HOUSE PARTIES HAVE STARTED
 Again, Saturday night the freshmen will be given a glimpse of that kind of university entertainment. There will be more blind dates and, therefore, new names added—and subtracted—from those lists we've heard that people keep. Then of course there's the football game to look forward to. With house parties and the first football game of the season all in one day, those who can have a good time should be able to enjoy themselves thoroughly because there's nothing like a good house party after (we hope) a victorious game.

THE PHI GAMMS are one of the houses that are planning a novel party Saturday night. The affair will be presented in an Eskimo setting which will contain igloos, icebergs, bearskins, and many articles of interest which one of the members, Charles Davenport, brought back from his recent trip to Alaska. During intermission a seal act will be given by some of the members. Prof. Charles Bell, and Mr. and Mrs. Fred Arnold will chaperon. Taylor Waldron is in charge of the party.

SIG EP actives will hold a house party in honor of the pledge classes Saturday. The chaperones will be Mrs. Nelle R. Neurchi, Captain and Mrs. Walter T. Scott and Dr. and Mrs. G. O. Sturdevant. Jack Card, Elmer Brackett, and Lester Prokop are in charge of the arrangements.

ANOTHER house party the same night will be that given by Phi Mu. Mrs. Ray Cochran, Mrs. Margaret B. Rea, and Mr. and Mrs. Zach will chaperone. Ann Anderson, social chairman, is in charge of the party.

A VARSITY PARTY will be given Saturday evening in the coliseum by the Barb Council. This "Wyoming Roundup" will be in celebration of the Husker-Cowboy football game. Chaperons will be Mr. and Mrs. E. W. Lantz, Mr. and Mrs. L. F. Lindgren, and Mr. and Mrs. L. A. Bingham.

DELTA TAU DELTA is planning to hold a banquet followed by a dance at the chapter house Saturday in honor of its new pledges. Chaperons will be Mr. and Mrs. J. W. Newenn, Ray Dein, and Mrs. Zella Wolf. The party is being planned by Berle Sampson, the social chairman.

FOLLOWING the football game, the first tea dance of the season will be held at the Alpha Chi O house from 5 until 6 o'clock. Virginia Smith, social chairman, is in charge of the arrangements.

ANNOUNCED WEDNESDAY was the engagement of Rosella Perlis of Omaha to Arthur Smith of the same city. Miss Perlis attended the university and is a member of Sigma Delta Tau.

HOSTESS TO THE Delta Omicron alumnae association at her home Wednesday, was Alma Wagner, and assisting her were Mildred Chapin, Kathryn Dean and Mrs. Carl Robinson. The program, carried out to represent the twelve months of the year, included a vocal duet by Mrs. Theodore Kieselbach and Miss Mildred Chapin, several piano numbers by Mrs. Maybelle Hagenow Jackson, Mrs. L. O. True and Mrs. Carl Robinson, a vocal solo by Mrs. Theodore Diers and several selections by a string quartet composed of Valerita Callen, Bettie Zabriskie, Mrs. August Molzer and Mrs. Edgar A. Cole.

D. U. PLEDGE officers recently elected are: Merlin Trumbull, president and D. N. Burroughs, secretary-treasurer. A vice president will be elected in the near future.

PI. K. A. ANNOUNCES the pledging of Jack Dodd of Gothenburg, Lester Carsons of Fairbury, and Firman Feltz of Keystone.

ALPHA TAU OMEGA freshmen chose Don Boehm of Grand Island as their president, Bun Nichols of Grand Island as vice president, Bob Baldwin of Riverton as treasurer and George Cullen of Lincoln as sergeant-at-arms.

THE FILTHY FIFTH, an organization originating at R. O. T. C. camp this summer will have a meeting next Tuesday at the A. T. O. house at seven-thirty to discuss plans for their famous reunion. Members of this group are Brice Teeter, Dave Rankin, Bob Shellenberg, Lyn Martin, Merle Martin, Jack Potter, Doyel Naden and their perennial guest Emmet Morava. It is expected that one of the members who recently announced

his engagement will pass the cigars at the meeting.

A. O. P.'S in the new pledge class have elected Clover Beckman as president at a recent meeting. Other officers are as follows: Maralyn Spohn, vice president; Lulu Lee Marshall, secretary-treasurer and Virginia Barnard, sergeant at arms.

THE CHI O'S have elected new officers for this year. They are Josephine Hubbard, president; Mary Esther Widener, treasurer; Wylene Reiland, corresponding secretary; Ruth Haggerman, pledge mother and Alice Mae Livingston, social chairman.

control. Universities and teacher's colleges have been opened there. Palestine's school system is not as well developed. The British government is in charge here and 51.18 percent of the people who apply for entrance in schools are turned away. The department of education, according to Mr. DeJany, is overpaid and overstaffed, being supported by native taxes.

Co-education in Arabia is limited to a few private schools and only 1-2 of 1 percent of the girls in Palestine can read or write. The common schools in the mandated territory are far from satisfactory, most of the children being sent to costly private institutions.

Mr. DeJany does not like the British governmental policy in regard to his country. During the time of the World war, he declared, Arabia was promised its independence in return for aiding the allies, and at the same time, Palestine was promised to the Jews for a national home as a reward for financial aid. As 81 percent of Palestine is Arabian, the objection to this latter plan was strenuous.

At present, DeJany said, the government of Palestine is a

The Arabian people, however, DeJany stated, are looking hopefully to the future for the day when the powers of government will be returned to them and they can manage their own affairs.
