

Frosh Tracksters Stage Third Tricolor Meet Today

THREE TEAMS OF YEARLINGS READY FOR GALA FRACAS

Red Team Prepares to Lift Self Out From Under Orange, Green.

CRIMSON LAGS BEHIND

Dodd, Dawson, Frank Lead Field in Individual Point-Getting.

Three teams of non-varsity track artisans will carry the tricolor sport midway into the indoor season Tuesday afternoon at 4 o'clock when Ed Weir's freshman tracksters, wearing the garb characteristic of the communitist, meet the Orange and Green tracksters on the sub-stadium track in the third tricolor fracas of the 1935 state.

And as Coach Henry F. Schulte's three yearling cinder squads, stealing the limelight momentarily from the finish of the veterans in the Big Six championships at Columbia, lumber up for the engagement, the Reds, championed by Ed Weir, find themselves "on the spot."

For Harold Peltz's Green Shirts and the Orange-men championed by Francis Ayres have divided the top laurels in both the previous encounters, selfishly refusing the Weir-men a first place. The Reds copped a second in the tilt two weeks ago, taking seven first places as against two for the victorious Greens, but falling down in seconds and thirds with which to back them up. And the two first place holders shut the Crimson Shirts out of the upper berths altogether in the first meet of the season, when the Orange hit the tape first with the ruthless and remorseless Greens immediately following to take the second altitude.

But this time, according to Weir, former Husker All-American and track star, it's the Reds' night to howl. The Redman is out for blood, and intends to use his track tomahawk to full advantage in scalping the opposition of their cinder laurels.

The meet will be the third of a series of seven to determine the capabilities of each candidate and prepare him for varsity competition. The men having the highest number of points at the end of the competition will receive the tricolor letter awards. Although individual points have not yet been compiled, Cecil Dodd, Gothenberg pole vaulter who cleared 12 feet 4 inches recently; Fred Dawson, quarter mile and broad jump ace, and Eldon Frank, St. Edward fielder top gun, seem to lead the field in possession of the things it takes to win track meets.

Merrill Discusses Tax Plan in Article For Yale Magazine

Decisions of the United States supreme court on the subject of state jurisdiction to tax have been discussed by Prof. M. H. Merrill of the University of Nebraska college of law in a recent article. He has given it the title, "Jurisdiction to Tax—Another Word." It appears in the February issue of the Yale Law Journal.

In this article Professor Merrill points out that the decisions of the supreme court of the United States prior to 1930 made state jurisdiction to tax dependent upon the state's power to render some benefit in respect to the object of taxation. Thus it might be possible for more than one state to tax the same object.

WASHINGTON VOTES TO KEEP R.O.T.C. OPTIONAL

Questionnaire Reveals Only 25 Favor Compulsory Military Training.

WORLD COURT APPROVED

ST. LOUIS, Mo.—Retention of the present system of offering military training as an optional course at Washington university here was voted by students of the institution in a recent questionnaire survey.

Of those that voted, a total of 297 favored optional military training, 70 favored the abolition of the R. O. T. C. unit, while only 25 signified that they would welcome compulsory military service as a part of the collegiate course.

The survey also included many other points-of-difference among students, and a large majority favored a compulsory year-book fee and a compulsory student activity fee.

The vote on censorship of student publications by the student governing body was close, but the proponents of a free press lost by a vote of 228 to 192. When it came to the question of the way in which FERPA work had been conducted on the campus, a total of 197 students signified that they thought it was poorly handled, although 201 thought that it was satisfactory under the present arrangements.

Large majorities approved the retention of the predominance of intercollegiate sports as against intramural sports, the development of greater administrative functions for the student council, and the continuation by college officials at Washington and at other colleges of the policy of non-interference in the participation of students in "public political controversies and demonstrations as long as they keep within the public law."

The biggest majority in favor of any one question in the entire questionnaire was rolled up by those who favored participation of the United States in the Olympic games at Berlin.

Students voted almost 3 to 1 in favor of joining the world court and the League of Nations, thus registering a stronger majority for international co-operation than that cast in a recent nation-wide poll by Washington university students.

MARIA JERITZA, FAMOUS OPERA STAR, IS CZECH, NOT AUSTRIAN.

(Continued from Page 1.)

Ludvik Jeritza, and Bartik, the director of the Ballet, who is also a Bohemian, never conversed in any language other than the Czech.

Jeritza was the first famous prima donna to be called beautiful in appearance as well as voice. Puccini considers her acting even greater than her voice, calling her the "singing" actress.

Mme. Jeritza will appear in the title role of "Tosca," famous Puccini opera. It is significant that Jeritza was the composer's ideal of Tosca—Puccini often traveling from Milan to Vienna so that he might conduct the opera with her in the title role. The thrilling second act will be presented at the coliseum Tuesday night with Carlo Morelli in the sinister role of Baron Scarpia and Myron Duncan, the new tenor of the Chicago Opera, as Cavaradosi, the tortured painter. This is the role in which he made his Chicago debut last November.

LOVER DIVINE is a distinct contribution to the screen.

HUSKER GRIDMEN SPEND MONDAY IN WORK ON PASSING

Two Scarlet Elevens Take Turns at Flipping Football.

Nebraska's Husker gridiron crew, entering Monday into its second week of training as the foundation of a mechanized system to which the framework and inishing touches will be added in fall practice next September, found the outdoor practice field a refreshing sight after a week of captivity inside the stadium walls.

Following the first scrimmage of the year Saturday afternoon—a scrimmage permitted by a break in wintry snows—the Scarlet ball handlers turned Monday to the passing and booting end of the game. It was the first aerial session of the year, Coach Dana Bible having been forced to give his leather workers a severe dose of signal drill in the narrow confines (for a football player with a ball to take some place) of the stadium track arena.

And the Scarlet enthusiasts, with only one scrimmage under their belts responded to the release from captivity with a volley of passing and booting which filled the air with twisting, whirling spheres. But the Scarlet head football mentor subjected his lusty hopefuls to a preparatory signal session before allowing them to take to the air. Thereupon Coach Bible called into order the main business of afternoon, directing his proteges to put into operation plays based on a passing attack.

Wally DeBrown, Lincoln big fellow, and Don Fiasnick, Omaha lad, were present at the Monday session, having completed the wrestling season with the Big Six championships last week. Harold Brill, Norton, Kansas ball juggler, showed up with a slash under his eye, the result of an encounter in Saturday's scrimmage.

Coach Bible is pointing for a scrimmage this weekend before the coaches of the class A basketball teams attending the cage tournament.

BARB GROUP CHANGES DATE OF JOINT PARTY

Stover Names Committees For Final Dance of All-Barb Series.

Postponement of the All-Barb party originally scheduled for March 13 until Friday, March 23, at the Armory was announced Monday by John Stover, president of the Barb Inter-collegiate council. The affair is under the joint sponsorship of the council and the A. W. S. League.

This function will be the third and probably the last All-Barb party of the year, according to Stover, the others having been held in November and January. The orchestra has not been selected, but the admission price is set for 25 cents per couple. The time and place is being given up by the regular Friday night social dancing class.

Plans to make the party the most successful of the three affairs are being made by Stover, William Newcomer, and Evelyn Diamond.

NEBRASKA NINE GOES OUTSIDE FOR DRILLS

Soft Ground, Chilly Wind Prevent Extended Workout.

Husker baseball prospects for 1935 could be seen in action Monday as Coach Wilbur Knight's diamond squad engaged in its first outdoor session on the Ag college playing field yesterday afternoon. Soft ground and chilly winds throttled the practice down a light batting and fielding drill.

Infielders had a hard time picking up bunts from the soft earth while batters took advantage of their opportunity to get in a few practice runs to first.

As the men took turns attempting to blast offerings of Ed Spurrlock, on the mound, Coach Knight had his first glimpse of Husker hitting power. Ed Orcutt, Ed Pohlman, and Gene Stenberg, members of last year's team, and Howard Baker, basketball player, were most effective at the plate.

Coach Knight expects to drill the squad outside this week. Pitchers, however, will remain inside until warmer weather comes, to eliminate chance of developing "pneumonia" in their arms.
