VOL. XXXV—NO. 35.

LINCOLN, NEBRASKA, TUESDAY, NOVEMBER 5, 1935.

PRICE 5 CENTS

PRESENTATION OF CUPS FEATURE OF BANQUET TONIGHT

7 Trophies to Be Awarded At Panhellenic Affair.

600 GIRLS EXPECTED

Miss Kizer Toastmistress At 6:15 Dinner at Cornhusker.

Presentation of seven scholastic cups to the six sororities highest in scholarship and the group making the most progress in scholastic standing during the year will be a feature of the annual panhellenic banquet to be staged this evening at 6:15 o'clock at the Cornhusker hotel. Approximately six hundred sorority members are expected to attend the affair. Miss Charlotte Kizer, president of the city panhellenic council, which sponsors the event, is scheduled to act as toastmistress for the banquet and will also present the scholarship awards.

To Display Formals.

The program, according to Mrs. Oliver Hallam, program chairman, will include an exhibition of formals dating from 1905 to 1935 carried out in the form of a style show with one girl from each sorority on the campus modeling a dress. Songs representative of the period in which the various dresses were the vogue will be sung by Mrs. Harriet Kruse Kemmer during the display. Mrs. Kemmer will be accompanied by Mrs. Harriet Daly Ayres.

Mrs. Paul C. Bieberstein, Zeta Tau Alpha, as general chairman, is in charge of preparations for the banquet. Assisting her will be Mrs. Oliver Hallam, Alpha Omicron Pi, program chairman and the program committee composed of Mrs. Joyce Ayres, Alpha Phi, Miss Henrietta Dierks, Chi Omega, Mrs. Forest Reed, Alpha Delta Theta, Miss Zelma Harris, Alpha Omicron Pi, and Mrs. Albert Lucke, Delta Gamma. Working on the ticket committee are Mrs. Richard Skold, Phi Omega Pi, chairman, Mrs. Roy Whitman, Pi Beta Phi, Miss Carol Auten, Alpha Xi Delta, and Mrs. Orin Barber, Kappa Alpha Theta. Mrs. Noyes Rogers, Zeta Beta Phi, is chairman of the decorations committee. Made up of Mrs. Hoyt Hawke, Kappa Kappa Gamma, Mrs. William E. Johnson, Alpha Delta Pi, Miss Blanche Austin, Delta Zeta, Miss Louise King, Delta Gamma, Mrs. Joe Carroll, Theta Phi Alpha, Mrs. S. F. Bergen, Sigma Delta Tau, Mrs. Glen Ullstrom, Kappa Delta, Mrs. Arnold Keinebecker, Chi Omega, and Mrs. Guy Phillips, Sigma Kappa.

Mrs. Tempel Heads Group.

Mrs. William Tempel, Gamma Phi Beta, is in charge of obtaining cups for the banquet and her assistants are: Mrs. Douglas Cain, Delta Delta Delta, and Miss Bernice Lieberman, Sigma Delta Tau. Menu chairman will be Mrs. Frank Dice, Alpha Chi Omega and other committee women include: Mrs. George Hawker, Kappa Kappa Gamma, and Mrs. Vaux Risser, Phi Mu. Mrs. Gerald Carpenter, Kappa Alpha Theta, is in charge of seating arrangements with Mrs. E. H. Hammond, Delta Delta Delta and Dr. Elizabeth Williamson, Alpha Xi Delta assisting her. The awards committee is composed of Mrs. Earl Deppen, Kappa Delta, chairman, Miss Colette Aiken, Zeta Beta Phi, Miss DeMaris Hilliard, Alpha Chi Omega, Mrs. F. E. Hentzlik, Zeta Tau Alpha, and Mrs. Robert Mallory, Phi Mu.

SCHOLARSHIP WINNER TO BE CHOSEN TONIGHT

Honorary Chemistry Group Holds Meeting at 7:30.

Receiver of Phi Lambda Upsilon's freshman scholarship cup will be selected by members of the honorary chemistry fraternity at their regular meeting at 7:30 o'clock this evening in chemistry hall lecture room.

Freshmen chemistry students of last year who had exceptionally good averages will be considered and the winner of the award named, according to Don Sarbach, president of the society. The student will have his name engraved on the cup.

The date for the annual Phi Lambda Upsilon fall banquet will also be set. It is at this dinner that the cup is presented, Sarbach stated.

Oliver Shearer Returns From Circuit Over State

Oliver Shearer of the geological survey of the university returned Monday from a circuit thru the state in connection with the reading of ground water levels in about three hundred wells.

FLEISCHER TO HEAD PHARMACY SOCIETY

Organization Makes Plans for Annual Fall Picnic.

Pharmaceutical club of the university, elected officers for the coming year at its initial meeting of the year.

Leonard Fleischer has been elected president of the club. The remaining officers are Wayne Ruddy, vice president, and James Bost, treasurer.

Tentative plans for the coming year include the annual fall picnic sponsored by the club, and night meetings sponsored by the faculty in which entertaining and educational features are combined.

DECORATIONS ON HOUSES PLANNED FOR HOMECOMING

Silver Cup Is Award for Best Fraternity Idea; Cost Limited to \$25.

Competition for best Homecoming decorations—the first since 1930—will be staged this year for the Kansas State-Nebraska football week end under sponsorship of the Innocents Society. To replace the cash prize offered formerly, a silver cup, now on display in Long's Bookstore window, will be awarded to the winner.

Any fraternity may make an entry, which should be filed at the Daily Nebraskan office before Thursday. Three judges, two selected from the faculty and one from Lincoln businessmen will choose the outstanding decorations. Although no contest was held last year, several houses put up decorations as an individual project. This year, the winner, whose name will be engraved on the cup, shall keep the trophy for the coming year.

A \$25 limit on cost of materials for the decorative schemes has been set by the organization, according to Jack Pace, Innocent in charge of the contest. "We have received several entries," Pace stated, "and advance views of several plans indicate that an interesting battle will be staged for the cup."

Winners in 1929, next-to-last year of competition, were Zeta Tau Alpha and Chi Phi. In 1930, Kappa Delta and Delta Tau Delta won prizes. A deadline for submitting expense accounts will be set by the society before the judging committee makes its tour.

SPECIAL VESPERS TO HONOR Y. W. WORKERS

Total Collections in Drive Reach \$509 in Check Monday.

High point workers in the Y. W. C. A. Fall Fund Festival will be honored at a special dedication vesper service Tuesday, Nov. 5, at 5 o'clock in Ellen Smith hall. At the check-up Monday noon, the total collections amounted to \$509.00. "We sincerely hope all workers on the drive will realize their responsibility, today, and do some intensive work in obtaining gift contributions and memberships," stated Gayle Caley, chairman of the finance staff.

At Monday's report meeting, Frances Scudder, junior executive, and Maxine Duran, sophomore captain, were high point girls. Lorraine Hitchcock, Y. W. president, will receive the collections of the class groups, to be presented by the various executives, at the vesper service.

The program will consist of a violin solo by Evelyn Witte, a special number by the vesper choir. Miss Green, Y. W. secretary, will speak to the group on "Service," to be followed by a talk from Gayle Caley on appreciation of the work done during the drive. Frances Scudder will lead the devotionals.

A final check-up at the last report meeting will be made Tuesday, Nov. 5, at 12, and all executives, captains, and workers are requested to be there.

SAENZ COLLABORATES IN EDITING COMEDIES

Romance Language Prof. Arranges Spanish Plays For Publication.

Prof. Hilario Saenz of the Romance Language department at the university and Prof. Juan Cano at the University of Toronto have completed editing a book of six Spanish comedies and are planning to send it to Heath & Co. for publication the latter part of this week. The plays, by modern Spanish authors, are arranged to be used as texts in secondary classes for high schools or colleges.

Although the plays in the book are not original they have been revised and changed in order that they may be easier to understand.

'LET US BE GAY' NEXT UNIVERSITY PLAYERS DRAMA

Frances McChesney Returns To Play Feminine Lead Role.

OPENS MONDAY, NOV. 11

Jane McLaughlin, Hunter Star as Opposite Characters.

"Let Us Be Gay," a roaring comedy which Broadway critics declared "sensational" in the midst of an otherwise uneventful season, will make its debut on the Nebraska stage as the University Players open for their second production of the year on Monday, Nov. 11. The play is a sophisticated comedy of manners done in the best American tradition and has been termed as Rachel Crothers' most brilliant production.

The Players boast one of the strongest casts in the history of the organization as they prepare for the opening which will star Miss Frances McChesney, favorite player of a few years back and at present instructor of dramatics at Lincoln high school, Miss McChesney will be remembered for her outstanding performances while a university student as Juliet in "Romeo and Juliet" when she played opposite Herbert Yenne now an instructor in the speech department. Her part in "Let Us Be Gay" is that of a girl who is (Continued on Page 4)

HUSKERMEN SEND IN 300 RESERVATIONS FOR 'N' CLUB LUNCH

Homecoming Banquet Draws Large Crowd of Former Lettermen.

About 300 reservations have already been received for the annual N club luncheon to be held Saturday noon in the Coliseum, according to Fred Chambers, president of the group.

All guests from the classes of 1900 to 1910 will be especially honored at this year's luncheon, although all those who were members of the organization before and after these dates are invited to attend. About fifty of the reservations received are from athletes who were in school between 1900 and 1910.

"The luncheon is one of the biggest features of homecoming," Chambers stated, "and is held especially for former Nebraska athletes. We have received many letters from members who will not be able to be present."

The tables will be decorated appropriately for homecoming and Linus and Leon Carroll will furnish music during the luncheon. Publicity for the affair is being arranged by Lester Pankinson and entertainment by Neil Mering.

460 RIFLES ADDED TO ARSENAL OF R.O.T.C.

Carpenters Build New Racks To Accommodate Added Pieces.

Four hundred and sixty new Springfield rifles and the necessary spare parts were added to the R. O. T. C. arsenal recently and are now being assembled by Military Department NYA workers.

No other space being available, carpenters are building new rifle racks above the old to accommodate the additional pieces.

Arrival of four hundred more regulation basic drill uniforms will enable the military stores department to outfit all but the "forty-two" waistline cadets at an early date, Mr. Kidwell announced Friday.

To date a total of 1,685 basic drill uniforms have been checked out, setting an all time record for the Nebraska unit, the previous mark being 1,350.

FLING WRITES MANUAL ON FRENCH PHONETICS

Book to Be in French With Footnotes in English Language.

A manual of practical French phonetics to be used in the university is being edited by Wentworth Fling, instructor in the Romance Language department. Mr. Fling is trying to produce something sufficiently simple and at the same time accurate.

"Everything that has been published up to date is either too complicated or so full of inaccuracies as to be detrimental to the student," Fling asserted.

M'INTYRE SPEAKER FOR NU-MED DINNER

Pre-Med Society Meets Wednesday at Annex.

Prof. A. H. McIntyre of the school of medicine will be guest speaker at the monthly Nu-Med banquet, to be held in the Annex cafe Wednesday, Nov. 6, at 6:15 o'clock. Professor McIntyre, who recently joined the Omaha staff, will speak on "Teaching and Research in Medicine."

All pre-medical students are urged to attend this meeting, which will be the last one open to students other than members of the Nu-Med society. While tickets may be purchased at the door, those wishing to attend are requested to make reservations with Dr. Wade, Pre-Med advisor, by Wednesday morning.

GRACE M'GASLIN SPEAKS AT A.W.S. FRESHMAN GROUP

Students to Learn Facts About Selecting Vocations.

Miss Grace McGaslin, representative of the federal re-employment bureau in Lincoln, will appear before members of the freshman A. W. S. activities group to discuss the subject of vocational education on Wednesday, Nov. 6 at 5 o'clock in Ellen Smith hall.

The speaker's address will cover the general scope of vocational education and is scheduled for the purpose of informing the freshman group about important facts in choosing a vocation and the necessity of choosing a worthwhile one.

"Through her work Miss McGaslin comes in close contact with the employment situation daily and will be able to give helpful advice to those interested in choosing a vocation," stated Elsie Buxman, A. W. S. board member and leader of the freshman organization in recommending the coming meeting to freshmen girls.

Another section of parliamentary law will be depicted in a skit given by Jean Leftwich and Dolores Bore at this same gathering. Girls selected to serve on the refreshment committee for the Cornhusker costume party for girls, which is sponsored by the A. W. S. board and is to be staged Nov. 21, will be announced on Wednesday.

STUDENTS SHIVER AS LOW TEMPERATURES DESCEND ON CAMPUS

Winter's Initial Invasion Brings Thermometer Down to 22.

Rapidly falling temperatures brought shivers to the campus Monday and predictions of 15 degree winter weather for today produced overcoats and mufflers for the first time this fall.

Lowest point recorded by the weather bureau for Lincoln Monday was 22 degrees between 7 and 8 o'clock rising to 25 above at 2 o'clock.

The first major invasion of winter brought cold weather to all parts of the state with heavy snow fall reported in the northwest section Sunday. A cold northwest wind whipped across the state bringing temperatures ranging from 14 to 28 degrees.

In the west and north sections of the state generally warmer weather was the outlook for today, according to the weather bureau. For southeast Nebraska, however, the prediction was colder weather. The lowest temperature recorded in Lincoln to date was the 20 degree reading on Oct. 31.

Blinding storms of snow blanketing the Rocky mountain area prevented the arrival of Captain Frank Hawks, noted aviator who was scheduled to arrive in Lincoln Monday in connection with the memorial drive conducted in memory of Will Rogers.

PANHHELLENIC COUNCIL HOLDS MEETING NOV. 4

Misses Peake and Wheeler Speak About Sorority Conventions.

Members of the panhellenic body on the campus held their regular meeting on Monday afternoon, Nov. 4 at 5 o'clock in the drawing room of Ellen Smith hall.

Two short talks describing national conventions of two sororities at the university were features of the program. Corris Peake gave a discussion of the national Alpha Omicron Pi convention which was held at Ferry hall in Chicago last summer and Nadine Wheeler told the group of the national Kappa Delta convocation staged at Pasadena, Calif., this year.

PESTER PREDICTS SUDDEN INCREASE IN ANNUAL SALES

Business Manager Believes Fund Replenishment to Aid Subscriptions.

SALESMEN TO COMPETE

Three Selling the Greatest Number of Cornhuskers to Get Prizes.

Predicting a sudden increase in Cornhusker sales due to the first of the month and replenished student finances, Eugene Pester, business manager of the annual, announced on Monday that the sale had already approached last year's mark and by the end of the week would be considerably over.

According to Pester a competition between salesmen will be instituted. Prizes will be given to the three selling the largest number of books.

Groups Have Two Candidates.

Five sororities have already sold enough year books to nominate two candidates each and ten others one entry each for the annual Queens contest. Pester expects all sororities to have nominees entered by the deadline on Wednesday, Nov. 13. Sororities must purchase twenty books for each girl entered by Friday of this week.

Faith Arnold, editor-in-chief, announces an enlarged Queen-section this year. Two pages will be (Continued on Page 2.)

NOVEMBER ISSUE OF BLUE PRINT PLACED ON CAMPUS STANDS

Generator Design Features Cover of Engineering Magazine.

A generator design decorates the cover of the November issue of the Nebraska Blue Print, engineering magazine, which is placed on the stands and in the mail today.

Featured in the publication is an article on "Rural Electrification," an informative discussion of the rural program from the standpoint of the private power company written by the editor, Ted Schroeder. In next month's issue a sequel to this article will appear. It will describe the government's plans for rural electrification and will be written by W. F. Lewis, agricultural research engineer at the college of agriculture.

An obituary article on O. V. P. Stout, former dean of the engineering college, by O. J. Ferguson, present dean, appears in the issue.

"A Day at Camp Nebraska," an article describing the civil engineers' summer surveying camp near Ashland, written by Lowell Newmyer, is included. In the Dean's Corner, a regular Blue Print feature, Dean Ferguson writes on "Joining Your Engineering Society."

Other features include Engineering, Alumnae, and a full page of Sledge written by Frank Meier.

Chancellor Is Visited by Minnesota Soil Surveyor

Prof. F. J. Alway, chairman of the soil department and the state soil survey of the University of Minnesota, visited Emeritus Chancellor Avery, Chancellor Burnett, and Dr. G. E. Condra Monday.

Professor Alway and Dr. Avery were boyhood friends and also were students in Germany together. Professor Alway was at Nebraska prior to his work in Minnesota.

Coed Politicians Sought for 'Anti Anti-Women Campaign'

University women who have been cheated out of a political career in college by the Mortar Board's stand against women's politics, may find solace in anticipating their chances for becoming president or vice-president of the United States some time in the near future. According to Lillian D. Rock, as quoted by the Literary Digest and a few other magazines you may have missed, a woman will be vice president within the next decade, and presidency for the fairer sex will come soon after that.

In order to see that her prophesy comes true Miss Rock has organized a League for a Woman President and Vice-president, with which she expects to unite the women of the country so that no one can deny their demands. If her anticipations are realized it looks seriously as though women, in the future, will rule the country as well as the home.

Miss Rock is very insistent that

WERKMEISTER TALKS TO GERMAN STUDENTS

Club Meeting Planned for 7:30 Tonight in Morrill.

First meeting of the German club will be held this evening, Nov. 5, at 7:30 o'clock, in Morrill hall. Dr. W. H. Werkmeister, assistant professor of philosophy, will speak in German on "Student Life in Germany." His talk will be illustrated with lantern slides. There will also be group singing of all students of German and any others who are interested are invited to attend.

KOSMET KLUB TO CHOOSE 14 SKITS FOR FALL REVUE

Judging to Be Completed Thursday; to Use Curtain Acts.

Final judging of Kosmet Klub skits will be held Tuesday, Wednesday, and Thursday, when fourteen skits, seven fraternity and seven sorority, will be chosen for the Kosmet Klub Revue, Saturday, Nov. 23. Four-minute curtain acts will be taken from some of the eliminated skits, the number depending upon the talent.

Immediately after the last judging Thursday night both skit and curtain-act winners will be decided, and announced Friday. Curtain acts will have the same consideration as skits. Judges are Clayton Schwenk, Richard Schmidt, Bill Garlow, Carl Wigggenhorn, Bob Pierce, and Bill Marsh.

Skits Two Long.

Speaking of the preliminary judging last week, Clayton Schwenk, president, said, "The only criticism is that the skits are too long. They will be timed this week and will have to be under eight minutes. They must be smoothed out, and given just what they are to be in the Revue. We are well satisfied, though, finding that the acts have a lot of talent."

The schedule for tonight's judging is as follows: 7:15, Delta Tau Delta; 7:30, Pi Kappa Alpha; 7:45, Sigma Alpha Epsilon; 8:00, Alpha Sigma Phi; 8:15, Sigma Epsilon; 8:30, Delta Upsilon; and 8:45, Freshing Rifles. The hours for Wednesday and Thursday night's final review will be published in tomorrow's and Thursday's Nebraskans.

Presentation of Nebraska Sweetheart, chosen in last Tuesday's election and to be kept secret until the Revue, will consist of a grand finale, all actors participating. Bob Pierce is in charge of plans for the presentation.

Tickets on Sale.

Tickets were issued to a large number of workers and posters put up last Thursday, as Kosmet Klub started its sales drive. Although there has been open field in ticket sales so far, next Thursday workers will be limited to a certain number of fraternities and sororities so that unaffiliated members will have an equal chance, according to Bill Garlow, business chairman. The field is to be thrown open again a week before the show.

FACULTY MEMBERS TO ATTEND DENTAL MEET

Hooper to Show Denture Construction Film Colored Film.

Several members of the dental college staff will attend the annual convention of the American Dental Association being held Nov. 4 to 8 at New Orleans. Dr. B. L. Hooper and Dr. A. H. Schmidt will attend the national association convention on the dental meeting, which precedes the dental meeting.

Dr. Hooper will present a new way, through the medium of a color movie, material on the immediate denture construction. Dr. G. L. Spencer is going as a delegate to the supreme chapter of Delta Sigma Delta and Dr. F. A. Pierson, as secretary of the Nebraska association, is an official delegate to the house of delegates of the A. D. A. Dr. John Brauer, as chairman of the college committee, will give a report before the American Society for the Promotion of Dentistry for Children.

"If a woman can inherit a throne she can earn the presidency," asserts Miss Rock. The league was organized early this year and hasn't, as yet, spent one cent for publicity. It has been getting plenty without paying for it. And as for the league—we women are for it.

GENTRY TO PLAY AT HOMECOMING PARTY SATURDAY

Innocents to Sponsor First Big All-University Affair.

BALL CLIMAXES GAME

Autographed Football to Be Given to Lucky Person.

Tom Gentry and his ambassadors, featured CBS and WGN orchestra, secured to play for the Homecoming Ball, first big all-university affair, sponsored by the Innocents, senior men's honorary, will climax the day of the "Kansas-Nebraska football game. Highlights of the affair, to be held Saturday, Nov. 9, in the coliseum, will be the presentation of a regulation football, autographed by all members of the Cornhusker football squad and Head Coach Dana X. Bible, to some lucky person attending the ball, it was announced Monday by the Innocents.

Plays in Kentucky.

Gentry's band just recently closed at the exclusive Greystone club in Louisville, Ky., and are now playing party dates in and around Chicago. Before the Greystone engagement, they were in the Blue room of the Hotel Roosevelt, New Orleans, and have played such famous spots as the Blue Ribbon casino during the world's fair; also the Blackstone hotel and the Opera club, Chicago. It is also generally known that Gentry was formerly a picture star, appearing in numerous western productions.

Drawing Increases Interest.

"Drawing of the football is expected to attract much interest," Don Shurtleff, Innocent, stated, "as a football bearing the signatures of Nebraska's well known football team and Coach Bible is undoubtedly worth having."

All persons present will keep the stubs to their tickets and during the intermission the drawing will be made, stated Shurtleff, member of the honorary in charge.

Decoration Competition.

To augment the two features of Homecoming day, various groups have special entertainment planned for their alumni. Competition will be reopened for the best Homecoming decorations among fraternities on the campus; house parties have been planned for the preceding night, and alumni dinners will be staged before the dance.

Committee chairmen for the society are Don Shurtleff, orchestra; Irwin Ryan, publicity; Jim Marvin, decorations, and Irving Hill, tickets.

WHITNEY TO DISCUSS HEREDITY ELEMENTS

Chairman Zoology Division Speaker at Sigma Xi Meeting.

Discussing "Heredity in Man," Dr. D. D. Whitney, chairman of the zoology department, will be guest speaker at the second meeting of Sigma Xi, Tuesday evening at 8 p. m. The address will be presented on the medical college campus in the south amphitheater at Omaha, according to Dr. E. N. Andersen, secretary.

The speaker will give a general outline of recent investigations concerning the mechanisms of inheritance. A comparison of the similarity of inheritance in plants, animals, and people as well as the inheritance of mental traits, including the possibility of alternating inheritance, will also be given. At 6:30 there is to be a banquet for those who wish to attend.

Two research prizes of \$1,000 each will be awarded at the semi-centennial celebration of Sigma Xi next June. Dr. Andersen announced. One award is to be in the field of physical sciences and one in life sciences. Candidates need not be associated with the chapter or club or located in their geographical section, but they must be recognized research workers under 40 years of age. Dr. Whitney is a member of the committee named to consider nominations from this chapter.

ENGINEERS INSPECT LOUP RIVER PROJECT

Institute Members View Various Features of Power System.

Members of the American Institute of Electrical Engineers are making an inspection of the Loup river power project at Columbus Wednesday. An examination of the various features of the well known project is being made. Approximately 30 members of the society are making the tour. They were accompanied by Dean O. J. Ferguson of the engineering college, Prof. F. W. Norris and Prof. L. A. Bingham, both of the E. E. department.
