

VARSITY CAGERS SCHEDULE GAME WITH FRESHMEN

Basketballers Top Workout
Thursday With Brisk
Scrimmage.

OPENING GAME DEC. 13

Hoopsters Barely Nose Out
24-23 Victory Against
Frosh Wednesday.

With another practice game scheduled for Friday afternoon against the frosh, Coach Harold Browne put his basketball charges through a long workout on plays Thursday afternoon and topped off a period of hard work with a short, brisk scrimmage.

The varsity found their yearling opposition anything but congenial companions Wednesday night, barely nosing out a 24 to 23 victory. They kept their record of straight wins clear, but a one point win over the freshmen was not pleasing either to the players themselves, or to the coaches. Consequently, the hard practice drills Thursday.

Two more open practice games between the varsity and frosh are scheduled before the opening encounter with Wyoming at Laramie Dec. 13. Friday, the two quintets clash on the ag college maples, and Monday evening resume relations on the coliseum floor at 8 p. m. Both scrimmages are open to the general public.

Work on Separate Courts.
Varsity and frosh worked out on separate courts Thursday, reversing the policy of practicing against each other which has been in preference. One green-clad var-

sity team and one white-shirted outfit each took turns at running plays from sideline and tip-off formations against the other. A smooth, precise judgment of passes and accurate ball handling featured many of the plays. Precision of movement and accuracy have been stressed by Coach Browne during the week's drills.

Friday's meeting will be the third between the varsity and frosh teams the latter coached by Morris Fisher. The freshmen have finished on the short end of both engagements, but have improved in their second showing over their first. The initial scrimmage of the season ended with a 36 to 26 varsity victory, the second 24 to 23 for the same team.

The White team Thursday afternoon was composed of Howard Baker and Merrill Morris, forwards; Lester McDonald, center; Vergil Yelkin and Bud Parsons guards. The Green maple performers had Henry Whitaker and Leonard Hale, forwards; Harry Sorenson, center; George Wahlquist and Harvey Widman, guards.

Probable lineups for Friday afternoon's game:

Varsity—	—Freshmen
Whitaker	Scott
Hale	Morgan
Sorenson	Ebaugh
Wahlquist	Parsons
Widman	Amen

25 NAMES SUBMITTED FOR WRESTLING BOUT

All University Tournament
Scheduled for Dec. 10
and 11.

ENTRY DEADLINE DEC. 7

All indications point to a widespread interest in the All-University wrestling tournament to be held Dec. 10 and 11, according to Jerry Adams, university wrestling mentor. Entries filed thus far indicate that a sizeable field of contestants will enter the meet. Men filed with Adams include: Mallon, Shuster, Focht, Kunzman, Rolofson, Brandt, Williams, Harris, Reynolds, Nordstrom, Leask, Lown, Levine, Swanson, Leymaster, Jack, Myers, Klingman, Bauder, Borman, Johnson, Kingston, Flasnick, Doherty and Kelp. "Several more entries will have been added before Dec. 7, which is the deadline for filing," Adams stated.

"We want as large a turnout for this tournament as possible," stated Adams. "All weight divisions will be represented. There is a lack of contestants in the lighter, light-heavy, and heavy ranks. Anyone wishing to enter should file with me immediately." Adams further stated that all men trying out for the tournament, or for freshman or varsity wrestling teams, are invited to attend varsity squad practice for conditioning. Practice is held daily from 4 to 6 on the coliseum mats.

As further preparation for the tournament, a series of meets between Ag college, the university classes and the city Y. M. C. A. have been conducted. In the second of the series, held last week the university classes emerged victorious over a field of twenty contestants to cop the meet with 19 1-2 points to 13 counters for the Y. M. C. A. bone-benders, and 9 1-2 for the Ag College men. Ag College won the first meet, last week, but was handicapped last week by a lack of contestants. Consequently, university men were matched among themselves to accommodate every suited man with a bout.

Summary:
122 lb. class—Nordstrom (U) threw Leask (Y) in 1:57 with a head scissors and arm-lock.
128 lb. class—Swanson (U) and Myers (AG) wrestled to a 6 minute draw.
135 lb. class—Leymaster (AG) threw Jack (U) in 2:35 with a half Nelson body.

165 lb. class—Brandt (U) threw Lown (U) in 5:03 with a cradle lock and leg grapevine. Levine (Y) defeated Klingman (AG) in a furiously-fought last-period rally.
185 lb. class—Bauder (U) won a nip-and-tuck battle from Robinson (AG) after Robinson had escaped from three fall positions.
175 lb. class—Bleck (Y) threw Borman (AG) in a furious bout with a body lock and arm hook.
Heavyweight class—Johnson (AG) won a close decision from Spomer (Y) in a cleverly-fought battle.

BOXING TOURNAMENT SCHEDULED DEC. 12

Gold and Silver Medals Will
Be Awarded Division
Winners.

OSTRAN, PETZ IN CHARGE

Nebraska university students will have an opportunity to display their pugilistic ability Dec. 12, at which time the boxing department and intramural athletic department will sponsor an all-university tournament in the gentle art of fistcuffs.

Prizes will be awarded the winner and runner up in each division, a gold medal acknowledging a champion and silver the second place winner.

The tournament is being run off jointly by Harold Petz, intramural director and Harold Ostran, boxing coach. It has become an annual event in the university sport curriculum for students who do not wish to try out for the team but like boxing for the sake of the art. It is hoped that more students will avail themselves of the opportunity given them to join the sport this year than in previous years, Ostran said, and early indications seem to the effect that they will be.

Entries will not be accepted after Monday, Dec. 10, since pairings must be made of whom is to

meet whom and when. Students desiring to compete should see Harold Petz in the intramural office, second floor, coliseum, or get in touch with Harold Ostran immediately.

Champions in the eight classes of weights will be determined. The classes are:
Flyweight—112 pounds and under.
Bantamweight—118 pounds and under.
Featherweight—126 pounds and under.
Lightweight—135 pounds and under.
Welterweight—147 pounds and under.
Middleweight—160 pounds and under.
Light heavyweight—175 pounds and under.
Heavyweight—175 pounds and over.
