## MORTAR BOARDS GIVE PARTY

### WINTROUB WINS TROPHY IN LONG DEBATE TOURNEY

Judges Agree Unanimously On Selection of Freshman.

### 11 SPEAKERS COMPETE

Contestants Discuss Subject Of Compulsory Auto Insurance.

Topping one of the greatest displays of forensic eloquence ever to be hoped for in a tournament of freshman debaters, Ernest Wintroub, Arts and Science freshman, was declared winner of the second annual Long Trophy debate contest, Thursday evening. The tournament consisted of a field of eleven speakers who discussed the question pro and con of whether "The state of Nebraska should compel every owner of an automobile to carry insurance covering personal injuries in automobile accidents."

Mr. Wintroub, was the unanimous choice of the three judges who presided during the verbal combat and was unquestionably the most effective debater to take the stand. The winner, who took his preparatory work at Omaha Central high school where he served four years as a member of the debating team, defended the negative side of the question.

**Sullivan Second.**  
Second among the list of arguers was awarded to Marvin Sullivan, of Norfolk who also served in defense of the negative side. Despite the talent and study shown by Mr. Sullivan in his brief appearance at the stand he lacked the smoothness of delivery and clearness of thought exhibited by the winning speaker.

The Long Trophy is presented temporarily to the freshman who is judged the best debater each year.

### PROFESSORS RETURN FROM NEW YORK CITY ENGINEERS' MEETING

Haney, DeBaufre Take Part in A.S.M.E. National Convention.

Prof. J. W. Haney and Prof. W. L. DeBaufre of the engineering college returned this week from attending the national convention of the American Society of Mechanical Engineers in New York City, Dec. 2 to 6.

A member of the national society's board of directors, Professor Haney took part in the conducting of the organization's business affairs. Professor DeBaufre, chairman of the applied mechanics department, attended the A. S. M. E. meeting and also a convocation of the national research council.

The engineering convention dealt with presented inspection tours. Both technical and general sessions on topics of general engineering interest were taken into consideration.

Importance to engineers in having a good speaking knowledge of the English language was emphasized at the convocation, Professor DeBaufre, chairman of the mechanical engineering department stated. Several sessions were given to pointing out the importance of English in an engineer's training.

An inspection tour thru New York City's Radio City was of special interest. Nebraska's delegates reported. The engineering delegates were taken back of and below the large stage in the building and inspected the voluminous amount of mechanical apparatus used in the stage's operation.

Professor Haney will give a report of the convention to members of the student A. S. M. E. branch at a meeting Wednesday evening, Dec. 18.

### Selleck Predicts Large Attendance For Hoop Contests

An increase in attendance at the Cornhusker basketball games this season is anticipated by John K. Selleck, student activities business manager.

Much more interest than formerly is being shown in the Nebraska basketball team, Selleck stated, and larger crowds are expected in the coliseum this winter to watch Nebraska play an attractive home schedule.

About a thousand more student activities tickets were sold this year than last and will aid in swelling attendance figures.

### Attention Fraternities!

Fraternities expecting to have their sections completed in the 1936 Cornhusker must take action at once and have all photographs taken by this Saturday, Dec. 14, Floyd Baker, fraternity editor of the year-book declared, Thursday. Today and Saturday are the only remaining days during which fraternity pictures may be taken.

Six fraternities which are far behind in completing their groups are Alpha Sigma Phi, Phi Delta Theta, Chi Phi, Pi Kappa Alpha, Phi Sigma Kappa and Delta Sigma Lambda.

Sections already closed are Sigma Chi, Sigma Alpha Epsilon, Zeta Beta Tau, Sigma Nu, Lambda Chi Alpha, Beta Theta Pi, Delta Upsilon, Sigma Phi Epsilon, Phi Kappa Psi, Kappa Sigma, Sigma Alpha Mu, and Delta Tau Delta.

### FIRST OF FRENCH MOVIES SET FOR TOMORROW AT 10

Cercle Francais Brings 'La Dame Aux Camelias' To Varsity.

"La Dame Aux Camelias" will be shown at 10 a. m. Saturday morning at the Varsity theater as the first of a series of four French movies to be brought to the student body of the university under the auspices of Le Cercle Francais. Yvonne Printemps, celebrated actress and well known in both France and the United States, stars in the title role of Camille. The film is from the story by Alexandre Dumas fils, and is directed by Ferdinand Rivers. The screen production, staged entirely in France, follows the play very closely.

The play has been produced in American movies and on the English stage under the title, "Camille." It was sung in Omaha on Nov. 20 under the title "La Traviata" by the San Carlo opera company.

### Campaign Carried On.

City wide campaigns for the sale of the tickets have been underway for more than a month and will continue until the first performance on Saturday morning. Season tickets may still be purchased from members of the various French classes for 85 cents and are also on sale at the Varsity theater. Single tickets are available for 25 cents. Poster contests are being held in the Lincoln high schools and the winners will receive free tickets as prizes. Letters have also been sent to women's and discussion clubs thruout the city who would naturally be interested in a production of this nature.

Published in 1852. First published in 1852, "La Dame Aux Camelias" has enjoyed lasting success. The role of Camille has been played by all of the greatest actresses of the world.

The picture opens with Marguerite Gautier's dismissal from her position in a millinery shop and continues with her progress along the primrose path of luxury until she meets Armand Duval, played by Pierre Fresnay, who is another Gallic favorite. Then, for the sake of her love for Armand, she gives up money and jewels in order to support herself and her love in a small house in the country. They spend several happy and gay weeks together until the arrival of Armand's father who has come to beg Marguerite to give up his son. She consents rather than spoil the young man's future and his sister's marriage.

**Ends Tragically.**  
The shock of the parting results in a nervous breakdown of her already fragile constitution, and she (Continued on Page 4).

### NEW MAJOR CAGE RULES AIM AT SPEEDIER GAME

No Offensive Player May Remain in Free Throw Circle Longer Than Three Seconds; Jump After Score on Gratis Flip Abolished.

Fans who attend each basketball game armed with a rule catalogue will this year have about three more pages to carry. There have been several changes and additions to the regulations of the cage sport which seem minor to the average spectator but major and drastic to the rules were partially altered with the intention of speeding up the game so that the crowd might have a more enjoyable show, thus it might be well for the fan to do a little home work to better understand the game.

**Time Shortened.**  
First is the three seconds rule which provides that no offensive player will be allowed to remain within the free throw circle longer than three seconds, whether or not he has possession of the ball, unless he is attempting to recover a "free" ball. The former rule al-

### 75 STUDENTS PUT LAST TOUCHES ON FUN REVUE SKITS

Final Rehearsal for Annual Ag College Show Held Thursday.

### PERFORMANCE SATURDAY

Eight Stunts, Six Curtain Acts Compete for Prizes.

Seventy-five ag college students whipped their skits into final form at the Thursday dress rehearsal for the annual Coll-Agri-Fun revue.

Saturday, Dec. 14 eight stunts and six curtain acts will be presented before an audience at the Ag Activities building. The curtain will rise at 7:30 o'clock on what its sponsors say is the best show in several years. Bonnie Spanggaard, assistant manager of the Coll-Agri-Fun board, states that the enthusiasm evidenced at rehearsals indicates the program will be tops in ag college entertainment.

**A. C. B. C. Act Unusual.**  
Acts which showed up well in rehearsal include those of the A. C. B. C. with its "Court Scene," A. G. R. presenting "In the Bag," Farm House demonstrating its dramatic ability in a tense scene in a sunken submarine, they call it "Submerged." Ag college cafe club will burlesque the popularity of the famous Dionne quintuplets in "Five Year Plan in One," and an unusual curtain act will consist of a musical reading by Dick Laverty, which judges claim is humorous and good.

Ag college choir will sing Christmas music at the performance. Various acts in the show will (Continued on Page 4).

### PUBLICITY DIRECTOR INSURES UNIVERSITY PLACE IN NEWS SUN

Honorary Colonel's Pictures Sent to National Syndicates.

Continuing in its efforts to give publicity to the Cornhusker campus, the student council publicity committee this week sent out pictures of Virginia Selleck, Nebraska's new honorary colonel, to news syndicates, picture syndicates, and magazines. Arnold Levin, committee chairman announced.

Pictures of several campus personages will also be sent soon to syndicates, the Associated Press, and college and fraternity magazines, Levine stated. Stories on intramurals and sports are now being prepared and will be sent to various publications.

A letter from College Humor magazine announces that the picture of Cynthia Pedley, Nebraska's sweetheart, will be featured in the February issue of the magazine. A full page picture is to be presented, the publicity chairman said.

### Miss Shanafelt Presents Lecture Saturday Night

Marjorie Shanafelt, curator of visual education, will present an illustrated lecture on "Christmas" before Delian-Union Literary society Saturday evening. Howard M. C. K. president, announced. Guests are invited.

### Pro Football Tough But Enjoyable, Says Former Husker Star

George Henry Sauer, former Cornhusker All-American half-back, came back to town Wednesday, enroute to San Francisco where he will join his Green Bay Packers teammates in four games on the west coast.

The Packers will play three teams of the west coast professional football league starting on Jan. 6, "Cotton" Warburton, who rated All-American for University of Southern California in 1933, will coach an all star aggregation of west coast players who will oppose the Packers in the final game of the series.

"Pro football is pretty tough," said Sauer, "but I enjoy it. We travel a lot, but I enjoy the difference between college and pro football is that the pro block and tackle harder. It's very seldom that you see a professional football man weighing less than 200 pounds. Our line is the biggest one in the game. Our guards weigh 215 and 225, tackles 265 and 235, center weighs 240, end weight 200 and 195. In the backfield the quarterback hits the scales at 215, the right half weighs 200, I weigh 205, and the fullback tips the beam at 205 pounds."

The Packers have played eighteen games and four tilts remain on the slate. Sauer remarked that Green Bay is like a college town, and the Packers are the team that the citizens of Green Bay most admire. "They give us rallies, receptions and support, showing as much spirit as any college town," added Sauer.

"George Henry" lauded the past season of D. X. Bible's Huskers. "Everyone interested in football follows the Nebraska team as they are considered great by the eastern sports patrons."

Sauer visited his native haunts by watching the Husker basketball team work out Thursday and in chatting with former teammates and friends in the coliseum.

### ORCHESTRA MEMBERS DANCING SOCIETY ORGANIZES UNDERSTUDY GROUP FOR BEGINNERS.

Eight girls were admitted as regular members of orchestra and six asked to become members of the newly organized understudy group as the result of tryouts held Wednesday evening at 7 o'clock in the dance studio in Grant Memorial hall.

The girls who became new members of the dancing class include Wilma Pullum, Elizabeth Beushausen, Eleanor Jones, Erlene Powell, Eleanor Green, Frances Proudfit, Beth Taylor and Helen Bayer.

The six persons who form the charter member group of the new understudy division are: Virginia McAdams, Beth Phillips, Dorothy Durman, Alice Beth Chase, Emily Frandsen and Florence Farwell.

This is the first time that orchestra has conducted an understudy division in addition to the regular group. The understudies will work with the members and as soon as they have finished the requirements, are to be taken into the main group. If the advanced training proves to be worthwhile, according to Miss Claudia Moore, physical education instructor and director of the organization, they may participate in the spring recital.

"Since this is a new inauguration in the activities of orchestra we are anxious to get it started. Most dance groups at universities work with understudies and it provides a much more profitable way for technical perfection to be achieved. There is almost as much prestige to being in the understudy group as the regular membership," explained Miss Moore in discussing the new plan.

### There Comes a Day!

### ATTORNEY EXPOUNDS SOCIAL SECURITY ACT TO COMMERCE GROUP

Alpha Kappa Psi Members Hear W. H. Wright Thursday.

Attorney General W. H. Wright explained the provisions and significance of social security legislation during the recent special session of the state legislature to members and guests of Alpha Kappa Psi, professional commerce fraternity, at a meeting Thursday evening at the Alpha Tau Omega house.

Following the address of Mr. Wright a short discussion period was held at which those present asked specific questions which were answered by the attorney general who had much to do with the drafting of the Nebraska social security laws.

This meeting was a continuance of the study of social security legislation started at the last regular meeting when fraternity members studied the social legislation passed by Congress, and some of the problems that it brings before the country at the present time.

The fraternity, thru these discussion meetings and addresses by outside speakers, is making a study of current economic and business problems. Before taking up social legislation, the group made a study by a similar method of the federal relief structure and its problems.

### RESEARCH COUNCIL GIVES AWARDS IN SCIENTIFIC STUDY

Graduate Student Eligible For Biological Work Fellowships.

National fellowships in the biological sciences are being offered to graduate students by the National Research Council, according to a recent announcement by the organization.

Fellowships in zoology, botany, anthropology, psychology, agriculture and forestry will be given to students having doctor's degrees, or their equivalent, the announcement stated. They are for study and research in America and abroad.

Purpose of the National Research Council Fellowships is for the promotion of fundamental research in these subjects by aiding the development of the investigators, it was pointed out. Appointments are made to applicants in early stages of a research career who have demonstrated a high order of ability and who give promise of developing individual judgments and viewpoints in investigative work.

Further information concerning the fellowships may be had by calling at the graduate office in the chemistry building or by writing to the chairman of the Board of National Research Fellowships in Biological Science at Washington, D. C.

### WALKER SPEAKER AT CHEM SOCIETY MEET

Nebraska Chapter Holds Regular Meeting Monday.

With W. J. D. Walker of the Corning New York Glass Works as principal speaker, the Nebraska chapter of the American Chemical Society will hold its 164th regular meeting at 7:30 o'clock Monday evening, Dec. 16, in the chemistry hall lecture room, according to an announcement by Dr. A. H. Pagel, secretary to the society.

The speaker will give a demonstration on blowing glass and also a short lecture on the history of glass, early glass making equipment, and a discussion on the characteristics of glass.

Mr. Walker will use slides and motion pictures to illustrate his lecture, Doctor Pagel stated.

The public is invited to attend the lecture and no admission will be charged, the chemistry instructor pointed out.

### KAPPA PHI MEMBERS PLAN TO HOLD PARTY SATURDAY

Members of Kappa Phi, Methodist sorority will entertain members of all other Methodist organizations, Phi Tau Theta, Wesleyan Players, and the Methodist student council at a Christmas party Saturday evening at the Wesley Foundation.

Arrangements are being made for the affair by Nora Buid, Alice Fancher, and Nellie Gilman.

### LUTHERAN STUDENTS PLAN TO HOLD PARTY

Miss Ekblad Arranges for Christmas Affair Saturday.

Lutheran Students of the Augustana, Danish, American and United Lutheran Synods will meet Saturday evening in the Recreation room of the Lincoln Y. W. C. A. at 8 o'clock for their annual Christmas party.

The program will be in charge of Beatrice Ekblad and will include numbers by the Capella Carriers, the Tabitha Tads, four boys from Tabitha Home Orphanage and a Christmas play. Miss Dorothy Schoenleber will head the refreshment committee, while Mr. and Mrs. Harry Fahrenbruch and Rev. and Mrs. Rangler will act as the chaperones. Games and the exchange of presents will feature the occasion. All Lutheran Students and their friends are invited.

### CANDIDATES FOR RHODES PRIZE TO BE MADE KNOWN

2 Winners Chosen From 14 Candidates Represent Nebraska.

Candidates who will represent Nebraska in the selection of winners of the Rhodes scholarship at the District meeting to be held in Des Moines, are to be named following the meeting of the state committee in Lincoln on Saturday, Dec. 14. Two applicants will be chosen from a field of fourteen candidates in colleges from the state of Nebraska or attending the University.

**Crabill, Hill Chosen.**  
Of the fourteen applicants who have filed for consideration thruout the state, two university students, Frank Crabill, freshman law student, and Irving Hill, Arts and Science senior, will represent the university. Having done outstanding work in their careers at the university, both will be strong competitors in the selection.

Each candidate is to be interviewed for approximately twenty minutes on Saturday morning, according to announcement made by Paul F. Good, Lincoln committee member. Those who prove to have outstanding recommendations will probably be questioned a second time.

**Make Selection from 12.**  
Those who are selected to represent Nebraska will be included in a field of twelve candidates from which the final selection of four scholarship winners will be made. State committee members who are making the final selection of Nebraska representatives include: President Edwin B. Dean, of Doane college chairman; H. A. Gunderson, of Fremont, secretary; Paul F. Good, Lincoln; Robert Latach, Omaha; and W. D. P. Carey, Hutchinson, Kansas. All committee members with the exception of President Dean are former Rhodes men.

### HOUSEMOTHERS GUESTS

Housemothers of active Mortar Board members who will be special guests are: Mrs. Myra Cox, Mrs. Gertrude Adams, Mrs. Jessie Angle, Mrs. Lola D. Rood, Mrs. J. W. Bishop, Mrs. Albert Halley and Mrs. E. W. Nelson.

No blanket permissions are allowed any organized houses, Dec. 13, but housemothers may grant one o'clock permissions to individuals.

Informal dress as well as formal will be correct at the affair.

### LAWRENCE TALKS ON COOPERATIVE GROUP

Marketing Agent Discusses Possible Consumers' Organization.

Possibility of establishing a consumers' co-operative in Lincoln will be the subject of a discussion led by James F. Lawrence, university extension agent in marketing, at the Stuart room, Y. W. C. A. at 1432 N. St., on Monday, Dec. 16, at 7:30 p. m. The study and understanding of co-operatives, which are an important part in the economic structure of England, Norway, Sweden, Japan and other foreign countries, is being stressed in university work now in preparation for the visit of Toyohiko Kagawa to Lincoln, Feb. 14.

Kagawa is the force behind the co-operative movement in Japan, and has gained worldwide fame in recognition of this. The movement in America has until lately been only sporadic and consists mostly of farmer's organizations. Yet the possibilities for such a plan which really works, in cutting out the middleman and profiteer, are being seen by many communities where it is used.

### WOMEN ESCORT THEIR DATES TO LEAP YEAR BALL

Social Tables Are Turned at Senior Honorary Affair.

### CARLETON COON PLAYS

Formals or Informals With Vegetable Corsages Correct Attire.

Social tables will be turned Friday, Dec. 13, when over 300 women escort their dates to the fourth annual Leap Year party, sponsored by Mortar Board, senior women's honorary, Carleton Coon, jr., prominent RKO entertainer, and nationally known orchestra leader, with his 14 piece band will furnish the music for the party scheduled to last until 12 at the coliseum.

Carleton Coon, jr., is much younger than his father was when the famous Coon-Sanders Night-hawks orchestra was organized, but his music fulfills all traditions attributed to Carleton Coon, sr. When the band arrives in Lincoln it will come from engagements in such well known places as the Kentucky hotel in Louisville, Ky., the Trianon ballroom in Cleveland, and the Greystone at Cincinnati.

**Chaperones Announced.**  
Chaperones for the affair, as announced by Elizabeth Bushae, Mortar Board member in charge of publicity, are: Mr. and Mrs. Carl E. Rosenquist, Mr. and Mrs. J. E. Seiler, and Mr. and Mrs. K. O. Broady.

Ticket sales have been in charge of Tassels, and according to Elizabeth Shearer, president of the organization and member of Mortar Board, an encouraging number have been purchased. Tickets may also be obtained at the door on the evening of the party, but it is advisable to secure them before to save confusion.

### PATRONS LISTED

Patrons of the party are Governor and Mrs. Roy Cochran, Mayor and Mrs. Charles W. Bryan, Chancellor and Mrs. E. A. Burnett, Miss Amanda Heppner, Miss Elsie Ford Piper, Mrs. Ada Westover, Miss Florence McGahey, Dean and Mrs. T. J. Thompson, Mr. and Mrs. J. F. Thompson, Mr. and Mrs. John K. Selleck, Mr. and Mrs. Ray Ramsey, Dean and Mrs. W. C. Harper, Dean and Mrs. R. A. Oldfather, Dean and Mrs. F. E. Henzlik, Dean and Mrs. G. W. Dean, Dean and Mrs. W. W. Burr, Dean and Mrs. J. E. LeRostignol, Dean and Mrs. H. H. Foster, Mr. and Mrs. Gayle C. Walker, Mr. and Mrs. Howard Gramlich, Miss Clara Wilson, Mr. Earl W. Lantz, and Dr. and Mrs. Fred Coleman.

Other patrons are: Miss Mabel Lee, Miss Matilda Shelby, Miss Lenore Alway, Miss Nellie Eastburn, Mr. and Mrs. Howard Kirkpatrick, Miss Pauline Gately, Dr. and Mrs. Bernard C. Hendricks, Dr. Elizabeth Williamson, Mr. and Mrs. William Quick and Miss Margaret Fedde.
