

### CAMPUSOCIETY

**AGREED... THAT THIS HAS BEEN** the biggest weekend since we came to school... some two months ago. With sorority and fraternity houses filled to overflowing with alumni, Kansas guests, friends, relatives, et cetera... with plenty of entertainment for all concerned... a profusion of house parties Friday night... tea dances after the game... the Homecoming Ball last night... not to mention the high spot which took place yesterday afternoon in Memorial stadium... going to college has assumed a sunny side... and most of us have forgotten (for a few days at least) that there are such things as mid-semester, 8 o'clocks, and routine living.

SEEN over the weekend: Football balloons on the ceiling and caricatures of the team at the Theta house party... confetti ankle deep at the Pi Phi house... Virginia Anderson holding an ice pack to her cheek, dancing with Bill Marsh at the Theta house... Mrs. Petermichel, Pi Phi house-mother... a charming hostess in blue velvet... Dal Tassie, Barbara Damewood, Noble Ayres and Jay Campbell, playing tag in the Beta homecoming cornfield... that laugh connected with the S. A. E. decoration driving passersby and neighbors slowly insane... Joe E. Brown's picture looking rather weird in the blue light at the Phi Psi party... a Kansas car with one of the slogan cards reversed to say "Kansas Kan"... Sancha Kilbourn and Bernie McKerney, at the Pi Phi party... D. U. and Alpha Chi parties being very exclusive... Wood Shurtleff and Ruth Sears gazing at the Pi Phi masterpiece... R. W. Franz dancing at the Theta house... Beta Joe Roth and Esther Souder, Theta beauty queen, looking solemn midst the fun... a group of children slowly spelling out the Alpha Xi Delta telegram... and many chrysantheums in the cheering section at the game.

**CHAPERONS** for the Theta football party were Dean and Mrs. C. H. Oldfather, Prof. and Mrs. E. W. Franz and Mrs. Myra Cox. At 11 o'clock the Thetas sang "Theta Lips"... this is a Theta party tradition.

**AT THE** Alpha Sig party, cardinal and gray (fraternity colors) balloons, lights and pennants were used as decorations and Mr. and Mrs. Harry Peha and Mr. and Mrs. L. A. Crandall were chaperons for the affair.

**CARICATURES** and pictures of the movie stars decorated the interior of the Phi Psi house for their party Friday night. Kirk McLean, social chairman was in charge of arrangements and Mrs. Dora Bentley, W. S. Henrich and Mrs. and Mrs. Douglas Timmerman chaperoned the party.

**BETA** party goes wended their way thru the cornfield Friday night into the house. About seventy couples attended and the chaperons were Mrs. J. S. Pierce, and Mr. and Mrs. Herman Decker.

**ALPHA SIGMA Phi** announces the pledging of Kenneth McGinnis of Ord.

**FARM** House entertained at their annual fall party Friday night at the Shrine country club. Chaperons for the affair were Mr. and Mrs. H. J. Gramlich and Mr. and Mrs. W. W. Burr. In charge of the party were Burr Ross, president of the fraternity, and Social Chairman Don Joy.

**MUCH** confetti at the Pi Phi house Friday night and Mr. and Mrs. H. H. Foster and Mrs. J. Petermichel acting as chaperons.

**KANSAS** Kappas here for the game are Judy Jenker, Helen Smedly, Katherine Hund, Evelyn Little, Helen Dear, Jeanette Jenkins and Betty Crabel. Three girls from the Colorado university chaperoned.

Its major is to assist in the development of a sufficient number of well trained research workers in the field of the social sciences. It has recently been decided that research-training is needed not only in the post-doctoral program but that additional financial support at earlier training stages is required for the assurance of competent research personnel.

The Grants-in-Aid committee receives applications for the grants. This nationally organized committee of eminent men is a recognition of the ability of Dr. Lancaster.

### A. C. B. C. WINS BARB TOUCH GRID CROWN IN OVERTIME SPURT

### Ag Team Outgains Panthers In Extra Period to Take Title.

Ag College Boarding Club won the barb touch football championship Friday by defeating the Panthers 1-0 in the play-off after a 0-0 tie in the regular game. Harris threw three completed passes to gain forty yards in the Ag's six downs, to only twenty yards gained by the Panthers.

The only time either team threatened the other's goal occurred in the third period when Parsons completed a pass to Erison of the Panther club on the eight yard line. The Boarders held on the next two plays, knocking down the two pass attempts. Parsons passed again to Fink and it was complete, to the five yard line. The Ag's tight defense smothered the receiver of the next pass and took the ball on downs. On the first play, a pass, the Panthers again intercepted the ball and advanced it to the ten yard line before losing it.

The game ended 0-0 as the Ag club intercepted a pass on their fifteen yard line. The Ag's took their six downs to break the tie first. Beginning on the ten yard line, Harris threw a completed pass to Newton, to put the ball on the twenty-one yard line. Another attempt to Clingman was unsuccessful. Harris tried a long forward to Newton, but failed to connect. Borman snatched the pigskin on a twenty-yard heave just as it touched the ground. Another attempt was lost in the gathering darkness and incompleting Borman caught the barely discernible ball on the fifty-yard line to end the Ag club's chances. They had advanced the ball a total of forty yards.

As the Panthers began their six tries for yardage it was too dark to recognize the players. Fink threw a long forty-yard pass that disappeared in the inky murk. Parsons ran the right end for five yards on a fake pass. Parsons attempted a pass but it was incomplete. Another short one over center was knocked down. On the fifth turn Erison hung on to the ball and downed it on the thirty-yard line to give the Panthers a twenty-yard total. A last desperate attempt by Fink to equal the Ag's forty yards fell short of its mark and the 1935 champions were crowned.

### PRESIDENT OF TEXAS UNIVERSITY TALKS ON ENDOWMENT SOURCE

H. Y. Benedict Tells of Oil Land Income of 20 Millions.

In an exposition of the history of Texas university's land, President H. Y. Benedict of Texas university, told members of the National Association of Governing Boards Friday night, that Texas University and Texas A. & M. had accrued 20 million dollars in oil royalties during the past ten years.

Agricultural college and mechanical arts college endowments, as well as the University of Texas, used three-fourths of this sum, Dr. Benedict explained to his listeners, who met for dinner at the college of agriculture.

President Edward C. Elliott of Purdue university and Chancellor Burnett spoke informally Thursday night before thirty-five representatives of the association following a dinner at the University club.

"The prime purpose of American education, especially higher education," said President Elliott in part, "is to charge the great

control of civilization with the truth that ordinary men and women can understand and practice." According to Chancellor Burnett one of the chief problems which has confronted the university board of regents during the past four or five years is the retirement pension for faculty members who retire at the age of 70 after serving twenty-five years.

In connection with the retirement system, which has already been installed, Chancellor Burnett said the regents were considering a plan of annuity insurance by which the faculty would pay into a fund established for the purpose, 5 percent of their annual salary for twenty-five years. This idea is only being discussed, however, he emphasized.

Other problems which have confronted the board of regents are those of budget making and sabbatical faculty leave.

### A POEM FOR ARMISTICE DAY

War  
Labor!  
And yet how sweet  
The sound along the marching street  
Of drum and fife, and I forget  
Wet eyes of widows, and forget  
Broken old mothers, and the whole  
Dark butchery without a soul.

Without a soul—save this bright drink  
Of heady music, sweet as hell;  
And even my peace-abiding feet  
Go marching with the marching street,  
For yonder, yonder goes the fife  
And what care I for human life!  
The tears fill my astonished eyes  
And my full heart is like to break  
And yet 'tis all embannered lies,  
A dream those little drummers make.

O it is wickedness to clothe  
You hideous grinning thing that stalks  
Hidden in music like a queen  
That in a garden of glory walks  
Till good men love the thing they loathe.  
Art, thou hast many infamies,  
But not an infamy like this:  
O snap the fife and still the drum  
And show the monster as she is.

—Richard Le Gallienne.

### TWO DOUBLE-HEADERS ON K.U. CAGE PROGRAM

Jays, Mizzou, So. Cal., K-Ags Participate in Kansas City Tourney.

LAWRENCE, Kas., Nov. 9.—Two double-header basketball games involving the Universities of Kansas, Missouri, and Southern California, and Kansas State College in games to be played before Christmas in Kansas City, Kas., and Kansas City, Mo., were announced today by Dr. Forrest C. Allen, director of athletics at the university.

Friday night, Dec. 20, in Memorial Hall, Kansas City, Kas., there will be a doubleheader, the first game between Missouri and Kansas State, and the second between Kansas and the University of Southern California.

The next evening, in Convention Hall, Kansas City, Mo., first the losers and then the winners of the Friday night contests will meet again in a doubleheader.

These games are in addition to the two games Kansas is to play against the University of California (Berkeley), in Kansas City, Mo., Jan. 2 and 3.

Arrangements for the pre-Christmas games follows a conference here last week attended by Dr. H. H. King, Mike Ahern, and Frank Root, from Kansas State; Sam B. Sherkey and George Edwards, from Missouri, and Dean G. C. Shaad and Director Allen of Kansas. It was necessary for Missouri and Kansas State to obtain permission from the conference to add to their basketball schedule. Kansas previously had obtained such permission.

Scheduling of the doubleheaders in the Kansas Cities makes it impossible to hold the pre-conference games between Kansas and Kansas State as has been the practice for the past several years.
