CAMPUSOCIETY

THE BEST THING ABOUT THE coming week for most people will be the number of classes that are to be dismissed. Thursday, being Ivy day, there will not be any school at all. That evening will be Engineers' night and Pharmacy night. Friday is College day, and classes are excused after 11 o'clock. The Bizad pienie will be given that day at Antelope park, after which there will be a baseball game between the members of Alpha Kappa Psi and the faculty members of the Bizad college.
