scrimmages to start next week. Only a very few minutes of Thursday's session were spent in actual scrimmage. Passing and tipping the ball was stressed between two teams, one Green clad and the other White.

Fresh basketballers composed, for the most part, the White quint, with last year's varsity men on the Greens.

Plays have been given the men and were worked Thursday. They will continue in greater proportion next week when the time will be taken up in scrimmage. Games will be played between the two teams, greens and whites.

Bernard Scherer, rangy end on the football team, turned out for his first day of spring practice, and showed up well at a forward position.

One more week of work remains before Coach Browne calls quits on spring practice. It has been very successful so far from the standpoints of the number of men out and the work accomplished in acquainting the new men with the Nebraska style of play, according to the Nebraska mentor.

Two Students Exhibit in Joslyn Memorial Sunday

Denice Green and Marjorie Hatten, students in the fine arts department, will give painting demonstrations at Joslyn Memorial the afternoon of Sunday, April 22. Miss Green will demonstrate oil painting, and Miss Hatten, block printing.

SEWARD COLLEGE NINE FIRST HOME GAME FOE

Baseball Fans Get Chance See Huskers in Action This Afternoon.

Husker diamond fans will get their first opportunity to see the varsity nine in action when they open the home season Friday afternoon against Concordia college, Seward, at the ag campus field.

The game will begin promptly at 3 o'clock. Having split a double header with Kansas State in the first intercollegiate baseball games of the season at Manhattan, Coach Wilbur Knight's men are favored to trim the Seward diamond men.

Knight will send in the same lineup with the exception of "Sluggers" Graham, heavy hitting first baseman, who is suffering from a bruised hand and might not be able to don the spikes.

Wondra and Spurlock will handle the twirling for the Cornhuskers with Pohlman and Reinmiller taking turns working behind the bat.

11 BARB STUDENTS TO GET SEATS ON COUNCIL APRIL 24

(Continued from Page 1.)

closed at noon on Monday, April 2. Ballots have been printed, and eligibility of applicants is now being checked at the registrar's office.

Two sophomores who have filed for positions in the council are Bill Newcomer, York, in the college of business administration, and Lumeer Sedlacek, Ord, business administration.

Four out of the eight juniors who filed will be named to membership at the election. Those who filed are Marion Jackson, York, Ag college; Emily Spanggaard, Omaha, home economics; Eugene Dalby, arts and sciences, Omaha; Marshall Cook, engineering, West Point; Howard Mock, engineering, Springfield; Theodora Lohrman, arts and sciences, Lincoln; Charles Nielsen, engineering, Askov, Minn.; Theodore Schroeder, Omaha, engineering, and Robert Harrison, business administration, Lincoln.

Three out of five senior applicants will be named to the council in the election. Those who filed are Elmer Heyne, ag college, Wisner; Selma Goldstein, arts and sciences, Lincoln; Emory Johnson, engineering, Ceresco; Ruth Hornbuckle, teachers, Lincoln, and Wilbur Erickson, business administration, Newman Grove.

Two men filed for graduate student positions on the council, and two are to be elected. Those who applied are Vernon Filley, ag college, Lincoln, and John Stover, arts and sciences, Malcolm.

CONTROVERSIAL ARMY PROPOSAL IS GIVEN NEW LIFE AS REPRESENTATIVE BURKE ASKS CONGRESS FOR \$400,000

(Continued from Page 1.)

sity by Gen. John J. Pershing. 168 Foot Frontage.

Plans, as announced at that time, call for the erection of a building, roughly rectangular in shape, which would have a frontage of 168 feet and extend back 260 feet. While a definite site has not been made, it was indicated that it would probably be located either east or west of the coliseum, facing south. The building would be constructed of Bedford limestone, and fireproof throughout.

The announcement of the university's petition, coming as it did at the height of a "peace movement" on the campus, was the subject of much controversy both on the campus and in the city. Lincoln pastors presented a signed petition to the university protesting the action of the university. Similarly members of the American Legion and other veterans' organizations lauded the Army as a valuable addition to the university campus.

National and regional inspectors of the R. O. T. C. unit have criticized the inadequate housing facilities of the local military science unit, now located in Nebraska hall, one of the oldest and most unstable buildings still in use on the Nebraska campus.

Sponsors of the army anticipate vigorous protests of persons and organizations opposing military drill.

award, an international award given colleges and universities for promoting and carrying on a campaign of international understanding and goodwill. Nineteen Northwestern university professors have recently completed twenty-five years as members of the faculty of the Evanston, Ill., institution.

MILLER & PAINE

When one hour's Math. seems like three... CHECK UP ON VITALITY. WHEN you miss the gist of lectures, and can't seem to concentrate; when even campus life seems blue—look to your health! Your sluggishness may be due to common constipation—a condition which frequently causes loss of appetite and energy, headaches, sleeplessness. This ailment can usually be corrected by a delicious ready-to-eat cereal. Tests show Kellogg's ALL-BRAN provides "buk," vitamin B and iron. Two table-spoonfuls daily will help promote regular habits. Ask that ALL-BRAN be served at your fraternity house, eating club or camp restaurant.

6 about Cigarettes As to the cigarette paper on Chesterfields THIS reel of cigarette paper is sufficient to make 42,000 Chesterfield Cigarettes. It is of the finest manufacture. In texture, in burning quality, in purity, it is as good as money can buy. Cut open a Chesterfield cigarette. Remove the tobacco and hold the paper up to the light. If you know about paper, you will at once note the uniform texture—no holes, no light and dark places. Note also its dead white color. If the paper is made right—that is, uniform—the cigarette will burn more evenly. If the paper is made right—there will be no taste to it and there will be no odor from the burning paper. Other manufacturers use good cigarette paper; but there is no better paper made than that used on Chesterfields. You can count on that! Chesterfield the cigarette that's MILDER the cigarette that's BETTER.
