

PREP ATHLETES SET UP TWO NEW MARKS SATURDAY

Outstanding Records Doped Before Meet Fail to Appear.

THREE CHAMPS CROWNED

Heavy Wind Aids Sprinters But Cuts Down Time in Distances.

By ARNOLD LEVINE.

Between scurrying for shelter from the raindrops and running dogged, determined races on the track, Nebraska high school athletes managed to set up two new records in the thirty-second annual state high school track championships in Memorial stadium Saturday.

Undoubtedly one of the greatest assemblages of high school stars in recent years, the meet failed to produce the outstanding records doped out beforehand. A heavy wind which aided the sprinters considerably, but disallowed all record marks, hindered the distance men by ten seconds or more, especially in the mile. Midway of the meet, proceedings were held up for a time due to a heavy rain-storm.

140 Schools Entered. The number of entries aided the meet considerably, over 140 schools participating. Part of the meet, the high jump and pole vault in the Group II division, was held on the indoor track, due to the unsuitable weather conditions.

Bob Mills of Lincoln and Francis Hardwick of Parks provided the big "pushes" of the track meet. The Lincoln youth, having broken the existing state shotput record four times in pre-meet competition, sent the iron ball flying 51 feet 6 inches through the air Saturday afternoon for an all time record in

state high school shot putting. Previous to this throw in the finals, Pfeiff, Mill's teammate, had set a new record in the prelims, held Saturday morning, of 49 feet 7 inches. Pfeiff took second place in the finals with a 50 foot throw.

Francis Hardwick, sailing the discus into the wind, broke the state record twice in the finals before his record toss of 144 feet 11 inches was made. On his first attempt, he sailed the platter 136 feet 5 inches. His third toss was 142 feet 10 inches and his record came on the final throw. Hailing from a high school with less than a dozen boys enrolled, Hardwick was the first gold medal winner of the meet.

John Trumbull, Cambridge hurdler, led his teammates to victory in the Group II division with wins and gold medals in the two hurdle races. In winning the finals he duplicated his performances of the morning, but cracked his high hurdle mark and failed to better his low hurdle mark in the afternoon.

His morning time was 15.9 seconds for the high hurdles, and the final time was 15.7 seconds. His time in the lows was 26.2 and 26.3 for the two races. He was one of the two men in the meet who won two gold medals during the course of events, Irwin Retzlaff of Pierce duplicating his performances with wins in the 220 and 100 yard dashes.

In winning his specialties, Retzlaff bettered the existing state records, but his times were not allowed due to the heavy south wind which was behind him all the way. He bettered his morning mark of 10.1 seconds in the 100 yard dash by whizzing down the speedway in 9.8 seconds, but failed to better his preim mark of 22.6 seconds for the 220. He won in the afternoon in 23 seconds flat. Retzlaff's time in the 100 was the best seen in a high school track meet.

Joe Shenfeld of Omaha Tech, counted on for a new record in the mile run, failed to satisfy the record hungry crowd. He ran the distance in 4 minutes 48 seconds, held back by the gale which blew across the field, and the rain and hail which beat into the faces of the distance men part of the way. He had broken the existing record several times during the pre-state meet season.

Omaha Central's half mile relay team came through with the best time recorded for this event, 1 minute 34.9 seconds. The Omaha youths ran a dogged race on a wet track, determined on a record, but held back by the slowness of the rain soaked cinders. They finished well ahead of their nearest rivals in Group III, and won the gold medal for the relay event.

Three new group champs were crowned when the final results were tabulated, last year's champions failing to place in two of the three groups, and finishing thirteenth in the third.

Mason City ran away with Group I, composed of schools less than a hundred enrollment in the high school department. The Mason City youths ran up the greatest single total of all the teams entered, 20. Their nearest rivals, Bellevue, finished with a total of 14. Anselmo, last year's winner, failed to place above seventeenth. In this respect the dope sheet was right, as the previous champs had been accorded little

chance to retain their championship. The Cambridge team, coached by "Chick" Justice, of university football fame, and led by Irwin Trumbull, edged out Bassett and Arapahoe for the championship of Group II by one half of a point, scoring 13 1/2 to the Bassett and Arapahoe total of 13 each. The race here was more closely contended than in any other division, Pierce following on the heels of the leaders with 12 points, and the rest of the first seven teams separated by not more than one point each.

Gothenburg upset the dope bucket to win Group III, with Omaha Tech, last year's champs, finishing thirteenth. Gothenburg, led by Dodd, piled up a majority of 19 1-3 points to 12 for their nearest rival, Aurora. Lincoln, considered in pre-meet dope to have an excellent chance to finish first, was third with 11 1/2 points. Omaha Tech had not been given much of a chance before the meet to retain their championship, but was accorded the possibility of finishing among the first five. One first place figured in the Omaha Tech scoring.

The meet was scored on a basis of four placed by a 5-3-2-1 method. The way the first ten teams finished in each group:

Group I—Mason City, 20; Bellevue, 14 1/2; Huntley, 12; Parks, 10 1/2; Table Rock, 9 1-3; Newport, 9; Dawson, 5 1/2; Ewing, 5 1/2; Farnham, 5; Endicott, 5; Maywood, 5.

Group II—Cambridge, 13 1/2; Bassett, 13; Arapahoe, 13; Pierce, 12; Tilden, 11; St. Edwards, 10; Bayard, 10; Curtis Aggies, 7 1/2; Ansley, 6 1/2; Wilbur, 5 1/2.

Group III—Gothenburg, 19 1-3; Aurora, 12; Lincoln, 11 1/2; Hastings, 11; York, 10 1/2; Omaha Benson, 9 2-3; Fremont, 9 1/2; Omaha Central, 9; Crete, 9; Beatrice, 8.

Summary of winners: 100-yard dash: Group I—Won by McClegham, Mason City, time 22.4; Group II—Won by Retzlaff, Pierce, time 9.8; Group III—Won by Woolley, Hastings, time 10. Gold medal winner—Retzlaff.

University netmen kept their slate clean as the result of Friday's match with Kansas State in which the Huskers swept thru a 6-0 decision over the invaders. The match was held at the Lincoln Tennis Club.

It was the second shutout victory for the Cornhusker racquet-ers, Iowa State having succumbed without the loss of a match by the Scarlet at Ames last weekend.

James Shafer made the most impressive showing of the Scarlet racquet-ers by beating Dick Fowler, K. U., 6-2, 6-0.

Yorio Peden, Nebraska, defeated Garland Hougland, K. S., 6-3, 6-3 while Hugo Dean, also of the Scarlet squad, swept thru Ed Broghamer of the invaders, 6-1, 6-3.

In the doubles the scores were somewhat closer as Shafer and Haegen were pushed hard before handing Butler and Hougland an 8-6, 6-1 trimming. Peden and Dean won also, 6-1, 6-4.

HUSKER NINE NOSED OUT BY AMES 9 TO 8. Rally in Sixth and Seventh Innings Gives Second Game to Iowa.

Coming to life in the sixth inning with a four rally outburst, the Cyclones trounced the Nebraska Knightmen to the sad tune of 9 to 8 to annex the third victory over the Scarlet and Cream sluggers at Ames, Friday, May 11. It was the fourth slugfest between the two teams.

Holmes, Iowa State twirler, captured the spotlight of the Cyclone swatting attack when he registered a circuit clout in the third stanza and forced three more tallies to cross the plate when he tripled late in the sixth. Getting to an early start by bunting six hits in the first two innings, the Cornhuskers were stopped decisively and could only total seven hits for the day's work.

Perry, another Iowan, added the two more additional scores to the grand total with which the Cyclones breezed in to victory.

Summary: Foursomes: Wilbur Hird (75) and Clair Grant (75), Drake, won three points from Harry Kaufman (80) and Warren DeBus (82), Nebraska, Tmos Jencks (76) and Hillus Miller (83), Drake, finished all square with Verne Alder (78) and Palmer Nye (82), Nebraska.

HUSKER GUNDERMEN CAPTURE DUAL MEET FROM KAGS 74 TO 57

Meet is Fourth Victory for Nebraskans at Expense Of Wildcats.

Minus Coach Schulte, the Nebraska track and field team wound up its pre Big Six meet season with a 74 to 57 victory over the Kansas State squad at Manhattan Friday. The veteran Husker coach remained in Lincoln due to a slight illness. Harold Petz, assistant coach, accompanied the squad on its Manhattan trip.

The victory marked the fourth triumph the Huskers have enjoyed at the expense of the Manhattanites during the 1934 indoor and outdoor season, and the second one the Scarlet and Cream have won in a dual meet with the Kaggies this year.

Heye Lambertus stole the show by scoring eleven points for the Husker cause. He breezed down the 100-yard speedway in 9.8 seconds to equal a stadium record that has existed for many years on the Kaggie track. Revenging himself for a defeat meted out last week, he skipped over the low hurdles in 23.9 seconds for a victory over Joe Knappenberger, Wildcat star. Knappenberger ran third to Lambertus and Jacobsen in the 100. The Husker ace of aces placed third in the broad jump, a new event for him, for his eleventh point.

Owen Rist was not far behind Lambertus in individual scoring, taking firsts in the discus and shot for ten points. He heaved the shot 45 feet 9 3/4 inches and the discus 133 feet to lead the field.

Knappenberger maintained his superiority in the high hurdles when he trimmed Adolph Dohrman, ace Husker hurdler, for second consecutive time. Dohrman was troubled by a torn leg muscle which hindered him considerably. Kansas State scored the only slam of the meet, taking all three places in the half mile, but these places were not enough to offset the huge margin amassed by the Huskers in the preceding events.

Ten first places added fifty points to the Nebraska total, while the Kaggies compiled half that number. Landon was the big Manhattan star, winning the mile and half mile for ten points.

The race between England of Nebraska and Nixon of Kansas State was one of the features. Each had made the same time in pre-dual meets, but England nosed out Nixon by 50 seconds to triumph. Jim Story in the two mile, Carl Reese in the javelin, Dick Cockburn in the broad jump and Carl Nichols in the pole vault accounted for the other Husker firsts.

The Wildcat mile relay team, composed of Hall, Hostetter, McNeal and Nixon, defeated the Scarlet and Cream men, England, Jacobsen, Cockburn and Lambertus. The Kaggie time was 3:26.7.

Summary of Results. Mile: Won by Landon, (KS); second, Funn (N); third, McNeal, (KS). Time 4:23.5. 2 mile: Won by England, (N); second, J. B. Nixon, (KS); third, Hostetter, (K). Trackmen Do Tall Stepping to Make NAA Qualifications. Track and field men are going to have to do some mighty tall stepping to make the National Athletic association meet to be held in Los Angeles next June 22 and 23, according to the qualifying records established.

Just three Huskers have so far come into the range of the cream of the nation's trackmen by hitting qualifying times and distances. Heye Lambertus is assured of being one of the Scarlet and Cream representatives, being recognized everywhere as the ace low hurdler of the country, having sailed over the barriers in 23.9 seconds, .7 of a second under the limit.

His time for the 100 yard dash also is qualifying, 9.7 seconds. Adolph Dohrman will probably make the grade in the high hurdles, having already qualified with 14.9 seconds. George Henry Sauer, doubling in track from his grid duties in the fall, is the third Husker to qualify, having tossed the discus 135 feet, exactly qualifying distance.

Coach "Pa" Schulte of the Huskers hopes to have more men eligible for the games in Los Angeles when June gets here. Qualifying times for the N. C. A. A. are as follows: 100 yard dash—9.7 seconds. 220 yard dash—21.3 seconds. 440 yard dash—45.9 seconds. 880 yard dash—1:05.7. Mile run—4:23.5. Two mile run—9:46. High hurdles—23.9. Low hurdles—15.2. Pole vault—12 feet 6 inches. High jump—5 feet 11 1/2 inches. Shot put—48 feet. Broad jump—24 feet. Javelin throw—185 feet. Hammer throw—360 feet.
