

DEFENDERS LOSE IN INITIAL ROUND

Pi Kappa Alpha, Former 'B' Champs, Yield to Sigma Nu; Close Scores, Low Totals, Characterize Openers in Both Classes.

Intramural basketball players began a belated program the first of the second semester with the class A engagers swinging into action Tuesday evening and the class B flippers inaugurating their schedule Wednesday. Play in class A advances into the second round Thursday evening.

Pi Kappa Alpha, defending champions in class B, saw its hopes for another cage title dim as it fell before Sigma Nu in a close 12-10 encounter. Another league 3 contest found Alpha Tau Omega eking out a narrow win over Delta Sigma Lambda, due mainly to the goal gathering efforts of Cullen, who collected six of his team's nine points. The Sigma Alpha Epsilon-Phi Delta Theta contest completed league 3 competition with the S. A. E. brethren compiling 18 points against the 10 belonging to the Phi Delta Theta.

Acacia and Beta Theta Pi engaged in a tight league 1 struggle with the Betas emerging the victors by a 7-6 margin, thus holding the doubtful honor of the lowest scoring game played. The other league 1 conflict found the Farm House handing the Phi Sigma Kappa a 10-4 setback.

League 2 competition saw Alpha Gamma Rho and Sigma Phi Epsilon emerge victorious, Alpha Gamma Rho with a clearcut triumph over Chi Phi, and Sigma Phi Epsilon by means of an 11-8 victory at the expense of Kappa Sigma.

League 4 found Phi Psi winning over Sigma Alpha Mu by the decisive margin of 33-2, Benton swishing the net for eight points

to become high point man for the victors. Delta Tau Delta collected two points for every one gathered by Beta Sigma Psi to come out ahead, 12-6.

No upsets occurred in class A competition, the titular defendant, Phi Kappa Psi, coming thru with a 22-5 decision over Kappa Sigma. Last year's champions had little trouble in finding the basket and looked like a serious contender for the 1936 cage crown in class A. The other league 1 engagement between Acacia and Beta Theta Pi resulted in a hotly contested 29-21 triumph for the yellow-clad Acacia flippers.

Alpha Gamma Rho got off to a flying start with an easy 20-8 triumph over Chi Phi, at the same time establishing itself as the leading contender for the league 2 title. Sigma Chi and Phi Sigma Kappa tangled in a game marred by fifteen fouls and prolonged into one extra period, Phi Sigma Kappa finally coming out with a 21-14 win.

Delta Tau Delta led the way in league 3, marking up a 25-9 triumph over Alpha Sigma Phi. Pi Kappa Alpha disposed of Phi Alpha Delta in an 18-10 tussle.

League 4 found Sigma Alpha Epsilon and Alpha Tau Omega emerge victorious with wins over Phi Delta Theta, 11-7, and Farm House, 20-3. In league 5 Phi Gamma Delta romped off with a 47-4 victory over Sigma Alpha Mu, while Beta Sigma Psi conquered Delta Upsilon in a 13-8 encounter.

PLAINSMEN TURN BACK HUSKER B BASKETEERS

Side Shot Last Ten Seconds Overtime Period Gives Wesleyan 30-31 Win.

Nebraska's B quint lost a heart-breaker to Wesleyan in an overtime game Tuesday evening at the Ag college court, the score standing at 31 to 30 after a Plainsman tallied a one handed side court shot that slipped through the net in the last ten seconds of the thrilling game.

Coach Knight's Huskers failed by a fraction of a second winning the game when Lloyd Wampler, Nebraska guard, heaved a long one after the final gun barked, ending the game and ruling the last second shot void.

Nubbin stars included Hopt, Wampler, and Jacobsen, who put up a desperate fight in the last canto trying to overcome Wesleyan's constant lead. Wampler won high scoring honors, tallying five field goals and one charity toss.

Kansas Cagers Top Conference With No Losses

As five of the Big Sixers continue to kick each other in the shins, Kansas U. smuggle more comfortably in the lap of the goddess victory and chuckles. A mere two games gave the Big Six scenery an entirely different landscape last week as Oklahoma knocked off Kansas State, Monday evening and Kansas dumped Iowa State Tuesday.

Kansas now stands without a gray stain on her vest and seemingly can come through with the same tidiness, unless the Cornhuskers do come through next week. Chances of the Jayhawk losing twice are few, however, thus dampening the flaming hopes of Nebraska, the only possible contender.

The half Nelson between Iowa's Cyclones and the Missouri Tigers was broken this week as a result of the two conference entanglements. The Sooners vaulted into third place, two notches higher than their last week's location, and Missouri no longer shares her fourth place with Iowa. Kansas State was already at the bottom and could be no bottomer, thus her loss chipped no ice.

The only crucial test of the week is the Tiger-Husker mix. Should the Brownmen lose, the vague possibility of a championship duel would be obliterated.

HUSKER MERMEN MEET MINNESOTA ON FRIDAY

Swimmers Seek Revenge on Gophers, Only Team Winning Over Them During Past Year, When They Engage in First Seasonal Meet.

"Revenge" will be the watchword of the Husker swimmers when they engage in the first meet of the season with the Gophers of Minnesota, Friday, Feb. 7, at Lincoln.

The Minnesotans gave the Cornhuskers their only setback last year, winning by the close score of 40 to 33. Last year the Nebraskans were Big Six champions.

Minnesota is given the edge again this year, tho this is the first meet for both teams. Sickness and ineligibility have greatly reduced the Huskers' chances, as two of Nebraska's ace swimmers, Jim Pixley, Big Six record holder in the 440 free style splash, and Reed Smith, Big Six champion in the breast stroke, were unable to return to school this year. As a result of sickness, four of Coach Minor's best hopes have been unable to practice regularly, tho they will probably see action next Friday. Pete Hagelin, distance man; Bob Thornton, breast stroker; John Krause, distance man; and Glyndon Lynde, Big Six record holder in the 50, 100 and 220 yard dashes, are among those hit by the injury jinx.

Gopher Prospects Fine. On the other hand, Coach Niels Thorpe of Minnesota describes the prospects for his Gophers as "the best in many years." He has reason for his enthusiasm. Four lettermen and five reserves are back from last season to form the nucleus for the 1936 squad. Added to this group are 16 promising

ENGINEERS PROGRAM PLANNED FOR FRIDAY

Chevrolet Motor Company Gives Motion Picture Convocation.

Members of the Engineers executive board will present an All-Engineers convocation on Friday, Feb. 7, at 4 o'clock in 206 of the Mechanical Engineering building. As many programs as possible are sponsored each year by the board in an attempt to hold the college as one unit.

The Chevrolet Motor company will present the program. Four motion pictures entitled, "Hydraulic Braking," "Shock-proofing," "Cessing," and "Safe Roads" will be shown by the company's presentation.

"It is hoped that as many engineering students as possibly can will attend as the convocation is an interesting, and educational one," commented Ted Schroeder, president of the board.

sophomores, two of them holding records in state high school swim competition.

Nebraska will have the best chance in the medley relay, according to Coach Jack Minor. The 50 and 100 yard dashes should be close contests between Glyndon Lynde and Rex Hudson, Minnesota soph who holds Minnesota high school records in the 40 and 50 yard dashes. He hopes for little in the back stroke or distance swims.

Nebraska Representatives. Nebraska will be represented in this meet by Jack Barry, Pete Hagelin, Warren Cailand and either Douglas Dort or John Krause in the 440 yard relay; Bob Gibbons and Bob Thornton in the 200 yard breast stroke; Jack Gavin and Ralph Ludwig in the 150 yard back stroke; Glyndon Lynde and Thornton in the 50 yard free style; Krause and Hagelin in the 440 yard free style; Lynde and either Cailand or Barry in the 100 yard dash; Barry and Krause in the 220 free style; Harry Kuklin and Kelvin Deming will dive, and in the 300 yard medley will be Thornton, breast stroke; Hagelin, back stroke, and Lynde, crawl.
