LAWRENCE, Kas., Feb. 26.—Championship of the Big Six may be settled for basketball Friday night at Lincoln, when Nebraska, in its final game of the season, will play Kansas, conference leaders thruout the season.

Should Nebraska lose, the title would be settled, for after that victory, Kansas could lose its two remaining games, and still keep the title, but if Nebraska wins, then the Jayhawkers must win both their remaining games to keep the title. One loss would give a tie, and loss of both would take the Kansans to second place.

Oklahoma Now Third. Oklahoma, after its 28 to 55 loss to Nebraska Monday, is definitely in third place.

Nebraska has proved the heavy scorer of the conference this winter, with a total of 364 points in nine games, or an average of 40.4 per game, and Kansas is second with an average of 39.5.

The Kansas defense, however, is much better, with opponents held to an average of 25.3 points, while Nebraska opponents have been held to 32. In other words, Kansas has been scoring 1.57 points for each one of opponents, while Nebraska has an effective ratio of 1.26 to 1. It is interesting to note that ratio of offense to defense decreases in the same order as

Wahlquist, leading scorer for Nebraska, has crept within a fraction of a point of Ebling of Kansas, conference leader, with 12.56 average for Wahlquist and 13 flat for Ebling. Wahlquist has scored 10 to 18 points per game, except the one here, when he was held to five points. Ebling, likewise, has had one off game, the five points of the Iowa State game contrasting with the 10 to 19 of other games. Carroll and Jones will referee.

SWIMMERS SET TO BETTER RECORD IN JAYHAWK CONTEST

Splashers Attempt Improve 67-17 Conquest in Initial Kansas Engagement.

Husker swimmers will attempt to better their 67-17 conquest of the Jayhawk splashers when they meet the Kansans in a return engagement in the coliseum pool next Friday, Feb. 28, at 3 o'clock. Bettering their first record against the Jays will be a very difficult task for the Huskers. They held Kansas to within three points of the minimum score. The losing team must tally at least 14 points, since each team can enter only two men in each event, except in the two relay events, where only one squad can be entered for each team. The only unnecessary second conceded by the Huskers in the first meet was in the 50 yard dash.

In addition to holding the Jays to a lonely second from the minimum score, the Husker team broke every pool record existing in the Lawrence pool with the exception of the breast stroke mark. Three of these records were better than the official Big Six times, the medley relay team swimming an even 15 seconds under the par time in this meet.

Hope for Championship. Hopes are running high in the home camp for another Big Six championship in the conference meet to be run off March 13-14 at Kansas City. The Huskers' most formidable rival is the Iowa State team. Iowa State eked out a 40 to 33 triumph over Carleton, while the Huskers won from the same team by the comfortable margin of 57 to 17. The Huskers have won both of their Big Six encounters this year, taking both Kansas and Kansas State by overwhelming scores.

Lineup for the Kansas meet is only tentative. In case Nebraska should gain a safe early lead, Coach Minor will use his weaker men, so as to give them a chance to earn their letters. The tentative lineup consists of: 400 yard relay, Douglas Dort, John Krause, Jack Barry and Warren Calland; 200 yard breast stroke, Bob Thornton and Bob Gibbons; 150 yard back stroke, Jack Gavin, Ralph Ludwick; 50 yard free style, Warren Calland, Pete Hagelin; 440 yard free style, John Krause, Jack Barry; 100 yard free style, Douglas Dort, Ralph Ludwick; diving, Ben Rimmerman, Kelvin Deming; 220 yard free style, Jack Barry, John Krause; 300 yard medley relay team, Jack Gavin, back; Bob Thornton, breast; Glyndon Lynde, crawl.

ACASIAS MEET FIJIS IN TILT FOR CLASS A BASKETBALL CROWN

Two Squads Get Finals Spot By Narrow Margin Games.

Acacia will meet Phi Gamma Delta Thursday evening, Feb. 27, the winning quintet to be crowned intramural basketball champion of Class "A."

Acacia earned the right to do battle for the title with a narrow 17-15 victory over the Delta Tau Delta five some. Phi Gamma Delta won its way into the finals with an even closer decision over the newly uniformed Alpha Tau Omega, the final score being 20-19. Preceding the title game between Phi Gamma Delta and Acacia, Delta Tau Delta and Alpha Tau Omega will meet in a consolation game.

Class "B" intramuralists completed their league play following the Class "A" semi-final round with Sigma Chi, Sigma Phi Epsilon, Sigma Nu, and Phi Kappa Phi walking off with their respective league banners.

In League I, Sigma Chi completed its four league games without a loss as it romped over Phi Sigma Kappa, 25-4. Beta Theta Pi captured second place with a 17-12 win over the Farmhouse.

Alpha Gamma Rho subdued Kappa Sigma, 22-19, while Zeta Beta Tau conquered Chi Phi, 16-6, to complete competition in League II.

Sigma Nu extended its five broken winning streak to five games as it took the Alpha Tau Omega quiet into camp in a 16-11 fracas. Sigma Alpha Epsilon emerged the winner in an encounter with Phi Kappa Alpha, the tallies totaling 21-15. Phi Delta Theta came off second best in an engagement with Delta Sigma Lambda, the score being 28-21, to draw a close to competition in League III.

Phi Kappa Psi appropriated the crown in League IV by means of an 18-5 verdict over the lads of

WILDCAT MENTOR HAS SEVEN INELIGIBLE MEN

Kansas State Track Coach Loses Seven Lettermen By Graduation.

MANHATTAN, Kas., Feb. 24.—Big Six track coaches who have spent some cold winter days brooding over the loss of some of their squadmen for the indoor season which is just getting under way have nothing on Ward Haylett of Kansas State. "Any losses through ineligibility?" the Wildcat mentor was asked. "No less than seven," Haylett replied, as he started to enumerate them.

Included in his list are Robert Jensen, two-letter man in the 440; William Halfhill in the 880, most promising sophomore in the event; Vere Lipperd, 440, most promising sophomore candidate for that distance; Lee Jordan, sophomore pole vaulter; Leo Ayers, lettered pole vaulter who is recovering from an operation; Lester Mehaffey, sophomore who won the intramural title last year with a leap of more than six feet, and Gerald Abbey, sophomore broad jump prospect.

But with the 14 losses written off the books—seven from ineligibility and seven from graduation—Haylett still has a squad of 55 from which to select the team which will open the indoor season against the University of Missouri at Columbia Friday night.

FAST TIMES BODE EVIL FOR KANSAS AGGIES SATURDAY

Jacobsen, Fischer, Pankonin Cheat Stop Watches in Trial Sprints.

Sprinters stepped into the limelight of Wednesday's track session to hang up a number of fast times which should bode evil for the Kansas Aggies whom the Huskers meet Saturday. Harold "Jake" Jacobsen ran the 60 yard sprint in 6.5 seconds. Dick Fischer and Les Pankonin were clocked in 23.9 seconds for the 220 yard sprint, and Harwin Dawson sprinted the same distance in 23.8 seconds. Pankonin, varsity quarter miler, is getting over a recent illness.

Francis' Form Improves. Sam Francis, Coach Schulte's shot put protege, heaved the metal ball constantly between 47 and 48 feet Wednesday, showing more style and form in each day's workout.

Fred Chambers, javelin tutor, reported daily progress for his aspiring spear throwers. Promising men include Edwin Franks, Gus Peters, Floyd Giesberg, and Harris Andrews. As soon as basketball season is finished, Elmer Dohrmann and Lawrence "Slim" Nelson are expected to report for practice in the javelin throw.

Frosh tracksters are preparing for their second tri-color meet March 4, and are indulging in heavy workouts daily. Bob Mills will captain the Red team coached by Harold Petz. Tom Hiner will lead the Green outfit with Dick Stout and Fred Chambers tutoring the group. Joy Valley will head the Orange team with Ed Weir as coach.

WHAT DOES A UNIVERSITY MAN THINK ABOUT?

(He really does think—he's not a "Babe in the Woods"—He does have a perfect reaction to express just himself.)

We have a suspicion that a University man looks upon the floods of unasked-for clothes advice as just a bit presumptuous—and a bit amusing. There is nothing of the "Campus Joe" about him. His practical soul responds enthusiastically to moderate prices—where to go—and for what—

You'll pardon us if we seem a little blunt, but in the Matter of University clothes and Accessories—MAGEE'S Know their book forward and backward... (In the best University tradition) We confess to a healthful distaste For "Kollege Klothes"—for Designer's dreams—for "Knock-em dizzy" ideas, for So-called "Stylists"—after all, University men themselves determine Their fashions—and MAGEE'S Try to be a good observer and reporter.

MAGEE'S see Fashion—When it's a mere gleam on the Eyeball—is present at its Birth—sees it go into its Stride—and into its prime—Sees it in its decay—and Demise. And—as a man's store—With a healthful masculine Viewpoint on Fashion—we can Separate the authentic from the Spurious—the gentlemanly from The "jelly"—the genuine thing From the "freakish fad." You'll find a "look-through" very Interesting for all university Requirements are at the front—Again—an invitation—come In and see these words translated Into actual merchandise.
