

CAMPUSOCIETY

THE INDIVIDUAL IS FUN- damentally a social soul... as is evidenced by the numerous inseparables who can't seem to exist alone on the campus or, in solving the habit problem. Familiar twosomes are Harriett Heumann and Irene Barry, A. O. P. roommates... Barbara Rhetmeyer and Carolyn Skans, Alpha Phi dittoes. These gals seem to subscribe to the theory that two heads are better than one... anyway, each one speaks as "we." Little Jackie Reynolds and Harriett Hoenig, Theta pledges, also go into conference when anything really important is under consideration. The recent combination of DeKlotz, Herman, Christenson and Steen... the D. G. "four horsemen," has been split asunder by the departure of Mary Louise Steen for Florida. It is a move in the right direction to have at least one or two confidantes... at least... so find yourself a mental twin and avoid that lonely feeling!

SEEN on the campus: Henry Remington proudly displaying the two musical horns on his car... Katherine Linblad endeavoring to join the "Beta Fun League"... Bob Calahan shooting firecrackers in the drug... Don Gartner and John Schofield attempting a little harmony in the hall of Sosh... Margaret Straub singing "Dinner for One, Please, James" because Dwight has to be in the play the night of the Kappa formal... John Brownlee dashing around giving last minute "pep talks" to his professors... Buell Naughton hailing a ride to the "D Street Insane Asylum"... Barbara DePutton bustling around in her usual efficient manner... and more and more of less and less going on!

LOUISE Condon, whose approaching marriage to Edward Lyman is of interest to university students, has chosen for her bridal attendants Marion Wilhelm and Billie Sherman. Assistants at the wedding reception will be Elizabeth Kelly and Madeline Johnson.

HAROLD Hoppe will entertain at a dinner party at his home Saturday night before the Interfraternity Ball. His guests will include Frances Ireland, Jane Cleary, Margery Souders, Don North, and William Green.

AMONG the alumnae members of Kappa Kappa Gamma who will return to Lincoln for the formal Friday night will be Tyler O'Conner of Omaha, and Jean Huse and Jean Campbell of Norfolk.

EUGENE Dalby is the recently elected president of the Delian Union literary society. Clarence Mock is vice-president; Nancy Claire, secretary, and Bohumil Rott treasurer. The date set for the annual banquet is February 22.

DELTA Zeta Mother's club will meet at Mrs. P. Butler's home, Thursday at 2 o'clock. Twelve women are expected. They will first have a business meeting and then will be served a lunch by Mrs. Butler and Mrs. A. P. Kauffman, hostesses.

PRENUPTIAL parties are in order for Lilyan Loehdig and John Lapp, who will be married February 15. Among the first of these will be a miscellaneous shower given Thursday night by Helen Lapp in honor of the bride-to-be. There will be sixteen present at the party, which will be carried out in a Valentine motif. The evening will be spent playing bridge.

NEW officers of Sigma Phi Epsilon are: Dick Rider, president, Eugene Zuspan, vice-president, Frank Cole, secretary, Burt Durkee, comptroller, Lloyd Pfum, guard, Charles Long, and Adelbert Hartman, marshals, and Paul Wenke, historian.

SIGMA Alpha Iota Mother's club will meet at the home of Mrs. Mary A. Coble this afternoon for a two-course luncheon. The Valentine motif will be carried out in decorations, with carnations for the centerpiece.

All kinds of people choose Luckies, each for reasons of his own. But everyone agrees that Luckies are A Light Smoke of rich, ripe-bodied tobacco. It is a rather surprising fact that the leaves of the same tobacco plant may vary far more than the leaves from plants of quite different types. Chemical analysis shows that the top leaves contain excess alkalies which tend to give a harsh, alkaline taste. The bottom leaves tend to acidity in the smoke. It is only the center leaves which approach in Nature the most palatable, acid-alkaline balance. In Lucky Strike Cigarettes, the center leaves are used.
