

THREE CHANGES LIKELY FOR TILT WITH JAYHAWKS

Benson, Toman, and Skewes May Start for Bible Squad Saturday.

WILLIAMS ONLY INJURY

Ron Douglas Also Providing Strong Bid for Post at Left Half.

The freshmen stole the grid spotlight from Coach Dana X. Bible's varsity Cornhuskers Wednesday, but the league game on the practice green-sward was only incidental to the preparations being made to repulse

Kansas next Saturday. While the freshman gridders got down and dug in a regulation game, the varsity took things easy with a dummy scrimmage against the nubbins, reviewing offensive and defensive formations. The cold which infested the stadium was the cause of lots of energy on the part of the gridders, and when not gathered around the coaching staff in a huddle to correct defects, they scampered around the gridiron in an effort to keep warm. Husker hopes took a bound upward when Johnny Williams appeared in a sweat suit minus the crutches which have accompanied him on every occasion this week. The torn ligaments in his instep have definitely improved, but it is still doubtful if he will be able to take the call at left half against the Jayhawks. Bob Benson, 175 pounds of speed from Pender, Nebraska, will get the nod if Williams is incapacitated. Benson has been playing this position in practice this week, with Ron Douglas providing opposition and making his bid for a starting job.

Only One Injury.

Injuries will not hamper Coach Bible at Lawrence, with the exception of Williams. Every man on the team is physically capable and ready for action. The Pittsburgh game did not take its toll of players, although many men received minor bruises from which they are just recovering. But all will be ship-shape for action Saturday. Williams may be ready to play, but unless his presence is imperative, he will remain on the bench in favor of Benson.

Reviewing plays took up most of the time Wednesday afternoon, with Coach Bible making frequent corrections as they were run off against the nubbins in dummy scrimmage. No real battle was resorted to, due to the chance of injuries. The nubbins also took their share in the work, running Kansas plays for the Nebraska defense to practice on.

Three Changes Likely.

The lineup Wednesday indicated more strongly that three changes will be made when the team takes the field at Lawrence. Ray Toman, who for his stellar offensive and defensive play against Pittsburgh was promoted to a starting berth, will captain the Huskers. He is a senior, playing his first year of varsity football, but has proven himself a valuable man by his pass catching and tackling. St. Paul is his home town. Glen Skewes, the red haired Imperial fullback, will get the nod at this post after a two week absence, a starting berth. The third change will be the substitution of Bob Benson for John Williams at left halfback.

The rest of the lineup is the same that started the Pittsburgh encounter. Bernard Scherer, Dallas, South Dakota, is at right end; Harold Holmbeck, Beatrice, and Walter Plum, Imperial, tackles; James Heldt, Scottsbluff, and Glen Justice, Grand Island, guards; Franklin Meier, Lincoln, center; Henry Bauer, Lincoln, quarterback; and Lloyd Cardwell, the Seward "Wild Horse" at right half.

Second Lineup.

A second lineup was composed of Vergil Yelkins, Lincoln, and Lester McDonald, Grand Island, ends; Wallace DeBrown, Lincoln, and Carroll Reese, Chapel, tackles; Neal Mehring, Grand Island, and Clyde White, Tecumseh, guards; Bill Horchem, Ransom, Kansas, center; Allan Turner, Western Springs, Illinois, quarterback; Bud Parsons, Lincoln, right halfback; Ronald Douglas, Crete, left halfback; Sam Francis, Oberlin, Kansas, fullback.

One hundred and eighteen university coeds attended a recent leisure time dancing class, in which one semester credit is offered for regular attendance.

WEIRMEN DOWN FUNKEN'S TEAM BY SCORE 20 TO 7

Brill Runs Opening Kickoff Ninety Yards for First Touchdown.

MEGEHAN EVENS SCORE

Whites Fight Against Odds During Tilt; Put Up Stout Front.

Outdowning and outyarding their opponents by a good margin, Coach Ed Weir's varsity freshmen defeated their league

opponents 20 to 7 in a game that was flashy at times and then was colorless football. The night was cold and players were handicapped, with fumbling a common occurrence. All through the game, Beno Funken's league team was fighting against the odds but not once did they give up or cease for a moment their fighting play.

The varsity started off with a bang when Brill took the opening kickoff on his own 10-yard line and ran down the sidelines through the entire league team for a touchdown. He was out alone after crossing the 50 yard line except for the safety, whom he outran. A pass, Brill to Amen, was good for the extra point.

Apparently feeling content that there would be no trouble with this team the Blues proceeded to play listless football and had a pass intercepted by Megehan, who ran 73 yards for a touchdown. The pass was in the flat territory and Megehan took it on the dead run and was never headed. Everett kicked the point. The score stood 7 to 7 with only six minutes elapsed in the first quarter.

White Shirts Hold.

The varsity, with spinners and reverses, was crossing up the defense quite consistently and Howell, Brill, and Dodd were making gains for the varsity, but when the ball was worked down to touch-down territory the white shirted warriors would put up a stout front and force the Blues to kick.

At the start of the second quarter Dodd made it a first and ten on the 45-yard line. Brill shot a pass to Dohrman that was good for

19 yards. Howell picked up seven through the center and Dodd made it first and ten again. The ball was on the 4-yard line. Howell on the second try at the line made it over for the touchdown. The pass for point failed.

Second Varsity Spirited.

A whole new varsity team was put in this half and this team showed a revival of the spirit and went to work immediately. However no touchdowns were forthcoming and after about five minutes of play they were sent to the showers and the original Blue team replaced them.

Dodd opened the fireworks with a long run around left end and Brill added ten. A fumble stopped this however and Everett got off a nice long punt, putting the Blues back on their own 27-yard line. Another Blue fumble gave the White Shirts possession of the ball in scoring territory, but they were smothered by the Blue defense. On the fourth down an attempted place kick was blocked and the ball put in play on the 20 with the Blues in position.

Dodd Runs Again.

Dodd again circled left end for a nice gain, going 35 yards before being hauled down this time. Some nice spinners by Howell put the Blue Shirts knocking at the door again and Dodd went over for the marker on the fourth down. Howell kicked the extra point. The game was called as darkness was falling.

For the White Shirts Harer, Wright, and Tiford stood out in the line; Wurtz, Megehan and Everett did well in the backfield. On the varsity Dodd turned in the finest job of ball carrying, shaking off tackles many times to gain additional yards. Brill and Howell also looked good. In the Blue line Dohrman, Shirey and Mehring all were stopping the plays at the line of scrimmage or throwing the boys for a loss.

SPORTSING

By LLOYD HENDRICKS

An event attracting a great crowd and also a lot of interest was the friendly combat between former fencing champions, coaches and members of the Princeton fencing team. In a feature bout Santelli, Olympic coach, gave Captain Schoonmaker '04 a lesson in sabre. The climax of the evening was a slashing sabre bout between Pirotte, Olympic and Princeton coach, and Santelli. After the bout, which Pirotte won, 5-4, Santelli made a brief speech about the value of fencing in developing a gentleman.

Fencing is a course which should receive more attention at Nebraska. There are some classes at the present time under the direction of Dr. R. G. Clapp of the physical education faculty. It should be accorded more room in the present university curriculum. It builds up the mind and the eye more than any other sport. It is one of the fastest sports known to mankind.

Among the fine plays of last Saturday's football card was Lynn Jordan's ninety-nine yard run against Michigan for a touchdown. Jordan, who is playing halfback for Wisconsin this season, snagged Willis Ward's long kickoff on his 1-yard line, started slowly, then squirmed his way out of a squad of Wolverine tacklers and ran straight down the field for the score. Big Ed Christanson, sophomore tackle for the Wolverines, took out the men on the Michigan

team as they came up and enabled Jordan to complete the longest college or university run back of a kick off for the season.

Les Lindberg, Illinois halfback, is up for nomination in some All America team again this year. He certainly deserves it. He alone out-gained the entire Northwestern backfield as Illinois downed N. U. 14 to 3. He is an all around man on the playing field, combining passing, punting, blocking, and tackling to gain the distinction of being the outstanding player on the unbeaten Illini eleven.

This game down at Kansas this Saturday that everyone thinks will be so easy may be just that and again the tricky Kansas formations may draw out the Husker defensive and allow the Jayhawks to skip thru.

Kansas has a bag of tricks in the way of trick plays which Haggiss likes to spring whenever he can. When a substitute goes in the Kansas-Nebraska game it is almost certain that the coach has given orders to be passed on to the quarterback or captain at the end of the completion of the first play.

One of the last stands of those who oppose cigaret smoking by college students is at Denison university. The university announced this week that the traditional ban against women students smoking would continue in force.

DATE OF FISTIC MEET SET FOR DECEMBER 12

Ostran States Men Wishing To Enter Should File Immediately.

Definite date for the All University boxing tournament has been set at Dec. 12, it was announced Wednesday. Men wishing to enter should register immediately either with Harold Ostran or at the Intra-Mural office. Anyone who has lettered in boxing cannot participate in the tournament. In stressing the need of training, Coach Ostran stated, "I have found condition is an important factor in these three round amateur bouts and it is important that every entry get in good shape." Any one wishing to work out may use the equipment in the basement of the Coliseum and is invited to attend the boxing classes. According to Ostran plans are under way to construct a portable ring to be used in boxing events. Previous events have been staged under difficulties because of the lack of facilities.
