

NEBRASKA CAMPUS SOCIAL WHIRL

SEEN ON THE CAMPUS.

Jane Barbour enjoying an additional vacation from gym class... Marian Rolland looking very collegiate in one of those new barrel sweaters... Betty Lau and Howard Litch together a lot these days... Whitney Reed and Jean Kent enjoying their usual caking hour... everyone having a hard time getting to their 8 o'clocks... Betty Widener and Mary Field entering into a weighty discussion of men and things... Iby Broady exhibiting a new Sigma Nu sweetheart pin... Jim Elmore and George Place taking in all the shows in town... Ed Steeves delighting in scaring innocent pedestrians... Bobbie Smith with a new man in tow... Mary Toody wondering why she couldn't find Dundee street white in Omaha... lots of Alpha Phi's just returning from vacation in Cambridge... Chi Phi's doing a little "handing" around yode fraternite house... much speculation as to why Frenchie is not wearing her Phi Delt pin... Mary Lou Motz wishing that someone would pronounce her name correctly for a change... Mary Priscilla Stewart "activitying" busily—even on the day after vacation... Edna Claire Maxwell singing songs about daffodils and love... Stan Blackburn looking for Betty Cherny... Dave Bernstein remarking to the world in general how much good he gets out of vacations... and people still coming back to school more or less wearily.

ZETA Tau Alpha Mothers' club will meet Wednesday evening at the chapter house. About fifteen will be present and a social hour will follow the regular business meeting.

Dr. Whitney Says Ivy Does Not Grow Well On Nebraska Campus

Dr. D. D. Whitney, chairman of the zoology department of the university, has come to the conclusion that it is silly and a waste of time to plant ivy each spring on the campus as a part of traditional Ivy day festivities. Says Doctor Whitney, "Ivy doesn't grow so well here, and besides, the campus is in much greater need of fine big trees than it is of ivy." The University zoologist recommends that if the classes want to do something worthwhile and desire to leave some kind of a permanent memorial on

the campus, the purchase and planting of a good-sized tree would be most beneficial. Within a few years, the city campus, particularly the new part, could be made as beautiful and inviting as the older wooded sections. If such a tree were planted near Bessey hall, he guaranteed to see to its watering. One faculty member was afraid the students might decide on "nut" trees. Even weeping willows might be appropriate around some offices, but to Dr. Whitney, any nice tree would be desirable.

TRIO OF NEBRASKANS RECEIVE FELLOWSHIPS

Butterbaugh, McGrew, Joyce To Attend Illinois Graduate School.

Three university graduates and students have been awarded fellowships in the graduate school of the University of Illinois, according to the Illinois registrar's office. The three are Darnel J. Butterbaugh, who received his B. S. in 1935; Robert M. Joyce, M. S., 1936; and Frank C. McGrew, M. S., 1934. The Illinois graduate school is one of the strongest organizations in the country for study beyond the regular college course.

Smooth Cars Grace Campus.

With spring and its accompanying sidights upon us, campus hooper's hearts began to yearn for a smooth convertible, father's good old bus or even a motorcycle with which to charm the one and only. Betty Mayne's brand new yellow roadster, a product of her spring vacation trip home is running George Eager's yellow convertible a good race for the title of best looking car. And for those who are content with "smaller fry" we recommend George Scott's car, known as "Lloyd" or that black shiny sedan of Bob Funk's. Chi Phi's latest creation which out screams Al Clark's cream and green job is attractively painted orchid and as if this were not enough alone has a delicate scarlet trim. And if the gal friend likes fresh air and scenery, do your best to borrow the scarlet and cream motorcycle which Hank Amen has been sporting, these many months.

ASSIGNMENT COMMITTEE RULES ON REGISTRATION

Students May Not Send in Substitute Class Schedules.

At a special meeting of the assignment committee of the university it was decided that hereafter students will not be allowed to send in substitute registration. Instead, those who desire to re-register, will be forced to do it the following week and pay the late registration fee, unless they show a written excuse from the dean of their college. At the January registration week, fifty-four students submitted substitute registrations which unnecessarily added to the difficulties, said Dr. A. R. Congdon, in charge.
