# BARBS TO FINISH NEARLY PERFECT MAPLE PROGRAM

Only Two Forfeits Listed in Results of First Round Intramural Play.

What promises to be the most successful barb intramural basketball campaign in several years closes its first round this week in all four leagues. Going on the basis of forfeits, the program is headed for an almost perfect finish, for only two non-played games are on the list of 16 first round tilts. In comparison to the tough football season, which found only half a dozen scores not based on forfeits, the barb cages are showing a sparkling interest worthy of commendation.

Williams Shows Power.

John Williams showed more power in winning his 145 pound title than did any other of the newly crowned champions. He had little trouble in defeating Martin Falmien in 4:32, and was on the offensive during the entire match.

"Dutch" Simon, former national intercollegiate champion, had a tough time getting the advantage on Carl Yost, but finally succeeded in gaining a close decision.

The Knight brothers, Milbourn and Jim, were busy duplicating their Wednesday's performance when they won the 118 and 126 pound titles respectively, both of them winning by falls from their opponents. They are both freshmen in the university.

The finals last night climaxed one of the most successful wrestling meets ever held at Nebraska, both in respect to the large number of contestants and to the greater enthusiasm shown by the spectators.

**Coach Browne Addresses Co-Operative Club Meet**

Basketball Coach W. H. Browne addressed the Co-Operative club Thursday and cited the members of the Greater Lincoln all-star high school football game on their accomplishments of the past season.

Criticism directed against the

sport of football which arise from innumerable sources every season, declared Coach Browne, have not been able to retard the steady growth and improvement of the game. Coaches of the Lincoln schools were guests of honor at the luncheon.

# SCHERER CHOSEN TO PLAY END FOR WEST IN FRISCO GRID TILT

Bible Selects Other Midwest Stars Participating in Shrine Game.

Bernard Scherer, Cornhusker left end, will be the only Nebraskan in the annual Shrine game held in San Francisco New Year's day, according to word received from Percy Locey, one of the west coaches, by Coach D. X. Bible Thursday.

Because of the previously selected backfield combinations from the west coast, the west coaches, Babe Hollingberry and Percy Locey, decided it would be impractical to include Jerry LaNoue, Nebraska's sparkplug, in the Big Six representation.

Players named to represent the Big Six, Southwest, and Missouri Valley conferences are as follows: Bernard Scherer of Nebraska, John Sylvester of Rice, and Ralph Churchill, Kansas State, ends; Dick Sklar of Kansas, guard; J. W. Wheeler of Oklahoma, tackle; John McCauley and Bill Wallace, Rice, backs.

Coach Bible had hoped that LaNoue would be included, in order that he might climax his fine career in the annual East-West game. Bible was chosen to name the outstanding performers of this sector, and included such men as Fraley of Emporia, Hayes of Kansas, Howell of Arkansas, Grenda of Missouri, Flentrop of Kansas State, Baker of Centenary, Williams of Nebraska, and Baer of Kansas Wesleyan in his recommendations.

The East-West game is an annual grid classic for west coast grid fans, the proceeds going to the Shrine hospital for crippled children in San Francisco.
