Coaches Employ Odd Superstitions as Aid To Football Science

The science of football may not be built on superstition, but a welltimed hunch has been known to City Campus-YM Team Loses win many a game. On the other hand, a team probably will not be made to win because their coach wears a certain suit, but it may give him the inspiration to click off a winning play.

At any rate, College News Serv-

"Pop" Warner never flicks his igaret ashes when his team is go-

Bill Spaulding always thinks his team will go well if he gets the "jitters" before the game. several trips to the water

bucket to change his luck. "Slip" Madigan sticks by a green

ing aerial threats by the Huskers, a form of scoring which has proved to be the Scarlet's most potent means of garnering points. Lindsey is also not so sure of his ends, for when Cardwell and Benson start around, it takes better than an average man to head them off. Pittsburgh found that out, when most of the Husker gains from scrimmage were tabulated on end

The three changes apparent in the lineup since Bible began preparations for the Kansas tilt will be more noticeable when the two teams take the field. Ray Toman, St. Paul end, will take Lester Mc-Donald's place at left end and will captain the team. Glen Skewes will replace Sam Francis in the backfield, rewarded for his brilliant play against Pitt, and Bob Benson, Pender speed flash will play William's position. 'The rest of the Husker lineup is essentially the same that has begun the last two games for Nebraska. Russell Thompson, the 235 pound tackle giant from Whitney, was on the sick list the first part of the week, and lost twelve pounds from his being the exact date. With well-stocked frame. But he will be games played every other year on ready for action at Kansas, altho

This was arranged so that the team would not have to ride and
