## GUEST INSTRUCTORS WILL TEACH SPECIAL COURSES IN SESSION

### Thirteen Famous Visitors Are Invited to Join University Staff.

In addition to the regular teaching staff, the university has invited thirteen nationally known instructors to offer courses and lectures in specialized fields during the summer sessions.

Dr. E. N. Anderson of the department of modern European history of the University of Chicago will assist in the history department. He is both a famous student and traveler, and the author of a pre-war diplomatic history.

Dr. Horace B. English, professor of educational psychology at Ohio State University, will teach here in his field this summer. A former Nebraskan, Dr. English was Nebraska's Rhodes scholar to Oxford from 1911 to 1914.

Hebel, Howerton.

Elizabeth Hebel is an outstanding authority in the field of primary reading and social studies, and is now an instructor in the Teachers College at St. Cloud, Minn. She offers courses in elementary education.

George R. Howerton, on the music faculty of Hiram College, Ohio, is an authority on conducting and is also well prepared to present a methods and musical materials course for choral work.

Elsie Neota Larson, graduate of Nebraska, has taken her professional training in the Chicago School of Social Service and in the Minnesota Training School for Social and Civic Work.

Linn, Mackintosh.

Dr. H. H. Linn is business manager and assistant superintendent of schools at Muskegon, Mich. One of the leaders in the field of school administration, Dr. Linn is also acquainted with Nebraska conditions.

## SUMMER RECREATION PROGRAM IS PLANNED

### Private University Parties Each Friday Feature Fun Schedule.

Plans are being made for an interesting summer program of recreation at Nebraska, with Prof. E. W. Lantz again in charge of arrangements. Private university parties in the coliseum each Friday night will again feature the program.

Opening the season's activity, the first party will be held in the coliseum Friday evening, June 21. Professor Lantz indicated that good 10- or 11-piece orchestras will be secured for each of these weekly parties. An admission price of 10 cents will be charged, and only university people will attend.

Under organized supervision by experienced directors, men's and women's playground ball contests will be staged during the summer. The customary golf and horseshoe tournaments will be arranged; and numerous parties and steak fries will mark the program.

### Summer Director

Prof. R. D. Moritz

### Director Moritz Greets Students

Greetings to summer session students:

I extend to you a most cordial welcome from the University of Nebraska. All the facilities for study and research which the university can command are placed at your disposal.

A sincere attempt has been made to offer you work in all the various branches of study, both liberal and professional, which you desire. The entire curriculum has been planned to fit your needs as a summer student.

For the university I wish to assure you that every effort will be made to make your stay here both pleasant and profitable. For the summer session faculty I wish to say that it is our earnest wish that you will find the summer valuable, and that your experiences here may bring you happiness during both the present and the future.

R. D. MORITZ, Director of the Summer Session.

### Deming Publishes Fourth Edition of Chemistry Text

Dr. H. G. Deming, professor of chemistry at the university, is publishing a fourth edition of his "General Chemistry," noting the chemical progress of the past five years. At the same time, a Chinese translation is about to be issued by Prof. Chih-Hsien Yen of Soochow university. A photograph of the Nebraska author carried a legend in Chinese characters: "This book humbly seeks to assist in the dedication of a great science to the service of a great race."

### Denice Greene Receives Art School Scholarship

Miss Denice Greene of Elmwood has been awarded the Riorden-Morey scholarship for one year to the Chicago Art Institute. Miss Greene was graduated from the department of fine arts last year, and has been instructing in fine arts since that time. This scholarship is offered in alternate years, and has been won previously at the university by John Stenvall and Harold Hart.

### University Chancellor

CHANCELLOR E. A. BURNETT

### Chancellor Burnett Sends a Welcome

May I take this opportunity of extending greetings and best wishes to you who have come to study with us at the Summer Session of the University of Nebraska. I hope that your stay in Lincoln will be both profitable and enjoyable.

Please bear in mind that the University of Nebraska is your university and that we are anxious to serve you to the extent of our ability.

CHANCELLOR E. A. BURNETT

## MORITZ FORECASTS BIGGER ENROLLMENT IN SUMMER SESSION

### Students Register Today in Coliseum; Classes to Begin Monday.

An increase in enrollment this summer over that of last year was predicted by R. D. Moritz, director of the university summer session, as preparations were made to begin classes on Monday. Altho no registration figures were available, early student inquiries gave the director reason for his belief.

"Indications are that the enrollment will exceed that of previous years, particularly that of last year," Mr. Moritz said. "Letters from Nebraska and neighboring states show great interest; and we look for many registrants in the graduate college."

Registration for the forty-first annual summer session opens Friday morning at 8 o'clock in the university coliseum, which will be for both the six and nine week periods. Saturday noon brings the close of registration; and classes begin Monday morning at 7 o'clock.

Many Courses Offered.

Work will be offered in twenty-nine departments during the long session which ends Aug. 9; and in twenty-one departments for the short session closing July 26. More than 150 instructors and professors will be on the summer

## MUSIC OFFERED FOR SECONDARY STUDENTS

### High School Boys and Girls, Supervisors Will Begin Courses Monday.

High school students from Nebraska towns will meet again this summer at the University of Nebraska for their special all-state high school courses in band, chorus and orchestra. Registration for the session will be at 8 o'clock Monday morning, June 17, and the courses end on July 12.

For high school music supervisors the summer course runs during the same time—from June 17 to July 12. Special classes will be conducted to study the teaching of music.

Besides thirty members of the regular University school of music faculty two nationally known conductors will return to give training in group music activities. W. W. Norton is president of the North Central Music Supervisors Conference and is on the staff of the National Camp at Interlochen, Michigan. He will instruct in band and orchestra. G. R. Howerton, director of music at Hiram College, will conduct the chorus, and instruct in choral direction.

More to Enroll.

For the courses last summer 100 students registered, and Director Howard Kirkpatrick of the University of Nebraska School of Music believes the number will be increased this year. More than seventy-five schools were represented by the young people.

Membership is open to high school students inclusive of those who graduate in January or June
