

**POOL TO BE POPULAR
SUMMER RECREATION**
Classes for Credit in
Swimming Will Be
Limited.

Use of one of the largest indoor
pools in the country will be one of

the most popular forms of recreation during the summer if interest in the tank this summer holds up to what it has been the past two years. Two years ago swimming classes drew the largest enrollment in the school. Regular swimming classes for credit will be held daily for both men and women and will be limited, according to R. D. Moritz, director of the summer session. Admittance to the pool requires swimming permits which will be issued after a physical examination by the student health department on the second floor of Pharmacy hall.

**Nebraskan Requests
Rooming Houses to
Appoint Reporters**

In order to cover all the news on the campus of interest to summer students the Nebraskan asks that a reporter be appointed in each organized rooming house. A meeting of these reporters will be called later.

The Nebraskan suggests that in making these appointments each house, if possible, should designate who has had some previous experience along that line of work.

Any other summer students who desire practical experience in reporting are asked to call at the Nebraskan office at any time.

**University Cadets Go
To Fort Crook Camp**

**SCHOLARSHIPS GO
TO FIVE STUDENTS**

Names of the winners of five university scholarships were announced recently by university officials. Louise Horrack, Sutherland, and Ada Petrea, Pawnee City, will receive the Bostwick scholarships. Wilbur Erickson, Newman Grove, won the junior award offered by Prof. Robert B. Crawford. Merrill Whitman, Superior, was awarded the Broady scholarship and Paul M. Meyer of Hastings will receive the Walter J. Nickel freshman prize.

Offered in honor of the late Henry C. Bostwick by Mrs. C. R. Massey two awards of \$100 each went to deserving students. The Crawford award was made to the most deserving junior nonfraternity man, while the \$100 Jefferson H. Broady scholarship was endowed by Mr. and Mrs. John D. Clark. Whitman, the winner of an award, headed his sophomore law class last semester. The \$25 freshman prize was offered by Walter J. Nickel.

**RULES FOR WOMEN
VARY FROM THOSE
IN SCHOOL YEAR**

**Houses Close 11 O'clock
During Week; 12
Weekends.**

Definite house rules will be in force this summer for all women students, according to the office of the Dean of Women. These rules for the summer period vary slightly from those in force during the regular school term.

There are no special restrictions on freshmen and sophomores as there are during the regular semesters. Another difference is in the closing time for women's houses. During the winter 10:30 is the closing hour for week nights and 12:30 for Friday and Saturday. During the summer session 11 o'clock is the deadline during the week and 12 o'clock on Friday and Saturday.
