

CAMPUSOCIETY

INNOVATIONS FOR THE '35 JUNIOR

Senior prom are appearing in great numbers around the campus. The latest, at least around has it so, is that the prom committee will assemble at a little gathering, no date dinner is the technical term, we believe, before the big event. Strange as it may seem, the arbiters of the biggest party of the year will go to dinner with one of their own membership, and then appear at the prom with the real date of the evening. On the surface it looks very innocent and "motiveless,"

but we're willing to bet that it's just a subtle method of having two dates for one event, and making it look quite conventional.

THE A. T. O.'S set quite a precedent when they announced the engagement of Bill Garlow and Jean Davies, so good, in fact, that at the Alpha Sig dinner dance Friday night, a rather latent announcement of Bailey-Livingston pin hanging made its appearance. Besides that little bit, that certainly added to the great success of the formal, dates of Alpha Sigs were presented with corsages of red roses, and dancing to the music of Eddie Jungbluth was featured between courses.

DINING AT the University club last night before the Kappa formal, were Kappas and S. A. E.'s, Kay Davis, Bill Stenten, Jeanie Huse, Dave Powell, Helene Wood, and Jerry Hunt.

AND AT THE Lincoln, Jean Rowe, Lindy Ryan, Mary Heaton, Jim Howell, Helen Jane Johnson, Ray Riggs, Ruth Mallory, Lynn Martin, Drucilla Davidson, Bill Marsh, Margaret Blaufuss, and Dick Mordant gathered to celebrate the same event at dinner.

the mascot of the Delta Gamma freshmen, DeeGee, a black and white fox terrier, has been found. For the benefit of those who have not heard about the great tragedy, DeeGee wandered away one day, and has not been seen, at least to our knowledge, since. The loss is felt strongly, and contributions in the shape of new terriers, or the same one, would probably be appreciated.

GAMMA PHI'S in town during this last Friday and Saturday were Willa Norris, and Mrs. Kenneth Kent, formerly Helen Scholtz.

IN TOWN for the week end was Betty Thomas, Alpha Phi alum from Washburn, Kansas, and visiting the Alpha Xi Delta house Thursday was Elizabeth Horrigan, alumna of the sorority.

Coaches Choose Men for Senior and Junior Post Friday.

Jack Mohr was selected to head the student football managers for the 1935 season at a special meeting of coaches and applicants Friday noon. Mohr is a senior from Holdrege.

At the same time, Don Wiemer, Omaha; George Bastian, Grand Island, and Bob Houston, Omaha, were chosen junior managers. This squad of four men will begin their duties immediately with the spring football team.

Mohr issued a call for all fresh who wish to try out for sophomore manager to meet with him at 3 p. m. Monday in the East stadium.

After a brief description of Queen Elizabeth, a coed wrote: "And besides, she had a long neck and was virtuous, and this was the reason they named Virginia after her."
